

CHARGES SHE WAS KIDNAPED BY MAN

15-Year-Old Girl Says She
Fought for Days.

Robert Jones, 23, and White Thomas, 18, both of Norton, Va., reported violators of the Mann act, are in the Marion county jail today in default of \$5,000 and \$2,000 bonds set by United States Commissioner Charles W. Moores yesterday afternoon.

Two girls, Mildred Wampler, 14, Norton, Va., and Elizabeth Waycaster, 15, Bald Creek, N. C., who are said to have been taken from Norton Va., by Jones and Thomas, are held as witnesses under \$1,000 bonds.

The bond of the Waycaster girl was signed by her father, W. J. Waycaster, Bald Creek, and she was taken home, but the Wampler girl is held in default of bond.

The two men were arrested at Bloomington Wednesday by the police, when the Waycaster girl told of arrangements the two men had made.

The Waycaster girl, who says she was kidnapped by Jones, said she had tried several times since they left Norton, to inform the police, but that Jones always frustrated her plans.

It is said Jones, who is a taxi driver, is married and has a wife and two children, and that he had been separated from his wife only about a week when he left Norton, July 10.

The Bloomington police, it is said, took a letter from Jones written to the wife of another man in Virginia, which states he wished he had brought her instead of the girl that he did get, because she had betrayed him.

William J. Waycaster said the matter was a prearranged affair between Jones and Thomas, and that it only happened that his daughter was visiting her cousin, the Wampler girl, when the arrangements matured.

The Wampler girl and Thomas both told the court that when they left Norton they intended to go to Detroit to get married and that they had hired Jones to take them.

They said they were willing and wanted to get married now, if they could, but the court would not consent.

The Waycaster girl said she started on the trip with Jones and her cousin, Mildred Wampler, when they told her they were going to the county seat to get married.

When they passed through the county seat she said they told her they would take her to the next town and she could return by train as they had arranged to go to another town to be married.

The Waycaster girl said it was a continuous fight against Jones from the time that they left Norton, Va., until they were picked up by the police at Bloomington.

**Tan, Red or Freckled
Skin Is Easily Shed**

To free your summer-soiled skin of its mudiness, freckles, blotches or tan, the best thing to do is to free yourself of the skin itself. This is easily accomplished by the use of ordinary mercurized wax, which of course can be had at any drugstore. Use at night as you use cold cream, washing it off in the morning. Immediately the offending surface skin begins to come off in fine powder-like particles. Gradually the entire outer scarf skin is absorbed, without the least harm or inconvenience. The second layer of skin now in evidence presents a spotless whiteness and sparkling beauty obtainable in no other way. One ounce of mercurized wax is sufficient to completely renovate a bad complexion.—Advertisement.

Salvation Army's Barrel Is Opened

Miss Emily Traugott, who for ten days has been gathering nickels in front of Jack Rohr's store, in the Hotel Severin, for the Salvation Army home service fund, today opened her barrel.

The barrel was opened in the presence of Lloyd P. Hooper of Detroit, provincial director of the campaign, and L. R. May, Marion county director.

Miss Traugott continued to rake in nickels the rest of the day with the contents of the barrel exposed to the public.

It was the intention to deliver the barrel to Salvation Army officials at 5 o'clock this afternoon.
