BEGIN SERIES
WITH MILLERS

LOSE SUNDAY GAME

MINNEAPOLIS, Minn., July 19.—Those batting Indians from Indianapolis were scheduled to open a series with the Minneapolis club here this afternoon and from all indications there is going to be a lot of hard scrapping during the four games.

The Millers, who are resting in second place, realize that its going to be a stiff proposition to take the majority of games from Jack Hendricks' outfit, for the Tribe is coming here with a record of enjoying a great road trip.

Caution's warriors are going to have to fight hard to keep their position as runners-up because the Toledo Hens are expected to have fair pickings at Kansas City.

Pug Cavet, who throws them over with his left paw, was expected to work against the Millers, although Goldsmith, the new addition to the Indianapolis pitching staff, may get a chance to work his first contest in the American association.

Hank Schreiber, the Tribe shortstop, will not be in the present series.

The death of his brother called him home and he was not with the Indians when they arrived here.

TRIBE IMPROVES
WITH STICK

Ben Tincup of Louisville remains in possession of the American association batting honors for the week with a .385 average. Hartley of Columbus is in second place, with .355. Rapp of St. Paul and Leo Dresser, his teammate, are tied for third place, both with .340.

The batting of the Indians follows: Hendline, .311; Rehg, .299; Kelly, .292; Zwilling, .288; Schreiber, .274; Covington, .270.

278; Cavet, 271; Kores, 248; Shliners, 237; Smith, 213; Gossett, 213; Wolf, 169. The Indians have recovered from their early season slump and for the last three weeks have been batting at an average far above their marks.

AMERICAN. This Speaker, manager of the Cleveland Spokes, has pouted his way from fourth to second place in the American league standing and is seriously threatening to shoot into first place over George Slaters, star of the St. Louis club.

Joe Jackson, the Chicago slugger, is trailing Speaker with an average of .338, while Babe Ruth, the home run king, dropped from second to fourth place with a mark of .332. Ruth was batting .328 a week ago.

Injury to his left leg probably will keep Ty Cobb, batting star of the American league for a score of years, out of the game indefinitely. Cobb returned to the game after a long layoff, cracked out seven hits in as many games, and then suffered a return of the injury to his leg, and had to be carried off the field.

The noted Georgian has an average of .218 for forty-seven games. Ruth, in addition to his remarkable home run drive, is leading the league in scoring, having crossed the plate eighty-five times. Rice of Washington failed to steal any bases during the week, but his thirty-five thefts remain high.

NATIONAL. Eayres continues to hold his lead in the National loop with an average of .363. Roger Hornsby, St. Louis, who has played in eighty-two games, is standing second with .350.

Cy Williams of Philadelphia, the leading home run hitter, failed to boost his total above the nine mark. In four games he has hit four home runs, but in Sunday, he failed to add another, thus failing to show the way with a total of thirty-two—an advance of four within a week. Other leading hitters are: Smith, New York, .335; Kometch, Brooklyn, .329; Housh, Cincinnati, .328; Twombly, Chicago, .327; Grob, Cincinnati, .322; Nicholson, Pittsburgh, .322; Hollencher, Chicago, .319; Smith, St. Louis, .312; Myers, Brooklyn, .312.

SPLIT SERIES
WITH SAINTS

ST. PAUL, Minn., July 19.—The Indians used all their cunning in an attempt to slip on the Saints and soak them for the series victory Sunday and Sunday, but Kelley's men met them in the open and won both contests, 7 to 6 and 4 to 3, respectively, after two of the greatest battles that have ever been staged at the local park. The series was divided.

St. Paul won Saturday's contest when Elmer Miller sent a triple humming out to the center garden and romped home on Rapp's single. Pitcher Jones had walked Hargrave to get at Rapp, who was enjoying a good day with the bat, having previously knocked out two doubles and a single.

Hargrave was not up to snuff on the "Mighty Casey" failure Sunday, when he worked it the way Casey thought he could and beat the Indians, 4 to 3, when his mighty wallop deflected his traveling expenses around the circuit.

Rifle Shoot

The annual shoot of the Indiana State rifle association will open on the F. Benjamin Harrison range tomorrow and it is believed that a record number of shots will be on the range for competition.

Practice shooting was held today.

