

COMMITTEES ON G. A. R. REUNION ARE SELECTED

Partial List Named to Handle Preliminary Work for 100,000 Visitors.

DATES ARE SEPT. 19 TO 25

A partial list of committees that will carry out various phases of the work preparatory to the national encampment of the Grand Army of the Republic, here Sept. 19-25, was made public today by Edward A. Kahn, chairman of the executive committee.

The complete organization for the handling of the encampment probably will be perfected within several days.

Five hundred Indianapolis business men probably will be named to assist in various phases of the work.

The encampment will be the greatest event in Indianapolis this year, at least 100,000 persons being expected.

It will be necessary to house about 75,000 in private homes and residents will be called on to open their homes for this purpose.

The list of committees as announced by Mr. Kahn is as follows:

Executive—Edward A. Kahn, chairman; Gov. James P. Goodrich, Mayor Charles W. Jewett, L. C. Huesmann, William J. Mooney, Sr., and W. E. Balch, secretary.

Advisory—W. W. Ketchum, chairman; J. W. Foster, William J. Mooney, Judge Vinson Carter, Evans Woolen, Robert E. McBride, J. B. Reynolds, Fred Mills, Edward B. Raub, Frederick E. Matson and O. D. Haskett.

Finance—F. D. Stalnaker, chairman; John H. Holliday, Evans Woolen, L. C. Huesmann and Eben H. Wolcott.

Hotels—Theodore A. Randall, chairman; Frank Shellhouse, A. M. Glossbrenner, F. D. Stalnaker, Lefe Weathers, C. F. Olwin and Ed Schooner.

Housing—Scott Brewer, chairman; Sidney S. Miller, J. Frank Cantwell, W. H. Remy, Remmer A. Bingham, J. Burdette Little, Clinton H. Glavin, Harvey Cox and Ralph E. Jones.

Transportation—J. W. Conney, chairman; L. B. Jay, J. W. Gardner, F. B. Huntington, R. C. Ficus, J. M. Morrissey and M. F. VanKorn.

Grandstands—A. H. Wahl, chairman; Henry C. Smith, H. H. Bukirk, M. E. Foley, Charles L. Berry and John Smith.

Halls and Meeting Places—Dick Miller, chairman; Riley Adams, Claude Crowder, Frederick E. Matson and C. F. Patterson.

Decorations—Herman P. Lieber, chairman; Ervin Rethermann, William Forsyth, Carl Gray, Edgar Hunter, Carl Lieber, Otto Stark, J. Anton Scherer, Brandt Steele, E. Vittmore, Kurt Vonnegut, Clinton Wheeler, Frank Zimmerman and Paul Hadley.

Badges—J. W. Lilly, chairman; Joseph C. Schaf and J. H. Lowery.

Legislation—J. W. Foster, chairman; Hon. Merrill Moore, Regina H. Sull.

MAYBE THEY'RE ALL OVER DISHES

Morgan Says Dishwasher Controls Germ Gambol.

In commenting on general health problems today, Dr. Herman C. Morgan, secretary of the city board of health, said the public is inclined to give too little importance to the dishwasher in hotels and restaurants.

Dr. Morgan says tests made show a large percentage of diseases carried by saliva and contact are spread through insanitary condition of dishes and that a good dishwasher can do more to eliminate this medium of disease spreading than any other person.

He said investigations and tests show where the dishes are washed in soap suds changed frequently and are rinsed in scalding hot water there is little danger of germs thriving.

The dishwasher who does the job well, he said, is one of the best assets the public can have.

"They are," he said, "one of the guardians of the health of the general public."

The city campaign against tuberculosis has not gathered momentum, Dr. Morgan said, but already two of the extra clinics for the treatment of persons infected with tuberculosis have been started and two more will be started within the near future.

The clinics being established are in addition to the day clinics, and are to give those who work all day an opportunity to take treatment.

Assessments of 218 Concerns Cut Down

Assessments of 218 corporations over which the state board of tax commissioners has original jurisdiction have been reduced by the board on petition of the corporations.

A total of 105 petitions were denied. The following reductions were made:

In the valuations of important Indianapolis companies: Beech Grove Traction Company, \$116,110 to \$96,410; Citizens Gas Company, \$57,742 to \$52,135; Merchants Heat and Light Company, \$7,633,900 to \$6,300,300; Indianapolis Warehouse Company, \$17,000 to \$9,000; Bankers Trust Company, \$336,200 to \$322,500; Indiana Trust Company, \$1,399,041 to \$1,399,000; Union National Savings and Loan association, \$155,530 to \$151,300.

START WORK ON SEWAGE PLANT

Delay Caused by Lack of Cement Overcome.

Members of the board of sanitary commissioners said today that work has been started on the large filtering chambers at the east side of White river where the five-foot steel siphon is to be laid under the river to deliver the sewage of the city to the disposal plant on Sellers' farm.

The chambers, which will be built principally of concrete and steel, will filter the large particles from the sewage before it enters the huge steel siphon.

