

# NEW BASEBALL GOVERNING PROPOSAL TAKEN UP BY THE MAJOR MAGNATES IN CHICAGO

## FRICITION SEEN AS BIG LEAGUE OWNERS MEET

Heydler and Others Open Discussion of 'Lasker Plan' Despite Objections.

### 'CURE-ALL' IS SOUGHT

CHICAGO, Oct. 18.—A new constitution for baseball was under consideration by a majority of club owners of the two major leagues meeting here today.

"The Lasker plan" providing for a "civilian" commission, picked from the leaders of the nation, to have charge of the game, was the proposition discussed. It was put forth by A. O. Lasker, one of the main stockholders in the Chicago National League, and the leading figure in the movement to have the game taken out of the hands of the owners of the clubs.

The Lasker plan would be a substitute for the present system of governing baseball by a national commission made up of the presidents of the two major leagues and a chairman picked by the presidents. At present there is no chairman, as Ben Johnson, head of the American League, and John Heydler, head of the National League, have been unable to agree upon a third man.

Johnson does not favor the "civilian" commission plan, but the league president "has gone fishing somewhere in Indiana" and will not attend the meeting here today. The meeting was called by five clubs, all in the American League, stood with Johnson in his opposition to the Lasker plan, and the other clubs at this time. They were Detroit, Cleveland, Washington, St. Louis and Philadelphia.

Johnson announced he opposed a change now because the Cook County grand jury has not completed its work of investigating alleged throwing of games by players. He said the investigation might result in disclosures far more sensational than those already made in connection with the throwing of the 1919 world's series. The grand jury is to resume its work tomorrow.

The five clubs which are not represented at today's meeting have always been regarded as "Johnson followers" and supported the president of the league in the factional squabbles. All of the eleven clubs represented at the meeting have indicated their opposition to the Lasker plan. Every club owner in the National League was represented. The Chicago, Boston and New York clubs, the American League clubs, which have composed the faction opposed to Johnson in the league, were represented by their owners.

The magnates on hand for the meeting were loath to discuss the question before the session opened. It was known the magnates hoped to get down to a discussion of the personnel of the proposed commission today. The men recognized as leaders of the nation have been suggested for members of the commission. These include General Pershing, Judge K. M. Landis and former President Taft.

This commission would have complete authority and responsibility for the control of the game in both minor and major leagues. Announcement was made today that when the grand jury probe is resumed tomorrow the following will be examined: Harry Frazee, president of the Boston Club of the American League; Charles Ebbets of the Brooklyn Dodgers; Fred Mitchell, manager of the Cubs; John A. Shea, secretary and treasurer of the Cubs; Tip O'Neill, traveling secretary of the Chicago White Sox; and John Johnson, head of the American League.

Several players may also be called, it was announced. Conduct of baseball pools will also be probed.

## Freak Homer Gives Baltimore Deciding Contest of Series

ST. PAUL, Oct. 18.—Mike Kelley's St. Paul club, American Association pennant winners, were eliminated in the Class AA series with Baltimore Saturday night. O'Grady defeated Cumbe in a pitchers' battle, 1 to 0. Both hurlers were in grand form, each giving up only five hits, but the International League twirler got the "break" and that was enough to decide the issue.

Baltimore won five out of six games in the series, springing a surprise on Association followers. The Orioles defeated every pitcher trotted out by Kelley. Cumbe was the only game.

A large crowd gathered for the final downfall of the Satins Saturday and when Shortstop Reley got a freak homer in the second inning the fans were broken. Reley sent a drive to right-center that looked only ordinary when it started, but Center Fielder Miles fell in fielding it and the ball got by him for a home run.

**A. B. C.'s Rally Against Nehf and Beat All-Pro;**  
**Johnson in Good Form**

The A. B. C.'s got back at the All-Pro yesterday and registered a 6-to-4 victory over the leaguers in the game at Washington park. Art Nehf, New York National League hurler, was on the mound for the All-Pro and he suffered defeat when Taylor's team staged a rally in the eighth inning.

The game was sensational from start to finish and the fans were given plenty to cheer about, especially the A. B. C. followers. Dicta Jones hurled for the A. B. C.'s and he was there with a big league brand of pitching.

Art Nehf struck out ten men and at the start he looked unsteppable. Five of the first six A. B. C.'s to step to the plate were fanned, but Taylor's boys kept plugging and finally broke through leaguers' defense.

In the eighth inning Holland opened it with a single and Johnson bunted. It was a fast bunt, and when Second Baseman French played it badly all hands were safe. Holland going all the way to third. Clark walked and when Washington hit to the infield Holland scored. Schreiber was set to grab Washington's roller and try for a double play, but Nehf interfered and as a result only the batsman was retired. Lyons, champion scoring Taylor, making the A. B. C. total six for the day, which was enough.

