GRID TACTICS
GIVE DODGERS
SECOND GAME

Robbie's Series Contenders Use
Hit-the-First-One Methods
Against Bagby.

OHIO STYLE DIFFERENT

By R. L. BLANCHARD,
United Press Correspondent.

NEW YORK, Oct. 7.—Brooklyn swiped Yale football tactics to even the world series contest against Cleveland yesterday. The Dodgers went out to smash, smash, smash, through the Cleveland line until they had the game sewed up. There was no particular imagination in the strategy and nothing, especially startling about the way it was carried out. It was just a well played ball game in which every thing was done neatly, but hardly in the superlative expected in a world series.

Brooklyn didn't do much to big Jim Bagby. Still they managed to leave his mangled remains on the field of combat, the score being 3 to 0.

The Dodgers had a slim edge on both offense and defense in the second game of this series. It was so slim an edge, however, that the Indians can claim rightfully that the breaks went to the other team.

The difference lay in the way the Dodgers combined their efforts to make

Teams Rest Friday

BROOKLYN, Oct. 7.—The world's series game today finishes the first round here. Both teams with a regiment of scribbles leave tonight on a special train for Cleveland, where a series opens Saturday for a brace of four games.

If the championship is not decided there the teams will return here and play the necessary games.

runs. The Indians were about as efficient except in that matter of adding base hits together to give a result in runs scored.

In an offensive way Brooklyn piled up "points," every point being a base earned. Cleveland made nine such points. However, Brooklyn combined three of these "points" in the first inning; three more in the third, being helped by Cleveland's error there; and two more in the fifth.

The best Cleveland did was to get away with two earned bases in one inning. So far as pitching is concerned the vaunted hurling power of the Brooklyn aggregation failed to show any exciting margin over that of the Indians. Grimes won a mean wrist, but Bagby was almost on even terms. In fact the Indian pitcher, except for yielding two hits when they hurt, had a cleaner record than his opponent.

Brooklyn batters in the first two games have shown impatience at the plate. Usually they crown the first or second pitched ball.

Against Bagby this proved a good attack and the Clevelander was swept off his feet by the rattling attack of willow versus horse hide.

Meanwhile the Clevelanders have shown a style at the plate that is apt to worry pitchers in succeeding games. They have waited the slab man out and tapped at the good ones. But there was craft in this style, as shown yesterday, when Grimes began missing the plate in the last few innings.

George Gaw Traded
to Milwaukee for
Utility Man Lutzke

Manager Jack Hendricks of the Indianapolis Indians today completed a player deal whereby Indianapolis gets outfielder-infielder Lutzke of the Milwaukee club and the Brewers get Pitcher George Gaw from Indianapolis.

Lutzke plays either the outfield or infield in real style. He is a clever all-round ball tosser and should prove a big help to the Indians in their pennant chase. He has been in the well in the field, Lutzke is a good man with the stick.

The Milwaukee club has several other player deals on the fire and it looks as though Indianapolis will shake things up a bit in the Association next year.

Polo Squads Meet in
First Scrap of Series

The first game of the final 1920 pony polo series in Indianapolis will be played at the speedway this afternoon between the Indianapolis Polo Club and the Miami Valley Freebooters of Dayton, Ohio. The second and final game of the series will be played Saturday afternoon on the speedway field.

Sixteen Freebooter ponies arrived yesterday, and they are said to be in fine shape to make a polo game interesting, as in polo a man is no better than his horse.

The local players have been practicing hard for the event and they are determined to make their close successful by taking both games.

Series Batting Averages

FIRST TWO GAMES.

Levinson vs. Beckett

NEW YORK, Oct. 7.—R. G. Welsh of London, signed a contract here with Dan Morgan, manager of Battling Levinson, calling for a twenty round bout to a decision between Levinson and Joe Beckett, English heavyweight champion, to be held in London within three months after the Levinson-Carpenter bout in Jersey City Oct. 12.

Levinson is to receive a guarantee of \$50,000, with the privilege of 30 per cent of the gross receipts; \$2,500 for training expenses, and round trip transportation for two.

A clause in the contract reads: "To get the above amount Levinson must beat George Carpenter in their bout Oct. 12, 1920. In the event of a draw with Carpenter, Levinson is to get a guarantee of \$25,000."

World's Series Facts

Wednesday Attendance—22,550.
Receipts for Two Days—\$155,213.
Players' Share—\$83,815.92.
Club Owners' Share—\$55,876.08.
Commission Share—\$15,521.80.
Standing of the clubs:

Won. Lost. Pct.

Cleveland 1 1 .500

Brooklyn 1 1 .500

The players share in the receipts of the first five games and the sum is divided 75 per cent to the players of the teams participating in the series and 25 per cent to the players of the teams finishing second and third in the National and American Leagues.

