

## MARION WAITS IN HOLIDAY ATTIRE

Harding Notification Will Be Like Circus in Town.

MARION, O., July 21.—Warren G. Harding put in a quiet day preparatory to the ceremonies tomorrow officially notifying him of his selection as the republican candidate.

While Marionites were busy hanging bunting, flags and Harding posters, the center of political activity shifted to Columbus temporarily, where the republican national executive committee and the ways and means committee met to consider raising funds for the campaign and other questions.

Harding's recent request that campaign contributions be limited to \$1,000 each, has forced a general canvass for money, and likewise made necessary all possible economy in campaign expenditures.

Last minute touches were being put on here and excitement attending approach of the biggest day in Marion's history was apparent everywhere.

A new flag was brought out to fly from the weather beaten flagpole which stood in McKinley's front yard in 1896 and was translated to the Harding lawn this week.

In the business section, banners, horns and all kinds of circus day paraphernalia were displayed.

Street vendors were looking over the ground.

Taxi drivers were bringing in scores of automobiles to drive visitors around.

**TRAINERS ARE DUE.**

Twenty special trains were scheduled to run into Marion Thursday and automobiles will count into thousands.

The long heralded march of militant suffragists in Marion was being awaited with apprehension.

Harding will receive the suffrage delegation at 10 o'clock.

Immediately thereafter he will meet with the national committee and the ways and means committee.

He will return home for a brief rest before going to the Harding park ceremonies at 2 o'clock.

National Chairman Will Hays, Senator Lodge, Gov. Sprout of Pennsylvania, and T. Coleman Dupont were to arrive before noon today.

The subcommittee on arrangements, headed by T. Coleman Dupont, was to meet at 10:30 a. m. to consider final details for the Harding notification.

The national executive committee of twenty members, headed by Chairman Hays, will meet at 2:30 p. m. to discuss campaign plans.

Reports were that Senator Harding will skip down to Columbus from Marion tonight to attend the dinner given by republicans to the Harding notification at Marion, O.

A total of 25,000 pictures of Harding, an equal number of Warren T. McCray and 25,000 Harding buttons have been distributed among county chairmen.

Democrats are planning to charter special cars to the Cox notification next month.

## Whatever You Do Don't Neglect Your Eyes, Says Dr. Lewis, Who Tell How to Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other thing. Many whose eyes were failing say they had their eyes restored through the principle of this wonderful free prescription. One man says after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain me dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read the print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitude more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two or four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

NOTE—Another prominent Physician to whom the above article was submitted said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well-known to eminent eye specialists and widely prescribed by them." The manufacturer guarantees it to strengthen eye sight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist, and is one of the very few preparations I feel should be kept on hand for regular use in almost every family. It is sold in this city by all leading druggists, including the Hook and the Flag drug stores.—Advertisement.