The All-Pro team beat the first when Orme had got on and in the eighth when the All-Pro had three runners up to four when Orme and Reag got around.

**Two Yale Stars Hurt**  
NEW HAVEN, Conn., Oct. 18.—Tim Callahan, captain and center of the Yale football team, and Malcolm Aldrich, half back, probably will be out of the game for two weeks. It was announced at Yale last night. They were injured in Saturday's game with Boston College. Next Saturday Yale plays West Virginia, and the following Saturday Colgate.

**Garland Wins Match**  
CHICAGO, Oct. 18.—William T. Tilden of Philadelphia lost an exhibition tennis match here Sunday to Charles S. Garland of Pittsburgh, 6-7, 6-3, 6-4. It was the second time in two days the Pittsburgh player had defeated Tilden, and concluded the exhibition of the Davis cup team here.

**Michigan vs. Illinois**  
In the Big Ten next Saturday several contests of great importance will be played. The Michigan-Illinois battle at Ann Arbor, the Indiana-Iowa game at Columbus and the Iowa-Chicago game at Chicago will all have a bearing on the Big Ten championship. The teams Illinois, Ohio State and Chicago are unbeaten and each has won one game. Michigan has not yet met a team eleven, while Indiana and Iowa have won one and lost one game apiece.

## IN THE LOCAL GRID CAMPS

Butler has played three games this season and has piled up a total of 127 points as against 27 for its opponents. Not bad for a team that up until last week ago Saturday had not won a game in two years.

That place kick of Griggs' in the Tech-Newcastle High School game from the thirty-yard line marks the first goal kicked from the field by an Indianapolis high school player this year. Griggs is another one of our "inexperienced" high school gridsters who seems to be picking up the game in a remarkably short time.

Tech, in the only two football games in her history, has scored 48 points, and but for a number of substitutions, would not have been scored on in the Kirklin game, the only marker that has crossed the Green and White line in the two games.

This coming week-end will see Coach Brubaker's protégé, peering up from the labors of the past two weeks and the east alders will not be seen in action until they stack up against Manual, Nov. 29, in the first football game between the two Indianapolis high schools since 1907.

As things stand now Tech is a slight favorite in this first clash for the city title, but if the Manual athletes improve

as much in the next two weeks as they have in the last two, it is going to be one great battle. The Red and White looked powerfully strong in the Sheridan game.

Anxious followers of Manual and Shortridge are still pondering how the north side eleven beat Richmond, 69 to 0, will have everything explained to them on Friday when Coach Julius' aggression looks up with Brasil on Irwin field.

Coach Page has developed a team at Butler that by the end of the year should be one of the best that has ever worn the Blue and White. Franklin and Earlsman papers please copy.

The back field, which for a time looked like Page's biggest worry, has come through with the goods. Scoring 127 points in two games gave evidence of an offensive play that will cause trouble to any college team in the State.

The amazing thing about the showing of the local collegians in their 1920 play is that they have used just eight plays to pile up this large total of points, and have played just straight football in every game. Page has a white-hot line, an invincible back, and local followers expect the team to uncover a world of new stuff against Earlsman Saturday.

**Local Grid Outfit Tied by Referee in Rennselaer Contest**  
Backed by Up-State Fans and Coach in Raw Deal Claims—Issue Challenge.

Referee Kirk was easily the main cog in the Rennselaer team that held the Indianapolis Football Club to a 7 to 7 tie at Rennselaer yesterday.

The Indianapolis gridgers, veterans of several years of out-of-town playing, were never handed such treatment as was passed out to them by the up-State players and their referee in one of the most bitter struggles that has been fought on an independent field for some few years.

The official penalized the locals for nearly every move. At least it seemed to the Indianapolis players and the Rennselaer fans, many of whom are the same as the Indians. The referee called the clean sportsmanship of his athletes, and told him that, with a square referee, Indianapolis would have won in a walk.

The Rennselaer players, after the contest, were openly condemned by their coach, Bob Parker. Indianapolis was penalized for a total of approximately 500 yards for every technicality in the rule book and some that were not, it is said. Several times the referee penalized and refused to give his reason for doing so, according to reports.

Indianapolis scored first after less than one minute of play in the second period. Reg Klein, touring through the line for the tally. McCarthy kicked goal.

Then the referee swung into action and kept things humming until, after four straight Indianapolis penalties, one of them for the peculiar distance of seven feet and a half yards, and after Kirk refused to recognize two fumble recoveries by Jack Riddies, Indianapolis tackle, Rennselaer managed to move the ball over. Rennselaer never carried the ball for first down.

