OUT OF A JOB?
Well, that isn't as bad
as being "out of pluck."
In finding a new situa-
tion, half the battle is
the determination to get
one. The other half is
the intelligence used in
seeking one.
Employees get a good
"first impression" of you
if you go after a job in a
businesslike way.
You will save energy,
time and shoe leather by
reading the Little want
ads in the "Help Wanted"
columns of The Daily
Times.