SIR TOM CONGRATULATED HER

Sir Thomas Lipton won his best smile when he congratulated Miss Harriett Fisher for winning the women's yacht race at Sea Gate a few days ago.

"The Mouse" is the name of the vessel Miss Fisher piloted to victory.

Hennessey Doped to
Cop Tristate Net
Meet at Ft. Wayne

Play in City Tourney Finals
Brings Him Strong
Backing.

Johnny Hennessey will be a big favorite among local tennis enthusiasts to win the annual tri-state tennis championship on the Ft. Wayne, Ind., Country club courts, July 31 to Aug. 7.

Always a favorite among Indianapolis fans, Hennessey sprung to a higher point of consideration Saturday afternoon, when he defeated George Starbuck, 6-0, 6-3, 6-4 in the final round of the Indianapolis city tournament.

To say that Hennessey played the best tennis that has ever been witnessed on a Hoosier court in winning this match would be putting it lightly. There were fans there who have witnessed the work of the country's leading players, and when Hennessey and Starbuck left the courts they admitted that they had never seen a closer exhibition of tennis.

BEST GAME OF CAREER.

Hennessey has been playing his best game this year and Saturday he played the greatest of his career. He seemed to be all over the court at the same time, smashing, cutting and chopping the ball with uncanny accuracy and using wonderful judgment on every shot.

He seemed to play easier Saturday than in any other big match he has had, yet his game was well-nigh perfect. It was impossible for Starbuck to pass him at the net, and when he retired to the base line for brief rests his playing at that position was so much better than it has been on previous occasions some fans believed he was playing a little above his head. But this talk didn't go among Johnny's followers; they were firm in their belief that he was simply "right" and they are backing him heavily to play this sort of game at Ft. Wayne and come through the tri-state wing stage colors.

Proof of Hennessey's great form Saturday is given in the fact that it took

him just exactly ten minutes to defeat Starbuck in the first set.

Mrs. I. Watt Pugh was off form Saturday and could not offer much opposition to Mrs. H. S. Adams, state women's champion, who won the final women's match with 6-2, 6-0 scores.

In the men's doubles tournament, Hennessey and Trask were victorious, defeating Kohn and Bastian, 6-0, 5-7, 6-2, 7-5.

ROBERTS GETS
HIGH PRAISE

CHICAGO, July 19.—Roland Roberts of San Francisco was hailed as a new comet today following his winning of the tenth annual national clay court tennis championship here. Roberts defeated Vincent Richards of New York City in the singles and paired with Richards, captured the doubles from Ralph Burdick and Walter Hayes.

JOHNSTON BEATS
BRITISH CRACK

WIMBLEDON, England, July 19.—William M. Johnston of San Francisco defeated Maj. A. R. Kingscote here today when the American-English Davis cup teams resumed play. Johnston was forced to five sets to win from the Briton, 4-3, 4-6, 3-6, 6-4, 7-5.

William Tilden beat Park, 6-2, 6-3, 7-5, thus completing England's debacle in the fight for the Davis cup.

TIMES, 6; CHRISTIANITY, 2.

The Daily Times team defeated the Christians yesterday, by the score of 6 to 2, in a fast game at Fairview. Martin's pitching and Esco's fielding in center for the newspaper boys featured the contest.

A's Meet Monarchs
Third Time; Divide
Sunday's Twin Bill

C. I. Taylor's A. B. C.'s and the Kansas City Monarchs were scheduled to play again this afternoon at Washington park, the game starting at 3 o'clock.

Williams, a new addition to the local colored club's staff, was expected to work against the visiting club.

The A's split even in a twin bill with the Monarchs Sunday.

After taking the first game, 6 to 2, the A's got the wrong side of the "breaks" and were beaten in the second, 6 to 3, the K. C. outfit scoring four runs in the first inning before Dismukes could get going at his regular speed.

Mackey's catching for the A's and the playing of Jefferson, outfielder with the same club, featured the games Sunday.

British Golfers Open
Visit With Two Wins

MT VERNON, N. Y., July 19.—Harry Vardon, six times golf champion of Great Britain, and Ted Ray, noted British professional, began their tour of the links of the United States here Sunday by defeating two of America's leading amateurs, Ned Seay and John G. Anderson. The visitors took an eighteen-hole match on the links of the Siwanoy Country club in the morning by a score of 3 up and 1 to play.