Defeat of Bagby Gives
Robbie Big Advantage
in Reserve Box Strength

Although the count in the world's series stood even before today's contest Brooklyn seems better off than the remaining games than the Indians.

When Bagby failed to deliver yesterday he broke a hope of Speaker that his trio—Coveleskie, Bagby and Mails—could do it all. Speaker has used his two greatest pitchers and has won one game. Mails, of course, on the form he showed in sweeping down the circuit in the American League looks good, but he is an experiment in the big show.

Uncle Robbie used but one of his real aces in the first two games and he landed a game. Waiting for their turn before today's game he had the two southpaws, Smith and Mitchell, Big Jeff Pfeffer, Al Mamaux, who looked fine in the opening game, and Cadore; in addition there was Marquard.

Coveleskie looks good for a game every time he starts for Cleveland and so does Grimes for Brooklyn. If the Robins break through Mails it looks like a lost chance for another bunting in Ohio.

Moran Wants Hargrave

BROOKLYN, Oct. 7.—Manager Pat Moran of the Cincinnati Reds is making a strong effort to obtain Catcher Hargrave, of the St. Paul Club, champions of the American Association. He was in conference with Mike Kelley, manager of St. Paul, Wednesday, and has made a big offer for Hargrave, who is considered to be the best backstop in the minors.

Hargrave was with the Chicago Cubs two or three years ago, but did not show big league form at that time. Since joining the Saints he has developed into a great backstop.

COX AND HARDING INTERESTED

HE BOOSTS TRIS SPEAKER.

EN ROUTE WITH GOVERNOR COX, ELIZABETHTOWN, Ky., Oct. 7.—Despite Brooklyn's victory yesterday I still think that Ohio seems to be known as the mother of the world's baseball champions, as well as presidential champions, Governor Cox said today.

"I find that reading the play by play accounts of the series is a most refreshing diversion from politics, and say, old Tris Speaker is playing some game, isn't he?"

Meanwhile the Clevelanders have shown a style at the plate that is apt to worry pitchers in succeeding games. They have waited the slab man out and tapped at the good ones. But there was craft in this style, as shown yesterday, when Grimes began missing the plate in the last few innings.

STEVE O'NEILL SENDING JOE WOOD OVER THE PLATE FOR THE SECOND AND WINNING RUN WITH A DOUBLE.

Alexa Against the
Field in Golf Play
at Mayfield Course

CLEVELAND, Oct. 7.—Fine weather conditions greeted the women golfers today when they played the third round of the national championship at the Mayfield Country Club. The tournament has now settled down to Miss Alexa Stirling, the champion, against the field.

Miss Stirling met Miss Edith Cummings of Chicago today. Miss Cummings shot exceedingly fine golf yesterday, but she was the best backstop in the minors.

Hargrave was with the Chicago Cubs two or three years ago, but did not show big league form at that time. Since joining the Saints he has developed into a great backstop.

Meanwhile the Clevelanders have shown a style at the plate that is apt to worry pitchers in succeeding games. They have waited the slab man out and tapped at the good ones. But there was craft in this style, as shown yesterday, when Grimes began missing the plate in the last few innings.

The picture above is one of the most remarkable action pictures ever taken at a world's series. The play shown in its entirety occurred in the second inning of the series opener Tuesday. Burns had opened the inning by scoring the first run of the series on his double and Konetchy's wild heave. Gardner grounded out. Then Joe Wood walked. Young Sewell put Wood on third with a single.

O'Neill then crashed a double to left. The camera caught the entire play as O'Neill dashed for first. He is shown nearing the bag. Sewell is tearing for second and Wood is romping home with the run that proved the winning marker, because Brooklyn scored only one run.

All four umpires can be seen in the picture—looking to left field to watch the holding of O'Neill's drive.

BOWLING

Blue was the big man for the Antlers and Bunch lost for the Antlers in a mighty Elk League battle last night. They tied in the first game with 355 each. Antlers took the second with 320 and the third was an 870. Antlers got 84 to 78 in the roll off.

Bunch got counts of 245, 218 and 176 for the third, while Blue hit for 209, 207 and 190.

The well-known veteran, Jesse, spilled the Teeth beans with three ignoble efforts.

Four of the Ears got double century counts in their first game against the Hoofs and went to the front with a 560 total. They also copped the third game.

Kirkhoff opened with 256 and followed with 206. Kassmusen was there for 206 and 215.

The Ties were forced to wag for a brace of 500 totals to win many games from the Hides. Every Tail got up in the select circle.

Eyes made their little affair with the Skin Bones one of the clean sweep variety.

