

Society

A number of weddings and bridal parties are on the social program this week. The bride-elect is the center of a whirl of festivities, showers of all varieties, theater parties, luncheons and dinners, all leading up to the grand finale—the wedding itself.

Last week was marked by the marriage of Miss Bernice A. Clary, daughter of Mr. and Mrs. A. G. Clary, and Basil Vaughn, which took place at the home of the bride's parents, 1546 Hoyt avenue, Rev. F. A. Steele officiating.

Masses of autumn flowers in Dresden colors, combined with ferns and tall palms made an attractive setting for the service.

Mrs. H. Walsman, pianist, played the wedding music and Charles A. Clary sang "Because" with "Just You and I, Dear," preceding the ceremony.

Miss Bessie Vaughn, sister of the groom, in a frock of turquoise blue tulle, with a corsage of Mrs. Aaron Ward roses, was the bride's only attendant, and Russell Clary, brother of the groom, acted as best man.

The bride wore a white tulle gown with a corsage of bride roses.

The out-of-town guests included Mrs. Elizabeth Foster and Miss Margaret Foster of Marion, and Mr. and Mrs. H. J. Walsman of Batesville.

Mr. and Mrs. Vaughn will be at home after Sept. 15 at 29 Pinex Court.

Invitations have been issued for the wedding of Miss Helen Stevens Beck, daughter of Mr. and Mrs. William Stevens Beck, 1531 North Meridian street, and Robert Hosmer Morse, Jr., son of Mr. and Mrs. Robert Hosmer Morse of Chicago.

The ceremony will take place Sept. 23 at the First Baptist church, Rev. Frederick B. Taylor officiating.

Mrs. Anna Conner, 2312 Central avenue, who has been spending several weeks in Montana and Yellowstone park, has returned home.

Attendants for the wedding of Miss Blanche Elder, daughter of George M. Elder, 4911 Carrollton avenue, and E. B. Kaylor will include Miss May Gentleman and Miss Ethel Grund, both of Elmer Elder, brother of the bride, best man, and Helen Jane Stanley, Marian Stanley and Jackie Elder, flower boys.

The marriage will be solemnized at the home of the bride's father, Sept. 15.

Randal Watkins of Okmulgee, Okla., is the house guest of Mr. and Mrs. Ira M. Holmes, 2164 North Capitol avenue.

Miss Eleanor Mayhew of Winchester is the guest of Miss Myra Allison, 2825 Sutherland avenue.

Mrs. Sol Meyer and children, 3760 North Pennsylvania street, who have been visiting in Charlevoix, Mich., have returned home and have as a guest Miss Rosalyn Aaron of Chicago.

Mr. and Mrs. Lloyd Elliott and Mrs. R. K. Allison, 3202 North Pennsylvania street, who have been on a motor trip through Ohio and Michigan, have returned home.

Robert Clark, 2825 Washington boulevard, who has been attending the Beta Theta Pi convention at Lake Geneva, has returned to his home.

Mr. and Mrs. Michael Lobraico will entertain tonight with a dinner in honor of Miss Angelina Lobraico and Peter Rose of Brooklyn, N. Y., whose marriage will take place Saturday morning in St. Peter and Paul cathedral.

Among the out-of-town guests will be Mr. and Mrs. Joseph Marone and Miss Josephine Marone of St. Louis, Philip Rooss of Brooklyn, Mrs. Frank Pinella of Memphis and R. V. Lobraico and Frank Lobraico of Chicago.

Mrs. G. L. Sealing, 234 West Twenty-eighth street, assisted by Mrs. E. T. Patterson, Mrs. E. Elder, Mrs. George Rohrer, Mrs. R. Elder and Mrs. L. Elder, entertained last night with a miscellaneous shower in honor of her sister, Miss Blanche Elder, whose marriage to E. B. Kaylor, will take place next Wednesday.

Baskets of golden-rod, cosmos and autumn flowers in various shades, combined with asparagus, were used in decorating the rooms and serving table.

WOMAN'S SUFFRAGE

may eventually give to women rights to which they are entitled, but good health, which is the birthright of every American woman, must be hers before she can fully enjoy the privileges which woman's suffrage will bring.

Women who suffer from those dreadful pains, backache, headaches, irritability, nervousness and depression, symptoms of organic trouble, should rely on Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, to restore them to a normal, healthy condition as it has thousands of other American women.—Advertisement.

Mrs. Housewife

Do You Know—

1. What are malaga or muscatel raisins?

2. When roasting meat how should the heat be regulated?

3. How to toughen common glassware? These questions will be answered tomorrow by the Housewife.

ANSWERS TO YESTERDAY'S QUESTIONS

1. Rice is richer in starch than any other grain.

2. To grease the griddle pan for pancakes have the pan well heated and then rub with a piece of suet held in a piece of cheesecloth and pour pancake batter on at once.

3. Cover new utensils of iron or steel with fat and put in the oven, allowing the fat to bake in but not to burn. This renders the utensils less likely to rust.—Copyright, 1920.

ASK 200 GIRLS

TO SEEK ROOMS

Imperative That G. A. R. Quarters Be Found.

An appeal for 200 young women to give two days of their time to an active house-to-house canvass in the interest of the campaign for rooms in private homes for the Grand Army encampment was issued today by Scott R. Brewer, chairman of the housing committee.

The women will take part in a whirlwind campaign, together with women's committees representing the churches of the city.

A meeting of the women will be held at 3 o'clock Friday afternoon at the First Baptist church, at which time each woman will be assigned a certain section of the city in the house-to-house canvass.

The active campaign will be made next Monday and Tuesday, Mr. Brewer said. It is hoped to cover the entire city in the two-day drive.

"Thousands of additional rooms are required if the veterans are to be accommodated," Mr. Brewer said today.

"I am sure the people of Indianapolis will co-operate in this matter."

No efforts will be spared during the next week to obtain the required number of rooms.

Further plans for the encampment were outlined at a meeting today of the chairman of all committees at the Chamber of Commerce.

According to the reports of committee chairmen preparations are rapidly nearing completion.

GEORGE IN ROW

WITH MOTHER

Dispute Regarding Leases on Royal Estate.

LONDON, Sept. 8.—A dispute has arisen between King George and his mother, Dowager Queen Alexandra, regarding leases made by her on the royal estate at Sandringham.

The queen mother let a number of building plots on ninety-nine-year leases at very low rents, but received fees in each case varying from \$2,500 to \$10,000.

The king claims that as Alexandra is only a tenant for life of the royal property she can not appropriate these sums herself.

The matter has been referred to the home secretary, who is supposed to settle any dispute between the sovereign and a member of the royal family.

This is the first occasion in seventy years that such a dispute has been referred to the home secretary.
