

TWO KILLED IN AIRPLANE PLUNGE

Young Aviators Lose Lives Near La Grange.

Special to The Times.
LA GRANGE, Ind., Oct. 4.—De Von Bartholomew, 21, of Waterloo, and Cecil Keis, 20, of Orlando, were instantly killed near here, when an airplane owned by Bartholomew, crumpled under the strain of a long dive and crashed 3,500 feet to the earth.

Bartholomew's father had mortgaged his farm for \$5,000 to provide funds for the machine, which dashed Bartholomew and his young passenger to death, it is said.

At an altitude of nearly a mile, the plane began an almost perpendicular dive.

Apparently under control, the plane dropped swiftly for about 1,300 feet. Then the wings folded when the pilot attempted to flatten out too abruptly.

The machine dropped like a plummet into an open field.

The shattered bodies of the fliers were found in their seats in the wreckage.

Alfred Bartholomew, the father of the victim, is a postal clerk on the New York Central line, and is the owner of a farm near Waterloo.

De Von Bartholomew was the only son.

EMPIRE, Mich., Oct. 4.—Deborah De Costello, 26, aviator and parachute dropper, was drowned here when she and her parachute were blown out into Lake Michigan.

Her body has not been recovered.

Miss Costello was making a drop from an airplane at the Leelanau county fair. She was a member of the troop that thrilled the State Fair crowds at Detroit a few weeks ago when Byron Thinner was killed while attempting a mid-air leap from one plane to another.

Miss Costello, as far as could be ascertained today, had no relatives.

She came to the United States from Spain when 4 years of age.

2 Children Killed at Ft. Wayne Races

Special to The Times.
FT. WAYNE, Oct. 4.—Two persons were killed and one was badly injured at the automobile and motorcycle races held at Centralia Park here, Sunday.

The dead are Robert Skillman, 6, and Eugene Skillman, 9, brothers, who met their death by being struck by a flying wheel from the car of Paul Augsberger of Woodburn.

The injured man is Harry Wyant, who was crushed about the head and arms when his motorcycle crashed against the fence.

The rear axle of Augsberger's car broke as it rounded a turn and one wheel was hurled through the fence.

The boys died after reaching a hospital, each having a broken neck and crushed chest.

Augsberger was held by the police but was released following the coroner's verdict that the killing of the boys was accidental.

Bryde, 923 Garden street, Hoboken, N.J.: "I could not bend down for some years, as I can now. My wife had many a time to put on or off my shoes. I obtained relief with Foley Kidney Pills. I feel now as if I were ten years younger."—Advertisement.

SIX HURT AS AUTO HITS FARM BUGGY

New Yorkers Held on Charges of Intoxication.

Special to The Times.
LA PORTE, Ind., Oct. 4.—One person was probably fatally injured, another seriously injured and four slightly injured late Saturday night when an automobile driven by Arvo Vitall of New York crashed into a buggy driven by William D. Brown, who lives at Hanna, a few miles south of this city.

The accident occurred on the Waverly Beach road, two miles northwest of here. Edward Mierl, one of the occupants of the automobile, was brought to a local hospital here and was reported to be in a dying condition.

Vitall, who was uninjured, was arrested and placed in jail, charged with drunkenness, operating an automobile while under the influence of liquor, driving on the wrong side of the road and for refusing to give his name to the police.

Charles Lunder and Matthew Kaki, occupants of the machine, were arrested charged with drunkenness and transporting liquor.

EAT and Get Thin
This is turning an old saying face about, but modern methods of reducing fat have made this revision possible. If you are overweight, opposed to physical exertion; fond of the table and its good things, and still want to reduce your excess flesh several pounds, go to your druggist (or write to the Marmola Co., 96 Gardfield Building, Detroit, Mich.) and give him (or send them) one dollar, thus satisfying your ambition for a trim, slim figure, by receiving a good size box of Marmola Prescription Tablets (compounded in accordance with the famous Marmola Prescription); take one of these pleasant candy tablets after each meal and at bedtime, and you will lose your fat at the rate of two, three or four pounds a week. Then continue the treatment until your weight is what you desire. Marmola Prescription Tablets are not only harmless but really beneficial to the general health. You don't need starvation diet or weakening exercises. Just go on eating what you like, leave exercising to the whites, but take your little tablet faithfully and without a doubt that fatty flesh will quickly take unto itself wings, leaving behind it your natural self, neatly clothed in firm flesh and trim muscles.

Pale, Nervous Women
Told How to Acquire Strength and Energy
Our local druggist, Henry J. Huder, says that since Vinol was first introduced here some years ago it has made a great many friends among our women, because it is such an unusual remedy. It is the first cod liver medicine ever to have been made without the oil and nauseating grease, and the iron employed in its composition is an improvement over old medicinal irons. Many women here who were once pale and sallow and always tired, are now robust and strong, because Vinol certainly and quickly creates red blood and makes one's daily food produce the necessary nourishment for good health.
