

MANY REUNIONS WILL BE HELD

100 Organizations Will Meet
During G. A. R. Encampment.

Arrangements have been completed for fifty separate reunions of Civil war organizations to be held in connection with the national encampment of the G. A. R., Sept. 19-25, it was announced today.

More than one hundred Civil war organizations will meet in annual reunion at the time of the encampment.

The following Indiana war organizations will meet on Tuesday, Sept. 21: The Seventeenth Indiana Volunteer Infantry, President Harrison's old regiment, at the home of W. H. H. Shank, 6002 East Washington street; the Third Indiana cavalry, room No. 412, statehouse; the Fifty-first Indiana Volunteer Infantry, Central Christian church; Persimmon brigade, G. A. R. hall, 222 East Maryland street; Eleventh Indiana Volunteer Infantry, room No. 411, statehouse; Sixty-eighth Indiana Volunteer Infantry, room 257, statehouse; Thirty-third Indiana Volunteer Infantry, supreme court room, statehouse; Thirteenth Indiana cavalry, George H. Thomas post room, court house; Sixteenth Indiana Volunteer Infantry, circuit court room, court house; Eighty-fourth Indiana Volunteer Infantry, superior court, room No. 2, court house. The 154th Indiana Volunteer Infantry will meet on Wednesday, Sept. 22, in rooms 232-234 Federal building.

REUNION OF GRANT'S OLD REGIMENT.

Among the various organizations of other states that will hold reunions will be that of Gen. Grant's old regiment. The meeting place has not been definitely set.

Arrangements are being completed for the meeting of women to be held at the First Baptist church at 3 o'clock tomorrow afternoon, in the interest of the campaign for rooms in private homes for the thousands of visitors expected here for the encampment.

An appeal has been issued for 200 young women to attend the meeting who will be willing to devote two days of their time, next Monday and Tuesday, to making an active canvass to obtain rooms. In addition to this meeting women representing the churches of the city also will meet at the church at the same time.

**WILL ASK REDUCTION
ON PULLMAN FARE.**

Scott R. Brewer, chairman of the housing committee, today pointed out that the committee is not merely seeking rooms free of charge.

Edward A. Kahn, chairman of the executive committee, has named a committee, composed of J. W. Fessler, chairman; W. A. Ketcham and Robert W. McBride, to appear before the interstate commerce commission at Washington to petition for a material decrease in the Pullman fare to Indianapolis for the veterans and their families.

While the railroads have granted a rate of 1 cent a mile for the veterans and their families, no change has been made in the Pullman rate.

50,000 Rooms for 'Boys' of '61

Thousands of rooms in private homes will be needed for the G. A. R. national encampment, here Sept. 19-25.

An average of one room for every home must be obtained. If you will house a veteran of the Civil war and his wife, fill out the accompanying blank and mail it to Scott Brewer, 701 Chamber of Commerce building.

TO NATURALIZE ALIEN MILLIONS

Years Before U. S. Is Really
American.

WASHINGTON, Sept. 9.—Twenty-four state legislatures will be asked to pass "Americanization legislation" by the department of labor in its effort to make citizens of the eight million unassimilated aliens.

This announcement was made by Raymond F. Crisp, director of citizenship for the labor department, who said twenty-four states have already made appropriations for "Americanization classes and schools," which are now being conducted in 2,975 communities.

It will take years to make the United States really "100 per cent American," Crisp stated.

The report of the citizenship bureau for the twelve months ending June 30 this year was expected to show 1,250,000 aliens have been naturalized or taken preliminary steps to acquire citizenship, a record in the history of naturalization.

Youths Arrested on Auto Theft Charge

GOSHEN, Ind., Sept. 9.—More than \$300 was found in the possession of Leslie Milner, 18, of White Pigeon, Mich., and Harold Meyers of Sturgis, Mich., when they were arrested at Millersburg, near here, Tuesday, on a charge of taking a \$3,000 automobile, belonging to John O'Connor, of Ft. Wayne.

Meyers was armed with a revolver and carried ammunition.

The youths said they had planned to drive to Missouri, but a thunderstorm broke at Millersburg and caused them to abandon the car, which was found by the Millersburg marshal, who called Sheriff Sanford of Goshen.

When the storm abated the boys returned to get the machine and were arrested, brought to Goshen and sent to Ft. Wayne for trial.

GARBAGE PLANT REPORT DELAYED

Promised Early This Week—
Not Read.

It begins to look as if the people of Indianapolis are not going to get the statement upon the financial condition of the city garbage plant, this time, as promised by Lucius B. Swift, member of the board of sanitary commissioners.

Mr. Swift told a Times reporter more than a week ago he would have the statement prepared as soon this week as the bookkeeper could get caught up with work that had accumulated while she was on her vacation.

But today when the same reporter asked Mr. Swift when the report would be ready, he received the reply, "I can't tell you."

Mr. Swift left the reporter before he could be interrogated further.

Admission of Mr. Swift and other members of the sanitary board indicate that their report, when prepared, will show that the plant is being operated at a loss instead of at a rate which Mayor Jewett predicted a year ago would cause the plant "to pay for itself in five years."

DEMOCRATS WILL PRINT BULLETIN

Campaign Handbook Due Next
Week.

The first edition of a bulletin for Marion county democratic workers will make its appearance next week.

The publication, which is being issued by the Indiana Democratic club, will contain instructions to the campaign workers and short reviews of the work accomplished.

It will consist of four pages and about 5,000 copies will be printed.

An open letter in the form of a greeting to the women of Marion county will be written by Mrs. Martha Yoh Marson, Marion county organization chairman of the democratic women, and a similar message to the men will be written by Reginald Sullivan, county chairman.

One of the big features in the organization work of the county will be a luncheon given by Mrs. Marson for the ward and township chairmen of Marion county Saturday at the Democratic club at 1 o'clock.

Invitations have been sent out to about thirty-five women.

Further organization details will be discussed at the luncheon, and registration plans will be made.

MRS. MARSON TO PRESIDE.

Mrs. Marson will preside, and short speeches on topics relative to the campaign will be made by Miss Julia Landers, chairman of the women's state speakers' bureau, and Mrs. W. H. Coleman, Seventh district chairman.

Mrs. Marson said the organization work of the county has been completed and active campaign work among the women is going forward at a rapid rate.

A number of speaking dates have been announced by Bert Hendred, chairman of the speakers' bureau.

Mrs. Wilma Christian will speak at Thornton Monday.

Mrs. John Downing Johnson will speak at Zionsville on the night of Sept. 18.

Mrs. Hortense Tapp Moore will speak with Judge W. E. Cox at Poseyville on the night of Sept. 20.

Mrs. Alice Foster McCulloch will speak

at Muncie tonight and at Rensselaer on Monday night.

Mrs. Grace Julian Clarke will speak with Dr. Carleton B. McCulloch at Mount Vernon on Oct. 7 at a big democratic rally.

She will speak at Martinsville Friday afternoon and at Waverly at night. Mrs. Lewis speaks at Cannelton Friday and at Petersburg Saturday.