In the afternoon Vardon and Ray defeated Tom Kerrigan and Tom McNamara in their first match against American professionals. The score was 2 up and 1 to play.

DEMSEY BACK IN HARBOR. NEW YORK, July 19.—Champion Jack Dempsey started training here today for a series of prospective matches in defense of his title.

Demsey will do his training in an old skating rink in Eighth avenue. His road work, for the most part, probably will be done in Central park.

Kearns, Demsey's manager, announced today that he expects to sign articles for a Dempsey-Brennan battle within a week.

White Says Shamrock Has
No Chance of Lifting Cup
Under Present Conditions

By FRANCIS J. WHITE. SANDY HOOK, N. J., July 19.—If the international yacht race is to be continued and the opportunity of taking the coveted cup back to England be made a possibility, existing rules that govern it must be subjected to a good deal of revision.

A Saturday's exhibition as I saw it from a thousand feet elevation, was a disappointment and while the wind was responsible, the fact that a boat that received seven minutes handicap, led at the finish by 54, shows a condition of affairs that calls for remedy.

One thing certain is that Shamrock will never win a race in these waters until the blow is sufficiently strong to put her lee rail under water and keep it there while on the wind. And that is the weather her crew, hailing from the east coast of England, is at home in when on the stormy waters of the North sea.

Capt. Burton, skipper of the Shamrock, has made mistakes during the two races sailed that looked distinctly amateurish.

Swim Records Fall

PHILADELPHIA, July 19.—Miss Ethel Biehl of the New York Women's Swimming association made a new world's record Saturday for 100 yards in still water at Willow Grove, Pa., near here, swimming the distance in 1 minute 51-8 seconds.

CHICAGO, July 19.—Norman Ross of the Illinois Athletic club Saturday won the twelfth annual Chicago river marathon over a two-mile course in 31:54, breaking the record made in 1915 by Perry McGilivray by 1 minute and 50 seconds. F. K. Kabele, United States navy, was second, 32:40; Harold Kruger, Hawaii, third, 32:54.

SIR TOM WILL
MAKE NO SHIFT
IN YACHT CREW

Says No Change Necessary
When Shamrock Has
Not Been Beaten.

'NO RACE' SATURDAY

SANDY HOOK, N. J., July 19.—No change will be made in the skipper or crew of the cup challenger Shamrock IV.

Sir Thomas Lipton, owner of the big green sloop, stated this afternoon that Capt. William Burton and the same crew that has handled the challenger in her brushes with Resolute in the international cup races to date, will be aboard her when she skims across the starting line in tomorrow's triangular race.

Sir Thomas' statement put an end to a myriad of rumors that Capt. Burton was to be deposed as skipper.

"Capt. Burton and the same crew that has sailed the Shamrock so far," Sir Thomas stated aboard his steam yacht "Resolute" which is in charge of her, "will remain in charge of her and will be at their stations tomorrow." The Irish baronet refused to comment himself regarding the apparently well-founded report that a change was contemplated. He merely remarked:

"There is no call to make changes when a yacht has not been beaten." A special forecast for the yacht race tomorrow given to the International News Service by the weather bureau follows:

The winds off Sandy Hook for Tuesday should be mostly north-west, moderate.

Where From Cometh These
Bewhiskered and Cyclonic
Swingers of Racquets?

Tongues were flapping fast in Indianapolis circles today as a result of an announcement made by tennis parties that "Egg" Hennessey, Indianapolis city champion, and The Bewhiskered Flash from parts unknown, have accepted the challenge of "hole" Middleworth and Cyclone Willie, for a three-best-out-of-five set tennis match on the Indianapolis Tennis association courts Saturday afternoon.

The match is to decide whether or not Middleworth and Cyclone Willie knew their oil when they challenged the famous combination.

The committee in charge of the event has granted the request of Charles P. Trask to referee. Guy Dixon, Indiana boys champion; Julius Szilagowsky and "Hank" Stevens will "chase" stray balls. Hennessey, Cyclone Willie and Middleworth are said to be getting in condition for the fray by daily billiard games at Coulter's parlors, while Bewhiskered Flash is going to bed early every night and resting on his laurels.