Manager Canning has challenged Rennselaer for a return game at Indianapolis to play off the tie. The challenge is a part in the contest. Rennselaer is offered the same financial terms that Indianapolis was offered last year. Indianapolis can play for winner-take-all. Rennselaer will also be guaranteed the cleanest of play and decisions.

**Local Football Notes**  
The Ferndales tucked up their second victory on Ferndale field yesterday, defeating the Greenwood American Legion, 27 to 0. Greenwood made first down only once during the scrap and by a count of 27 to 0. Greenwood made first down only once during the scrap and scored their touchdowns during the last minute of play on a Ferndale fumble. The winners are looking games with the best in the city and State.

In the curtain-raiser to the Ferndale-Greenwood game the West Parks defeated the Western Juniors, 14 to 6. The Parks will practice Wednesday and Friday nights and all players should attend. For games call Belmont 2533 and ask for Cliff.

The Indianapolis Knights of Columbus went down to a 41 to 0 defeat before the Cumberland team in their opening game yesterday. Cumberland outwitted the "Caseys," man for man. Manager Kavanaugh states that men failing to report for practice this week will lose their places on the team.

The Garfields and Shannon Parks played to a 7 to 7 tie yesterday. The Garfields defeated the Shannon Parks in an earlier game and were just a bit too confident yesterday.

The Turners will be the opponents for the Garfield eleven next Sunday and the manager states that all players failing to show for practice Wednesday and Friday nights will be dropped from the line-up.

**Six Cars Pile Up in Wreck on Cincy Track**  
CINCINNATI, Oct. 18.—One driver was probably fatally injured and three others were hurt when six cars piled up in a 100-mile automobile race over a half mile track at the Carthage fair grounds Saturday. Harvey Crain of Ft. Wayne, Ind., was injured internally and is in a serious condition at General Hospital. He received a skull fracture and his leg was broken.

**Alexa Again Wins**  
PHILADELPHIA, Oct. 18.—Miss Alexa Stirling, the national women's golf champion, Saturday defeated Mrs. V. A. Gavin of New York, 3 up and 1 to play, in the final round of the tournament for the Bertha cup and the title of champion of the world. Alexa Stirling won the first leg on the cup.

**GUN CLUB RESULTS.**  
The Indianapolis Gun Club shoot Saturday resulted in a three-cornered draw. C. A. Edmondson, Elmer and Pratchett each shattered 97 out of 100 birds. Lou Smith and Houston followed, with 91 each to his credit and Perry and H. Lewis split third with 85. Ten things, the only pro in the list, also broke 85.

**Preachers Stop Ruth**  
WILKESBARR, Pa., Oct. 18.—Babe Ruth may be a wonder but he's not as big as the ministers of Wyoming. Babe was to have played here Sunday with the American League All-Stars. The ministers got busy and persuaded Sheriff McCloskey to prevent the game.

McGee because they did not have the opportunity to see the king of swat, residents of Sugar Notch, Hanover Township, are planning to call upon the sheriff for enforcement of all blue laws.

## IRISH-CRIMSON RECORDS TALK OF GRID FANS

Hoosier Elevens Perform in Feature Victories of Saturday's Card.

### BUTLER EASY WINNER

Notre Dame and Indiana were Hoosierdom's big gridiron heroes Saturday.

Notre Dame went forth to battle, with the Nebraska Cornhuskers and were returned the 16 to 7 victory after a bitter struggle. Nebraska, scoring a touchdown in the first period, held the Irish on the bottom side of a 7 to 2 count until late in the second quarter, when Brandy piled through the Nebraska line for a touchdown. Gipp scored in the third quarter.

George Gipp played his starlight roll in an entirely new and different manner Saturday. The powerful back did not do so much passing, most of his time being spent in ripping off big gains around the Nebraska end, or through their line. Nebraska put out a neat "in no condition" publicity stunt last week which went big with many fans, but t Coach Knute Rockne of the Irish gladiators took this opportunity to put up a great fight to win, which they did.

**WICHITA EASES**  
Indiana beat Minnesota, 21 to 7, with a clever style of aerial play. After the early part of the first period, when Minnesota scored a touchdown, the Irish pounded away at the Gopher line without gaining noticeable results. Steinhilber cut in with the passes. Their first pass was the signal for a Minnesota defeat. Milton was tossing the ball, with the Irish end, or through their line.

