

**COUNCIL HEAD GETS 'PEEVED'**  
Doesn't Want Assistance in Buying Apparatus.

If the city council recovers its dignity and gets the poorness directed at Dwight S. Ritter, city purchasing agent, it will likely go ahead with the program of motorizing the fire department of the city.

Gustave Schmidt, president of the council, called Ritter on the "green eye" a few days ago and wanted to know why Ritter had sent out a letter to a number of firms who had fire apparatus to sell, telling their representatives not to call on the president of the council and the members of the board of safety, until they should get word from Ritter.

President Schmidt said that neither he nor the other officials wished to be ignored in such a way and asked what Mr. Ritter meant by it.

Mr. Ritter explained that inasmuch as no bond issue had been voted and the city could not ready to buy motor equipment, he thought he would be doing the overworked city officials a good turn by keeping the motor equipment salesmen away from them until such a time as the city would be actually ready to buy.

At such time, Mr. Ritter explained in his letter, he would advise the salesmen to see the officials and thus nobody would get the budge on the other and the city play no favorites.

"Well your explanation doesn't explain," was the substance of President Schmidt's retort.

Whereupon Mr. Ritter wrote a letter—which President Schmidt O. K'd—and sent to all the firms to whom he had sent his first letter.

The salesmen are now dribbling in and the tenor of them is that the salesmen understood the letter to mean that they were not to bother the council and other officials until the proper time.

Thus, the dignity of the council will probably be saved and the city will eventually get the motor apparatus.

The estimated cost of motorizing the

department, including the building of two fire stations, is \$500,000.

The council expects to arrange for the bond issue within a short time—if nothing comes up to ruffle their dignity in the meanwhile.

**Huh, Jewels Were in House All th' Time!**

HAMMOND, Ind., July 29.—The Whitling \$5,000 diamond mystery has gone glimmering and Whitling and Chicago detectives were called off the case late Wednesday.

Mrs. John Bennett reported to the police Sunday that thieves had broken into the apartment and stolen the Bennett jewels.

When Mr. Bennett returned home he was not long in clearing up the mystery.

He had found the jewels lying loose on a dressing table and to brighten Mrs. Bennett had hidden them under a blan-

ket.

President Schmidt said that neither he nor the other officials wished to be ignored in such a way and asked what Mr. Ritter meant by it.

### Look Ahead

The more you save and invest in real estate during this period of prosperity and high wages, the more you will have later on. Don't follow the advice of the fellow who has nothing and probably never will have anything. The shrewdest and most conservative investors on earth put their savings in real estate. Be wise and follow their example. The quicker you get your lot and get it paid for the sooner you will be able to get a home of your own and become your own landlord. Before you get your lot paid for building material will be much cheaper. Act at once while you have the opportunity.

#### Be a Land Owner

Own your own home. Be a full-grown American citizen. The influential citizens in any community are all property owners. When you get your lot and get it paid for you will be that much nearer a home of your own.
