# Flashing the First News of the Greatest CLEAN-SWEEP SALE

*In the History of "Indiana's Largest Men's Store"*  
The Biggest and Most Sensational Cut in Prices We Have Ever Announced!  
*Sale Starts Saturday, July 17th, and Continues for Two Weeks Only!*

—Our clearance process is quick, effective and complete—costs and former selling prices have been entirely forgotten. Thousands, upon thousands of dollars worth of high-standard merchandise must be cleared from our shelves and cases—for it is and has been our policy to sell all merchandise in the season for which it is bought. We positively will not tolerate "leftovers." We're merchants, not speculators, and measure our profit during this great semi-annual event—not by fixed percentages—but by the prestige and good will it brings the store.