Each spectator will be set back a small sum on entering the gate, the entire proceeds to go toward furnishing refreshments for the players and fans and any traveling expenses several out-of-town enthusiasts who are coming for the big battle. Refreshments will be served at the pump after each game.

Ladies, unaccompanied, will be admitted free, but when spending the afternoon in company with a mere man, they will be forced to pay twice that amount.

Under the terms agreed upon, Hennessey will be barred from play if he makes more than nine-tenths of his team's points, unless he is given special permission by Referee Trask.

Don't fail to be there when you think it is time for the match to start, as it may end in a rush.

Big League Stuff

The pitching of Luque halted the Dodgers in their mad dash. A record crowd of 26,000 saw the game in Holland.

Lee Meadows adjusted his speck-pitched fine ball and hit in the winning run for the Phillies against St. Louis.

Ping Bodie, who calls himself a "hero maker," batted in six runs of the Yanks against the White Sox. Sunday Whitehouse threw his best at Hargrave and Hargrave pounded out a circuit blow, beating the Indians. How are you going to handle a crowd like that?

Louie Wolf robbed the Saints out of two runs in the first by a spectacular catch of Rapp's drive, then donated two to the good of the cause in the third by an error.

Shliners got another circuit clout. He and Hendline are having a lot of fun these days.

