## Continue Appeal for Salvatin Army Fund

The Salvation Army appeal for funds for home service work is to be contin- ued a few weeks in order that all of the friends of the work may have an op- portunity to aid, according to announce- ment made today by the Marion county campaign leaders.

L. R. May, who is directing the cam- paign in the city and county, said that on account of the absence from the city of many men and women who usually help in the work of raising funds for the army, it will be necessary to con- tinue the work of soliciting through per- sonal letters.

"Prosperity has not removed the need for the Salvation Army institutions," said Col. R. W. Moorhead, chairman of the citizens committee, in charge of the campaign.

"It has merely changed some of the methods of serving those at the bottom of society."

County campaign headquarters are now located at 147 North Pennsylvania street.

Within the next two weeks thousands of personal letters sounding the appeal will go out from there.

## SEASONABLE BEAUTY AID

We find you can bring out the beauty of your hair to its very best advantage by washing it with can- throax. It makes a very simple, in- expensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, whole- some feeling. After its use you will find that the hair dries quickly and evenly, is never streaked in appear- ance and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleas- ure. Just use a teaspoonful of can- throax, which you can get from any good druggist's, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply it to the hair in- stead of just the top of the head.—Advertisement.

IMPORTANT—Blood-Iron Phosphate is sold only in original packages, con- taining enough for three weeks' treat- ment, at \$1.50 per package—only 50c a week.—Advertisement.
