By JACK VEZIOCK, International News Staff Correspondent.

ANTWERP, Aug. 19.—James E. (Red) Meredith, famous American distance runner, proved here today that he has some of his old-time speed left when he qualified in his first trial at the 400-meter Olympic run, and then again was placed in this event in the semi-final. He will be one of the four Americans to start in the final tomorrow.

Three other Americans opened the day by placing in the semi-finals of the 400-meter run. They are Frank J. Shea, United States navy; R. S. Emery, Chicago, and G. C. Schell, of Chicago. The worst weather for the present Olympic games has been the day. The air was decidedly muggy.

P. W. Fuller of the Dorchester club, Boston, was the only American to qualify for the 1000-meter run. He was the Indian from Haskell Institute, Lawrence, Kas., dropped out.

Four Americans qualified for the pole vault. They are: E. B. Myers, Chicago; F. K. Foss, Chicago; E. J. Jenne, Washington State college; and E. E. Knouren, Illinois Athletic club, Chicago.

The Americans did not fare so well in the one-eighth finals and the quarter-finals of the 400-meter run. The only survivors of the United States team after these events were Seymour, of Chicago, and E. J. Jenne, of Washington State college.

O'Donnell Sets Fast Pace in Spin Over Elgin Speed Course

ELGIN, Ill., Aug. 19.—Eddie O'Donnell, driving a Duesenberg, set a fast pace for the Elgin road race course during the first practice Wednesday in 6 minutes 52 seconds for the 100-mile race. This is only thirty-three seconds slower than the lap record made by the late Spencer Wishart, in the race in which he was killed in 1914.

Other drivers to participate in the practice were Eddie Egan, Jimmy Murphy and Cliff Durant. They did not attempt to show any speed.

Because the drivers who took part in practice Ralph DePalma and Tommy Milton are here with their cars. Ralph DePalma, Ford and Tommy Milton, Chevrolet are driving their cars from their point of assembly.

The only other entrant, William H. Seymour of Elgin, is assembling his machine in Chicago. All ten drivers were expected to report for the time trials today.

CAPITOL LEAGUE MEETING.

All captains wishing to enter teams in the Capitol Bowling league are requested to report to the Capitol Bowling club, next Thursday evening. All last year's teams should be represented.

Star Combinations Clash in Title Net Tourney at Boston

BOSTON, Aug. 19.—Three feature matches loomed up today when play was resumed at the national doubles championship tournament on the Chestnut Hill courts.

Hayes and Burdick; Johnston and Griffin were to meet Yencken and Manan, and Williams and Hart were to meet Davis and Roberts in these scrums, which promised to be some of the best doubles affairs of the tournament.

William F. Tilden and Charles Garland, Davis cup men, showed excellent form yesterday in defeating Alexander and Howard in straight sets, 6-2, 6-3.

The winners played a speedy game and their strokes carried uncanny accuracy.

In the second round National Champion Johnston and his partner, C. J. Griffin, showed lack of form and were forced to the limit by Penn and Ingraham. R. Norris Williams and Richard Hart played a steady game to beat Niles and Linney in another four-set match.

Biddle and Bell weakened in the fourth and fifth sets of their match with Hayes and Burdick and were eliminated with 6-4, 6-8, 7-5, and 6-3 scores.

TRIBE ON WAY TOPLAY BLUES; JONES IS STAR

Indians Nearly Cop Twin Bill Over Saints Behind Paul's Good Pitching.

UMPS HITS HENDRICKS

ST. PAUL, Aug. 19.—Jack Hendricks' Indians finally beat the Champion Saints yesterday, when they grabbed the final game of the series, 5 to 3, after dropping the first contest of the day's double header card, 3 to 4.

The Hoosier athletes packed up immediately after the last game and departed from the city last night, their next stop being Kansas City, where they will open a series with Otto Knabe's Blues Friday.

All the Indians welcomed the rest today because four of them are not in the best of shape. Among the sick and injured are Smith, Zwillling, Wolf and Gossett, and with these men ailing the team is lucky to win any games.

However, the Hoosiers hope to swing back into consistent winning form while in the K. C. camp, and believe they will be back in second place when they emerge from that place.

Paul Jones hurled both games yesterday, and he was simply outclassed out of the first one. He allowed the champions to score 10 runs, 10 hits, and 10 errors, and he lost, despite the fact that his mates collected nine of 11.

The ninth inning of the first game was a heartbreaker for Manager Hendricks and his tribe, because in that game the Indians scored a double, single and two home runs, yet got only two markers. As an aftermath to a dispute between Manager Hendricks and Field Umpire McCafferty in that inning the umpire attacked the tribe boss between games, and he is likely that President Hickey will at least investigate.

The schedule of nine cycle races to be staged on the state fair grounds' half-mile oval Tuesday, Sept. 7, was announced today by Charles E. Wehr, Indiana representative of the National Cycle association.

There are three state championship events on the card, the one-half-mile, one-mile and five-mile races.

Other events will be the half-mile junior race, for boys 10 to 15 years of age; one-mile junior, for boys 14 to 16 years of age; one-half-mile old timers' race, for men of 40 years or over; two-mile race, for men of 40 years or over; and ten-mile race, for riders from other states.

In addition to these there will be exhibition tandem and triplet races, in which old-time riders will compete against some of the best youngsters in the state.

The fairground races will be sanctioned by the National Cycle association and those wishing to compete must register with that organization. Registration fees and one year's dues amount to \$2.50, which may be paid to Representative Wehr at 222 Hume-Mansur building. Entries will close at 6 o'clock on the evening of Sept. 2.

Indianapolis is rapidly being recognized as the racing center for the pedal power, each event of the program today that several state men have already signified their intentions of going to the fair to compete.

The Terre Haute team, which made such a good showing in the recent Times handicap, will be on deck to bid for honors in the state championship events. Riders from South Bend, Mishawaka, Elkhart, Chicago, Ill., and Grand Rapids, Mich., will also enter the feature contests.

Silver trophies, gold, silver and bronze medals, emblematic of the N. C. A., and merchandise prizes will be awarded the winners of each event on the program. Entry blanks may be obtained from Director Wehr at his office or at any local sporting goods store.