Patterson of the Perceps Triceps hit his league stride in Capitol No. 2 loop and got out in front with a 230 score. He also had a 202.

Hornberger was stuffed to the ears with consistency. He got 204, 190 and 208. Heller Coals took three trimmings.

Elmore was the big thing in Fernades' win over the Alley Rays. Wheatstone of the losers was third-high man of the loop.

The Faust-Faust combination didn't have much to show in their work with the Fathe Phonographs.

Longworth slipped the slip between

used on him he returns to the old town to show off before the folks.

In this version the hero is Walter Mins, the sensational singer of the Indiana, a few years ago he was tried out by the Dodgers, found not guilty of being a big league player and was turned adrift. Cleveland found him in the Pacific Coast League, the middle of the 1920 season, bought him, and he started the baseball world by turning in six straight victories. Now he is back in the old town, and, according to the dope, was scheduled to show off today.

The desire of the Brooklynites to see Mails in action was noticeable during yesterday's game. Several times when Jim Bagby failed Mails was sent out to the bull pen to warm up alongside Uble and the fans cheered for Mails.

YANK GOLFERS WIN.
ORANGE, N. J., Oct. 7.—Harry Vardon and Edward Ray, British professional golfers, lost a thirty-six-hole match here Wednesday to S. Davidson Heron and Jerome Travers, each a former amateur champion, 2 and 1.

The Brits were five down at the end of the first eighteen holes. Heron having won six holes from the professionals. Vardon and Ray turned in a best ball card of sixty-nine in the second round.

DETROIT, Oct. 7.—The R. O. Brennan-Mike O'Dowd bout, scheduled for two weeks ago, has been postponed for two weeks. Brennan is said to have an injured hand.

PURDUE LOSES
TWO GOOD MEN

Class Difficulties Make Miller and Gully Ineligible.

LAFAYETTE, Ind., Oct. 7.—Miller, last year's tackle on the Purdue eleven and a three "P" man, and Gully, a new end, who has been showing a world of stuff, will be out of the line-up Saturday when Purdue faces Coach Stagg's Maroons.

Miller and Gully will not be eligible for play until they have removed certain scholastic conditions, which should be about the latter part of this month.

Swank probably will fill Miller's boots as tackle and Carmen, a former Municipal Pier team star, should get a chance to show his worth on the wing.

Frequent fumbles and loose playing on the part of the varsity, coupled with unexpected strength of the freshmen, resulted in a 19 to 12 tie in scrimmage yesterday afternoon. Coach Scanlon has been working his regulars overtime this week in an effort to improve their teamwork.

IRISH WORK
AT TOP SPEED

SOUTH BEND, Ind., Oct. 7.—The speed and go that makes a football practice really amount to something was evident on Carter field yesterday afternoon when Coach Knute Rockne, calling for a series of new plays, drilled into the regulars this week, rushed his warriors all over the lot in a scrimmage with the yearlings.

The men swung into their work earnestly, worked as hard as they would in any real battle, and as a result the froshes were tossed around like so many paper dummies.

Soire Dame will play straight football against Western Normal Saturday, but this week has been set aside for trick action, as "Rock" is preparing his men for their tilt with Nebraska the following week. The N. D. mentor is smiling up his sleeve at the "Gipp investigation" stories coming out of Lincoln.

Chet Grant, star of the 1916 team, is being given special attention these days. He is a quarter back with football brains and a fighting spirit that can not be subdued, and Rockne is banking on him as reserve force in the late games, mostly against the Army.

Herbert Huffine, quarter back on the Little Giant eleven last year, has been made an honorary member of this year's eleven, it was announced today. Huffine was injured last season, losing the sight of one eye. He will make all the trips with the Scarlet this fall.

It became known yesterday that Fred (Bat) Nelson, 1918 all-State half back, and upon whom the Washabans were counting a great deal, has been lost to the team. Nelson reported for practice at the start of the season, but left for his home in South Dakota, where, it is reported, he is about to take a bride.

AMUSEMENTS.

Startling Announcement
To Theatre Patrons
GUARANTEED ENJOYMENT

Owing to praises showered by the Indianapolis dramatic critics upon the musical comedy, "Maid to Love," playing all this week at the English Opera House, the management of the theater and the attraction make this unheard-of announcement:

Those purchasing tickets and witnessing the entire performance of "Maid to Love" who are not satisfied will receive their money back by giving their names and presenting their coupons at the box office immediately after the performance.

Did you ever before hear of a musical comedy being guaranteed? New York's temporary loss is Indianapolis' gain. This is an opportunity of seeing a 100 per cent New York production before they see it in the largest city of the country. Don't miss your chance.
