Detroit Stars Next
on A. B. C. Program;
Giants Finally Win

Taylor's A. B. C.'s are now ready for the Detroit Stars, second-place team in the Western Colored league and a series will be opened at Washington park with last club Sunday.

Double headers will be played both Sunday and Monday and games similar to the A. B. C.-American Giants contest.

Foster's Windy City outfit will play the final game here yesterday with Taylor's club, 6 to 2.

The A. B. C.'s won two of the three games, the best record made against Foster's.

The Giants, but Foster's bluffs and won, until the last, however, was not a walkaway.

The Giants' center fielder, had three hits, one a double, and a home run.

The Giants were wise in passing the game to the other side.

The entry on both sides was Tom Johnson, who had been scheduled and then seemed to check out the sunshine.

The managers announced their teams and just to show that he was not a favorite, Manager Paul Don-

Brown of the Kiwanis club ordered the Chicago heavyweights, to take the bench with the other side.

The entire membership of both clubs is scheduled to witness the scrap. Yell-

ders were appointed, vandeville acts scheduled and there seemed no way to check out the sunshine.

The Chicago fighter is said that Brennan is looked upon as logical adversary for Jack Dempsey.

REALTORS FORM
TWO COMPANIESPurpose to Create Fund for
Next Convention.

According to Harry G. Templeton, executive secretary of the Indianapolis Real Estate Board, plans are under way for the organization of two investment companies among members of the board, the work to be competitive and the profits of the companies to be turned into a convention fund.

Members of the companies will provide the stock, but will in no way participate in the profits unless they attend realtors' conventions.

The immediate purpose of the establishment of a convention fund is to make it possible for all realtors of the city to attend the Chicago convention next year.

The board plans to raise between \$5,000 and \$10,000 in this manner between now and the time of the Chicago convention.

It is said that at the last convention of real estate men at Kansas City, Mo., ten Indianapolis representatives were present, while Akron, O., with a much smaller membership, had a special train for the occasion and 125 representatives.

Forrest M. Knight, a director of the board, yesterday outbid all other realtors at the auction sale and got a \$3,000 property on Emerson avenue for \$1,600.

Five per cent of this amount went to the real estate board as a nucleus for the convention fund.

SALEM, Ind., July 1.—Four men were to be arraigned here today on charges of arson and conspiracy to commit arson.

John W. Reymann, wealthy farmer, was charged by the state fire marshal with being the leader of the arson ring and hiring three men to fire his property so that he could collect the insurance.

The alleged arson fires have covered the period of the last eighteen years and have endangered many lives, according to officials of the fire marshal's office.

The three men, who are charged with working for Reymann and who are said to have confessed to their complicity in the plots, were Otis Roseberry, John Ott and Forest Ray.

The four men were arrested after a recent fire at the Reymann livery barn. Roseberry is said to have confessed to setting fire to this structure, saying he was paid \$50 by Reymann for so doing.

The insurance on this place amounted to \$7,500.
