

DODGERS INTRENCHED IN HOME SECTOR, AWAITING FIRST BATTLE WITH SPEAKER'S TRIBE

All New York Excited Over Big Series Start

Every Reserved Seat Taken for Baseball Classic Opening Tomorrow.

TEAMS SET FOR TEST

By JACK VEIJOEK.

International News Sports Editor.

NEW YORK, Oct. 4.—The champion Brooklyn Dodgers are entrenched in Flatbush today waiting for the Cleveland Indians to take the warpath.

Uncle Wilbert's lads are all set for the opening of the seventeenth world's series, but in order to keep in fighting trim they amped over to Ebbets Field for a final workout in the friendly shade of the newly varnished grandstand.

The Indians will not get an opportunity to squat at the high lights or test their range finders in advance of the opening game tomorrow. Speaker's Tribe is not scheduled to leave the Forest City until tonight and will not reach Gotham until tomorrow morning.

PARK CANNOT HOLD THEM

With the first game less than forty-eight hours away, Col. Charles H. Ebbets and his corps of assistants have made everything ready for the entertainment of the Indians. Colonel Ebbets is a bit dejected, as is grime, but his field is not twin. The demand for reserved seats has been so great that the colonel will be forced to return them to the host of fans who could not be accommodated. The Brooklyn club received some three applications for every reserved seat.

The weather man, who swears he is not acquainted with any of the world's series gamblers, announced that fair weather will be on tap for the first game. In addition, the second hour continues the crowd will be well wrapped up in overcoats.

New York is taking the big series seriously. The team has been busily engaged in the coming engagement and the usual speculation as to the selection of pitchers.

Weather Outlook Good

WASHINGTON, Oct. 4.—The 1920 world's series will have fair weather, except for possible showers next Wednesday, according to the United States Weather Bureau.

Fair weather and warm is promised for Brooklyn when the series opens tomorrow. There may be showers on Wednesday and cooler weather following.

Fair weather is promised when the series shifts to Cleveland.

for the opened was the leading topic when baseball fans gathered yesterday.

Manager Wilbert Robinson hasn't selected his starting pitcher as yet. He says he will not make a selection until an hour or so before game time. It has been generally expected, however, that Burleigh Grimes would get the assignment.

FOG BALL" MAY COME IN HANDY.

Grimes is Robby's ace, but Grimes is also a spiffy pitcher and a speedster. The Indians are supposed to love speed and therefore Grimes may not start unless the skies are overcast, in

Robbie Has It Doped

NEW YORK, Oct. 4.—"Sure, we're going to win," Wilbert Robinson, manager of the Brooklyn Club, said today to the United Press.

"I am not forgetting that we are up against the best team in the world. I think we're a little better. The boys are in all good condition and that's a big part of the battle."

"I'm not worried about the pitchers—it may be Marquard or Smith. It all depends."

CLEVELAND, Oct. 4.—"We will win the series if our pitchers hold out, and I see no reason why the pitching staff that has carried us through the regular season should fail us in the world series," said Col. Charles H. Ebbets, president of the Cleveland Indians, said today.

"Twenty-two players will make the trip to Brooklyn. There will be seven pitchers, three catchers, six outfielders, two first basemen and four other infielders."

Speaker will work his shift against Brooklyn in the same manner he used it so successfully during the latter part of the season. The Indians' pitcher, the Evans in left field, Wood in right field, and Burns at first base, at right handers he will use Johnson, at first base, and Burns in right field. These combinations give Speaker a half dozen batters at both sides of the plate.

Speaker hasn't had to go through their warming up exercises without the sweet strains of band music to help them. The Indians' band, which is second to none, will be in grand form this spring by sending Dusky Mails against the Dodgers, but this is scarcely expected.
