

## FREE CONCERT DRAWS CROWD

### Citizens Demonstrate They Like Good Music.

Proof that Indianapolis desires an opportunity to hear good music was given last night when Caleb Mills hall was packed at the opening concert of a series of free concerts to be given under the auspices of the park and school boards of the city.

The New York Chamber Music Society gave a program that appealed strongly to the large audience.

The solos, as well as the ensemble numbers, showed ability of high order on the part of the players.

The program contained the compositions of famous composers. The response accorded each number, as well as the attention paid to the method of expression, indicated that local interest is centered on good music and all that is needed to bring the public and good music together is the opportunity.

Much appreciation was shown by Wolf-Ferrari's "Sonata da Camera in B Flat Major" because of the merits of the composition and the masterful and intelligent way in which it was rendered by the players.

## MY HUSBAND'S FAVORITE RECIPE

### WHIPPED CREAM DESSERT.

Ingredients—One cup of pecans, one-half pound marshmallows, one medium-sized can of pineapple, one-half pound of date meats and one pint of whipped cream.

Method—Cut up the pecans, marshmallows, pineapple and dates in small pieces and mix together, being sure that all the juices have been poured off the pineapple. Then fold in the whipped cream.

ME—OLIVER M. RICHARDSON, Indianapolis, 1225 Prospect street. Mrs. Richardson says that this is the most delicious dessert she knows of, even if it is rather expensive.

"It is lovely for parties, making such a nice appearance," she said. "It looks just like seafoam."

Mrs. Richardson also said that it is a very rich dessert, the quantity for the above recipe serving about ten persons. The Times will be glad to print YOUR husband's favorite recipe. Address: Recipe Editor, Daily Times.

## Mrs. Housewife, Do You Know?

1. How cockleleekle soup derived its name?  
2. What is pan broiling?  
3. What is the advantage in using kerosene in cooking starch for clothes.  
Three questions will be answered tomorrow by the HOUSEWIFE.

### ANSWERS TO YESTERDAY'S QUESTIONS.

1. Cockleleekle, used to give pink color to candles and other confections, consists of the dried bodies of an insect found upon a certain tropical cactus.  
2. To saute food is to cook it in a frying pan with a small amount of fat. Up-to-date cooks use the word fry to apply only to the process of cooking food in deep fat.  
3. Attach heavy cotton goods at back where buttons are attached to reinforce them. Four-hole buttons always stay on better than those with two holes.—Copyright, 1920.

A pretty wedding this morning was that of Miss Florence Polk Harmon and Elmer Elsworth Spencer, at the home of the bride's parents, Mr. and Mrs. Willard Harmon, 2275 North Illinois street, the Rev. William C. Sanders officiating.

The bride entered with her father, who gave her in marriage.

She wore an attractive gown of ivory satin, combined with French lace, fastened with short skirt and tight bodice, embroidered in iridescent beads. Her short tulle veil was arranged Russian style, caught with orange blossoms, and she carried a shower of bride roses.

## MOVIE A TRESSES AND THEIR HAIR

Did it ever occur to you that every movie actress you have seen has lovely hair, while the most popular count their curls as their chief beauty? In fact, many are leading ladies just because of their attractive looks. Inquiry among them discloses the fact that they bring out all the natural beauty of their hair by carefully shampooing, not with any soap or makeshift, but with a simple mixture by putting a teaspoonful of canthrox (which they get from the druggist) in a cup of hot water and applying this instead of soap. This full cup of shampoo is enough so it is easy to apply it to all the hair instead of just at the top of the head. After its use, the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. The hair is so fluffy that it looks much heavier than it is. Its luster and softness are delightful.—Advertisement.

## INDIANAPOLIS LIKES INSTANT ACTION

There has never been anything with the quick action of simple witch hazel, camphor, hydraetis, etc., as mixed in Lavoptik eye wash. One lady with inflamed and watery eyes reports her eyes are bright and clear after using Lavoptik a very short time. In another case five applications produced great benefit. We guarantee a small bottle to help ANY CASE, weak, strained or inflamed eyes. Henry J. Huder, Druggist.—Advertisement.