**BOXING**  
FRENCHIE MUST EARN HIS CHANCE.  
NEW YORK, Oct. 18.—From reliable sources, but on information not yet actually verified, it is learned that Georges Carpentier has agreed to box Jack Dempsey under the auspices of Tex Rickard, provided the world's light heavyweight champion makes good against three opponents whom he will be called upon to face in Madison Square Garden this winter.

It is understood that the Dempsey-Carpentier bout will be staged in the open, under the auspices of Tex Rickard and William A. Brady. C. E. Cochran, the famous British promoter, who has Carpentier under contract until Dec. 31, is said recently to have made a final turning over of the contract to Brady, and that Brady and Rickard immediately reached an agreement.

Carpentier and Manager Francois Deschamps have had extended conferences with Rickard, and it is said the final papers were signed Saturday. Rumor has it that Tom Gibbons of St. Paul will be Carpentier's first opponent.

**TUNNEY NOW AFTER GEORGES.**  
NEW YORK, Oct. 18.—Georges Carpentier, the new light-heavyweight, was challenged today by Gene Tunney, a light-heavyweight champion of the A. B. F. He offers the Freshman a guarantee of \$50,000 for a fifteen-round bout to a decision in New York.

**HE CAN HAVE IT.**  
PARIS, Oct. 18.—The French boxing federation at a meeting decided to ask the International Boxing Union to sanction the result of the Carpentier-Levinay fight by granting Carpentier the title of the light heavyweight champion of the world. The union has heretofore considered this title vacant.

**MOORE BEATS RITCHIE.**  
LOUISVILLE, Oct. 18.—Pal Moore, Memphis heavyweight, outpointed tonight Johnny Ritchie of Chicago in a twelve-round no-decision bout here Saturday.

**Turns in Perfect Score in Fly-Casting Meet**  
CHICAGO, Oct. 18.—Dr. H. J. Morlan, one of the best amateur casters in the country, yesterday established a new world's record in the light tackle dry fly accuracy in the final tournament of the Washington Park Amateur Casting Club. Competing in a tourney for the last time, Dr. Morlan turned in a perfect score of 100 per cent. Casters have been trying for years to register such a score, and Dr. Morlan succeeded after twenty years of endeavor. He was hard pressed by L. E. De Garmo, who made a score of 99.15. Dr. Morlan also won the salmon fly with an average of 123.25 per cent, first place in the noble distance fly.

netted twenty-five yards, then the Crimson hustled the ball over with a series of off-tackle plays.

Indiana scored again in the second quarter when Milton received a thirty-five-yard pass, placing the ball on Minnesota's two-yard line. Williams took it over. Another distance pass resulted in a touchdown in the third period. As a result of Indiana's victory Saturday Northwestern are already doped to defeat the Blue and White banner.

Butler staged another Marathon, Wilcox being their distant opponents. Fat Page's men, tangled with a crew far below their equal and won easily, 74 to 0. Christians scored almost at will, whether the scrubs or varsity were carrying the Blue and White banner.

Butler's total was higher than the ones run up by Earlsman and Franklin in earlier games with the Wilmington outfit. In ball by Earlsman and Franklin in earlier games with the Wilmington outfit.

Coach Scanlon's Purdue athletes were beaten back at every angle in their scrap with Ohio State. The final count being 17 to 0. Purdue didn't seem to get organized in the second period, while the Buckeyes were stepping fast all the time and sweeping the Hoosiers to defeat with thirty aerial attacks and trick plays.

**LOSE CHANCE TO COUNT.**  
Purdue athletes had best chance to score in the second period, when they carried the ball to Ohio's three-yard line. Here, although the Hoosier backs tore the Ohio line to ribbons to gain the position. They tried a pass a little further down and lost the ball. Purdue probably would have scored if Calhoun had been given the ball, as he had just ripped off a three and a four-yard gain through the Ohio forward wall and was eager for more chances.

Outlasted but not outfought, Wabash footballers went down to a 41 to 0 defeat before Chicago, but the Scarlet defense throughout the contest, while the Maroons hustling all the time to score and gained the Wabashers as many as many cut in with the passes. Their first pass was the signal for an ordinary eleven world gain by victory.

At times the Scarlet defense braced and played the Maroons to a standstill, but tried Wabash got the ball its offense was powerless before the Stag out.

Valparaiso's second-string men romped over Northwestern College for an 85 to 0 victory.

Harvard and Princeton have reason to be satisfied with the showing of the Crimson and the Tigers in the last two weeks. And neither has anything to worry about when they think of their coming games with Yale.

Penn State, as was the case last year, is apparently one of the strongest Eastern teams outside of the "Big Three." Syracuse, Pittsburgh and West Virginia are strong elevens. The service teams are showing very ordinary form. They are showing very ordinary form. They are showing very ordinary form.