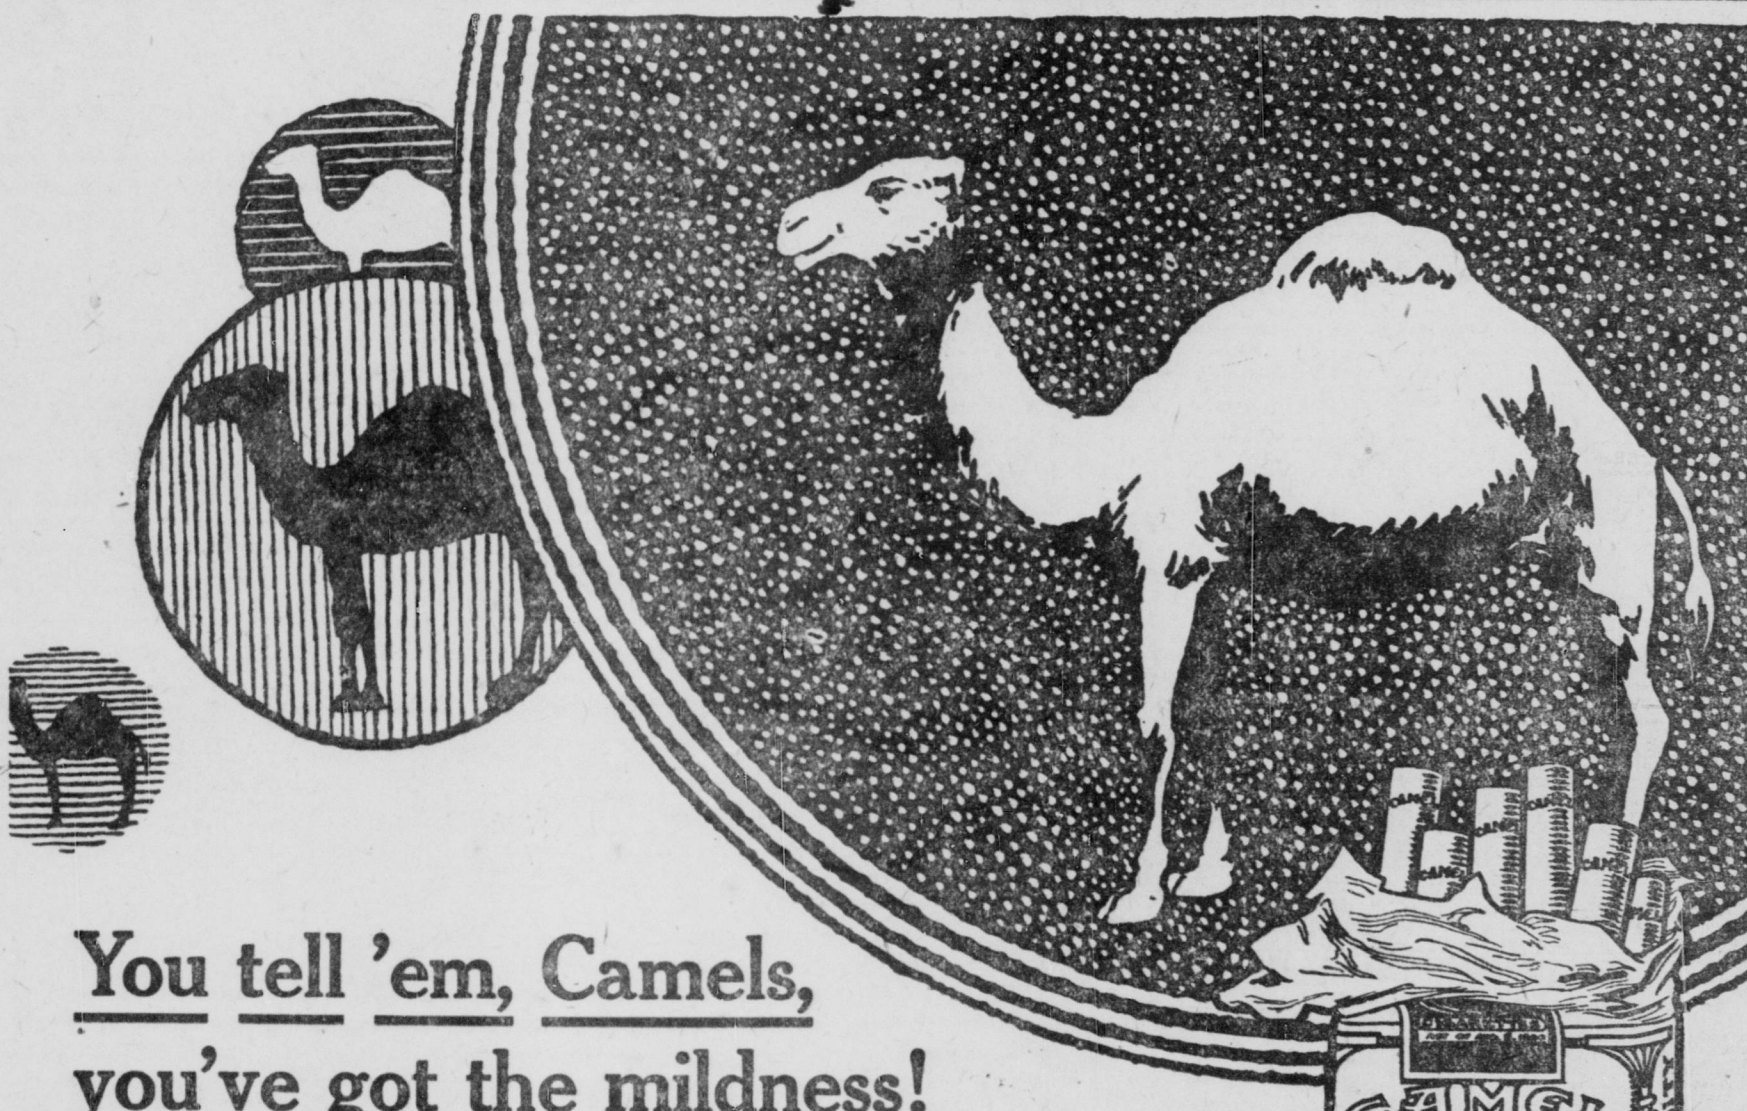

Jimmy Smith was there with three hits.

State laws came in handy to the Louisville club.

Minneapolis got four successive singles in the fourth inning of the first game to win. Davis produced the hit that counted.

Pitcher Songer, fresh from the independent field, held the Senators to four hits and no runs for seven innings and Kansas City copped the second game.

Kelly wasted a home run and a double in a vain effort to bring Toledo a win over Milwaukee.

You tell 'em, Camels,
you've got the mildness!

PUT Camels in comparison with any cigarette in the world at any price for quality, for smooth mellow body, for refreshing flavor! Camels are so unlike any cigarette you ever smoked in so many hankered-for ways they'll prove a delight to your taste—and never tire it, no matter how liberally you smoke!

And, you'll want to tell it from the house-tops that Camels leave no unpleasant cigarettey aftertaste nor unpleasant cigarettey odor!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes, or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend the carton for the home or office supply or when you travel.
