

## RECRUITERS WILL HELP ENTERTAIN

Plans for G. A. R. Encampment Progress Rapidly.

Members of the United States army recruiting detachments of Indiana will be escorts of honor to the veterans of the civil war who will come to Indianapolis when the national encampment of the Grand Army of the Republic is held here Sept. 15 to 25.

The services of the recruiting detachments have been offered the executive committee in charge of general arrangements in a letter from Maj. W. F. Harrell, in charge of the local station.

Maj. Harrell, in a letter to Wallace O. Lee, chairman of the committee on information, states that the entire detachment in the state "will regard it as a privilege" to assist in the reception and entertainment of the members of the G. A. R. "Please call upon me for any material or property which you may need and which the army can furnish," he says. Plans for the handling of the encampment are rapidly progressing and the local organization will be completed in several days.

It is believed that at least 100,000 persons will come to Indianapolis for the encampment, and thousands of rooms will be needed in private homes.

## Court Makes Woman First to Lose Rights

Special to The Times.

GARY, Ind., July 31.—Disfranchisement for ten years was included in the sentence imposed on Mrs. Cheney Thornton by Judge Martin Smith of criminal court at Crown Point Friday, making the first time such a sentence has been passed on a woman in Indiana.

Mrs. Thornton goes to the woman's prison at Indianapolis for from two to fourteen years on a charge of being an accessory in a robbery case.

She is the wife of Will Thornton, who will be electrocuted at Michigan City prison Nov. 12.

## Claim Child Is Held for Payment of Debt

Special to The Times.

SOUTH BEND, Ind., July 31.—Henry Pasge and wife have asked Judge C. R. Montgomery of the Superior court to issue a writ of habeas corpus compelling Mr. and Mrs. Louis Kolskis to surrender to their child.

The writ is returnable next Wednesday. It is claimed by the plaintiffs that the defendants are unlawfully holding the child because of an alleged debt which the father owes to Kolskis.

It is charged the latter refuses to give up the child until the debt is canceled.

## Junior C. C. Plans for Band Concert in Fall

In accordance with action taken by the Junior Chamber of Commerce, the United States Military band will be brought to Indianapolis in October by the junior chamber.

Reports from the membership committees of the junior chamber show that 188 of the 500 new members sought by Sept. 4, have been obtained during the week.

## GRAIN DROP JOLTS FARMERS.

NORFOLK, Ind., July 31.—Farmers of Hamilton and adjoining counties were in a panic Friday when wheat took a drop of 15 cents a bushel and was quoted at the local elevators at from \$2.25 to \$2.19, a drop of 40 cents within a week. The decline in price and the car shortage means eventually a still lower price, elevator men say. Most of the country elevators are filled to their capacity.

## REAL ESTATE GOSSIP By REALTOR "AL" EVANS

Tom Carson got a "charlie horse" as the result of the fat man's race.

When it comes to eating chicken and watermelon no one has anything on Forrest Knight.

Lafayette Perkins suggests—"It's a darn-ake better fore-site to buy a home-site."

Boyd Tompkins proved in the ball game that he still has some speed when it comes to running.

Ben Bakemeyer showed more pep than a number of the fellows who are younger by several years.

Don't be discouraged if your advertising doesn't get quick results. Remember that Methuselah was 965 years old before he made a reputation.

J. C. Price claims that he was the legitimate winner of the fat man's race. He claims that Carson is not in the fat man's class.

If I had known just who was going to win those contests I would have asked just exactly what they wanted in the way of prizes. I did the best I could under the circumstances.

If these girls who live in Washington, D. C., and visit Centwell here find out that he goes picnicking with a Louisville girl he'll have a fight on his hands.

That was a sure nuff one-sided ball game in the first inning. Had it lasted three innings the score would have been about a tie.

If Mac had done as good in the way of prizes as his better half and boy, there wouldn't have been much left for the rest of us.

Here's a fellow you all know quite well. He does things on a scale that is swell. Last March at the smoker he proved quite a joker. With doughnuts too numerous to tell.

On Irvington homes he's a cat; He's good natured, although he's not fat. His statch is quite thin, Which I think is a sin, Though you can't blame K. R. for that.

You will find that he acts on the square. Though sometimes he is up in the air. So take him all round He is solid and sound; Why, even his coloring is fair. A. S. M.

Alford Wilkins, 118 North Senate avenue, motorman on the Shelby street car, said the controller of his car failed to work and that the car started to go backward.

## Look Ahead

The more you save and invest in real estate during this period of prosperity and high wages, the more you will have later on. Don't follow the advice of the fellow who has nothing and probably never will have anything. The shrewdest and most conservative investors on earth put their savings in real estate. Be wise and follow their example. The quicker you get your lot and get it paid for the sooner you will be able to get a home of your own and become your own landlord. Before you get your lot paid for building material will be much cheaper. Act at once while you have the opportunity.

## Be a Land Owner

Own your own home. Be a full-grown American citizen. The influential citizens in any community are all property owners. When you get your lot and get it paid for you will be that much nearer a home of your own.

## TRUTONA CAUSES HAPPY STATE OF AFFAIRS WHEN JUSTICE GIVES IT TRIAL

Wife of Local Man Tells How Perfect Tonic Helped Her Husband and Made Things Pleasant Around Home.

A happy wife and a healthy husband, is the pleasant state of affairs that Trutona has brought about, in at least one Indianapolis home—that of Mr. and Mrs. Ed Justice, who live at 418 West Merrill street. In the following statement, Mrs. Justice, enthusiastically tells how the Perfect Tonic benefited her husband.

"But all this was before Mr. Justice began taking Trutona. This wonderful medicine seemed to help him from the very start. He feels like a new man now. He never experiences the lumpy feeling in his bowels any more, and the former belching and heartburns are things of the past. I've never seen a man eat like he does. My husband will gladly recommend Trutona to any one suffering as he did."

Trutona's healthful action reaches every portion of the body, and performs its work faithfully and efficiently. Trutona rebuilds diseased nerves and tissues, creates a healthy appetite, and aids in the assimilation and digestion of the food.

Trutona is sold in Indianapolis at the Hook chain of drug stores and at O. V. Brooks' drug store, Pennsylvania and Ohio streets, and by all good druggists everywhere.—Advertisement.
