Rev. J. W. Duncan read the service before the fireplace, flanked high with palms and fern, combined with masses of asters and gladioli in rainbow hues. Mrs. Addison J. Kenyon sang "At Dawning" and "Believe Me If All Those Endearing Young Charms" preceding the ceremony, accompanied by Mrs. W. S. Lynch, who also played the music for the procession, using the bridal chorus from Lohengrin.

Miss Katherine Parkhurst of Lebanon, Ind., and Donald Hogate, of Danville, are the house guests of Mrs. Samuel Ralston and Miss Ruth Ralston, at "Hoosier Home." Miss Ruth Cravens of Bloomington will come Friday to spend several days.

William Geisendanner was re-elected president and the remaining officers included Abe Martin, vice president; Thomas Wilson, treasurer; James Fisher, recording secretary; Earl Whiteman, corresponding secretary, and Maurice Morgan, sergeant-at-arms.

A farewell party will be given by the fraternity next Saturday night in honor of Paul Kervan, who will return to Notre Dame this fall, and Forrest Kirby, who will enter Purdue.

Earl Lyons, Robert Jones and John Mumford have been recently pledged.

Attendants for the wedding of Miss Martha Ogde and Chris Matthews will include Miss Audrey Groves, cousin of the bride, maid of honor; Martha Fielder, the bride's small namesake, flower maid, and Cecil Matthews, nephew of the groom, best man.

**EAT and Get Thin**  
This is turning an old saying face about, but modern methods of reducing fat have made this revision possible. If you are overfat; opposed to physical exertion; fond of the table and its good things, and still want to reduce your excess flesh several pounds, go to your drugist for a bottle of the Marmola Co. Marmola Tablets (Building, Detroit, Mich.) and give him, (or send them) one dollar, thus satisfying your ambition for a trim, slim figure, by receiving a good size box of Marmola Prescription Tablets (compounded in accordance with the famous Marmola Prescription); take one of these pleasant candy tablets after each meal and at bedtime, and you will lose your fat at the rate of two, three or four pounds a week.

Then continue the treatment until your weight is what you desire. Marmola Prescription Tablets are not only harmless but really beneficial to the general health. You don't need starvation diet or weakening exercises. Just go on eating what you like, leave exercising to the athletes, but take your little tablet faithfully and without a doubt that fatty flesh will quickly take unto itself wings, leaving behind it your natural self, neatly clothed in firm flesh and trim muscles.

## 150 School Girl Middy Suits

An Extraordinary Purchase—A Real Concession As to Price

**\$12.95**

Best of all, they're regulation, the kind that will be worn by school girls of discrimination and taste. Fine big plaits in the skirt, and hand done emblems on the blouse. It should not take all day Thursday to sell every suit in the lot, for the popularity of the woolen middy suits is still on the increase.

The suits are of navy blue men's wear serge. There are only a few brown suits. The collar braid is white; stars hand made. Pocket arrow heads are also hand done. The emblems are boldly nautical, large and comply with the schoolgirl rules and regulations. The generous plaiting in the skirts dubs the suits as excellent hiking outfits.

The price has grounded the rocks, the middies are top-notch, and the opportunity is yours Thursday. Do not delay. —Ayres—Basement.

## Under-Beauty of Gleaming Silks

Madam's finishing school daughter will agree with Madam herself that there's nothing so delicious to wear as silken under-attire, whether it's underneath the afternoon gown of chiffon or the filmy evening frock with which it must be worn, or 'neath a very smart frock of Poirat twill or tricotine for street wear.

If you wear it exclusively or just for "dress up," you'll want it to be lovely and give the maximum of service—and you prefer it to be as lowly priced as quality will permit.

## Tricotine Frocks Make a Showing

Of Their Own—and a Tempting One

The day for tricotine is almost with us, when the air is a bit too crisp for a silk frock without a wrap and not chilly enough to warrant wearing a suit. And then (in a snappy model yourself) you'll see women of taste and swaggy smartness faring forth during the daytime in fascinating cloth tailors of navy blue tricotine.

## Do Your "Tricotining" Now

While the stocks are at their fullest and loveliest, select the frock or frocks you will want for September days on the street. Striking models of a very fine quality and in a great range of winsome styles, may be had from \$34.00 upward to \$59.50.

Some of the models employ silk duvetyne in one of the new red shades as part trimming.

Some are braided in gold and embroidered in black and subdued tones of bright colors.

The new sleeves, the new length, the low waistline are distinctive features of them all.

## Many Higher Priced Gowns, Also

These of tricotine and of Poirat twill in very beautiful qualities, and navy blue, of course. In line and treatment they are ultra-smart, and though higher priced than the first group, are very reasonably priced, considering the intrinsic and fashionable worth.