Work on the chambers was to have been completed by this time, according to the original plans, but the hold-up in the delivery of cement and other materials has made it impossible to go on with the work.

One thousand barrels of cement have arrived, which contractors say will tide the work over until more materials can be obtained.

Relief in the tieup of street construction work was promised last week by Dwight S. Ritter, city purchasing agent, who said arrangements have been made with the Monon and Pennsylvania railroads for the transportation of about twenty cars of cement from the Mitchell, Ind., plant of the Portland Cement company.

City officials claim that the tieup is due directly to inadequate transportation facilities.

They said that railway officials seemed willing to co-operate in any way they could.

YOUNG WOMAN HELD IN SLAYING

Man, 61, Found Dead in Chicago Hotel Room.

CHICAGO, July 22.—M. P. Poindexter, 61, said to have a wife and four children in South Haven, Mich., was found dead in a hotel room here today.

Mrs. Ora Walters, 31, occupant of an adjoining room was arrested in connection with the death.

Mrs. Walters said she heard a shot in Poindexter's room, investigating, found him dead.

Later, according to police, she admitted she and Poindexter were intimate. She said she had been his private secretary.

Mrs. Walters told the police she believed Poindexter committed suicide because of financial troubles.

PHYSICAL TEST IN CITY SCHOOLS

New Plan Provides for Examination of All Pupils.

According to an announcement made by Dr. William A. Ocker, director of physical education and hygiene in the Indianapolis public schools, each pupil will be subjected to a thorough physical examination during the opening weeks of school this fall.

In the past, undeveloped children have been given special attention by this department of the educational institutions of the city, but the new plan will demand a careful physical examination of all.

Scales and measuring apparatus will be placed in every school building in the city, and the teachers will be requested to weigh and measure each pupil under

their care at the beginning of the school year.

Charts, which will show the physical condition of every pupil, will be made the basis on which a hygienic course will be built.

Dr. Ocker says that 10 per cent of the school children are under weight, which means, he said, that in most cases they are mal-nourished and need special attention if they are to do their best work in school.

No. 12 in the story of the Indianapolis Foundation

IN CHICAGO, Boston, Philadelphia and New York community trusts have been formed on the Cleveland plan. The bequests total many millions. The community foundation is an important and growing factor in the community life of these cities.

Through the Indianapolis Foundation, friends of Indianapolis may contribute for all time to the moral, physical and educational advancement of the city and its people. Large and small gifts join in one large common trust—each dollar of the fund's earnings working equally and powerfully for a better Indianapolis. Changing needs are met as they arise, and the identity of each donor is likewise assured through the permanence of the Foundation and its trusteeship.

Write to any one of the three companies below for a booklet explaining The Indianapolis Foundation in full.

INDIANAPOLIS MAN DECLARES MOTHER IS MUCH BETTER

Suffered from lazy liver, dizziness, tired out, no account feeling, constipation and stomach disorder.

Claims two bottles of the new remedy Drecto, has brought a big change in her.

"It is wonderful to see the big change in mother since she has been taking Drecto," said Mrs. S. C. Walker of 121 East McCarty street, Indianapolis.

"Mother lives in Marion, Ind., but is on a visit here. She had taken Drecto back home, so when she read in the papers that it could be bought in Indianapolis, she had me make a special trip to the drug store to get some."

"For a long time she has been bothered with constipation and had to take medicine nearly every night for this trouble. Her liver was very sluggish, giving her a bitter taste in the mouth, that tired, worn-out feeling, dizzy spells and headaches. Her strength was very low and her sleep was broken."

"Two bottles of Drecto have made her like a different woman. She has a big appetite, sleeps sound all night long, never has a headache now, dizzy spells and the constipation have been entirely relieved. Really Drecto has been a great blessing to her."

Drecto acts on the liver in a smooth, gentle manner, gradually working off the excess bile day by day. It is neither strong nor harsh in action, does not excite the muscles of the bowels, as strong cathartics do. It tones up the digestive organs and relieves gas on the stomach; puts an end to constipation; increases the appetite; gives strength to weak kidneys; restores tired nerves and induces sound sleep. Drecto is a great blood purifier and system cleanser.

All good druggists now sell Drecto and it is being especially introduced in Indianapolis by Clark & Cades' Cloypool Hotel Drug store.—Advertisement.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Weyl's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.—Advertisement.

Wife Takes Adler-i-ka!

"Adler-i-ka helped my wife for gas on the stomach and our stomach in twenty minutes. It works beyond GREATEST expectation." (Signed) Sherman Catt.

Adler-i-ka flushes BOTH upper and lower bowel so completely it relieves ANY CASE gas on the stomach or sour stomach. Removes foul matter which poisons the stomach for months. Often CURES constipation. Prevents appendicitis. Adler-i-ka is a mixture of buckthorn, cascara, glycerine and nine other simple ingredients.—H. J. Huder, druggist, Washington and Pennsylvania streets.—Advertisement.
