

## A. PLANS LOWEN PARTY

Gymnasium to Be Scene of Gay  
Event Friday.

The members of the Young Women's Christian Association will give a Halloween party Friday, Oct. 29.

All departments of the association are represented on the committee in charge of arrangements, including representatives from the Y. W. C. A. residences, the Federation of Industrial Clubs and the Girl Reserves.

The committee is asking that every one who can possibly do so come in costume and mask.

No one will be allowed to go directly to the gymnasium, where the party will be held, but instead will be led there by a long and circuitous route beset with ghostly experiences devised by the committee.

In the gymnasium an opportunity will be given the guests of having their fortunes told by five different methods; through the reading of the palm, the face, handwriting, the crystal ball and the ouija board.

During the evening a short program will be given, including some original "surprise" skits, several musical numbers, characteristic of Halloween, a witches' dance and a "Ghost March."

The gymnasium, lobby and lounge will be decorated with pumpkins, jack-o'-lanterns and shocks of corn.

For refreshments the committee is promising an abundance of apples, cider and doughnuts.

Those making arrangements for the party are: Bonnie Gerkin, Dorothy Jordan, Eleanor Francis, Mildred Kelly, Velma Black, Zelma Smith, Nola Martin, Katherine Burgen, Vivian Butler, Vera Haynes, Emma Rummel, Clara Brown, Frances Paulsen, Pearl Leonard, Helen Hockett, Grace Hushaw, Maud Hoffman and Mildred Kennedy.

### Y. W. C. A. NOTES.

The Democratic and Republican platforms will be presented at the open forum which will be held in the lounge this evening from 7:30 to 9:30.

Mrs. Martha E. Abt of the national speakers' bureau, will appear for the Republican party and Miss Lucy Elliott of the State Historical Commission will represent the Democratic party following the talks for questions concerning the platforms.

These forums are open to the general public.

The general education department will open two new classes to meet the requests of several girls.

One is a course in a general review of English grammar and the principles of rhetoric planned particularly for stenographers.

The first meeting will be on Tuesday night from 7 to 8 o'clock with Miss Florence Conway, instructor.

The other class will be free hand drawing on Tuesday night from 6:30 to 8 o'clock with Mrs. Hazel Snapp Brown, instructor.

A Halloween supper will be the feature of the monthly meeting of the Federation of Industrial Clubs Wednesday at 6 o'clock.

Orange, black and white colors will be used to transform the private dining-room into a witch's hunt.

The room will be lighted by jack-o'-lanterns. Two fortune tellers have been secured. The clubs composing the federation are competing to secure a record attendance.

The committee in charge of arrangements includes: Effie Lenderm, chairman; Lucille Cave, Frieda Nolting, Ruth Brown and Doretta Schraeder.

The Pettis Dry Goods Company Club gave a supper in the private dining-room of the association recently.

The tables were attractively decorated in purple and gold and baskets of marigolds.

Following the supper a business meeting was held during which the following officers were elected: Edna Bandy, president; Lenore Scholte, vice president; Doretta Schraeder, secretary; May Grunt, treasurer; and Luella Stanley, Ruby Stanley, Myrtle Clark, Margaret Mathews, chairmen of standing committees.

Miss Helen Hartman will coach the basketball team organized by the younger girls in business and industry.

She will be assisted by Miss Dorothy Vestal. Thursday evening a Halloween program will be given following the regular supper.

Zelda Warrenberg will speak on "What Is Halloween?"

Hazel Drager will give a Halloween story and Louise Ehrigott a "Story of Ghosts."

Invitations have been issued to their men friends by the girls living at the Y. W. C. A. residence at 725 North Pennsylvania street, to a Halloween masquerade party Thursday evening.

## Mrs. Housewife, Do You Know?

1. How we get our vanilla?

2. Whether it is true, as sometimes said, that soup stock, which forms a jelly on cooling, is richer than that which does not?

3. What is the most economical way of buying ammonia?

These questions will be answered tomorrow by the Housewife.

## ANSWERS TO SATURDAY'S QUESTIONS

1. Although peaches originated in China, probably they were first obtained by Greece from Persia, and were called Persian apples, a word which gave rise to the original of the word peach.

2. Arrowroot is excellent to use in place of flour or cornstarch in thickening puddings, sauces, etc. The proportion of two tablespoons of arrowroot to one cup each of sugar and water, with one-half cup of fruit juice. It should be boiled thoroughly.

3. To clean windows with whiting, mix the whiting to a smooth paste with water and rub it on the window. Let it dry on the window, and then rub off with a dry cloth or tissue paper.—Copyright, 1920.

## 10-Hour Day Demand Meets Boost Petition

NEW YORK, Oct. 25.—Fifty thousand union truck drivers here were today considering the answer to their demands for an eight-hour day and an increase in pay of \$7 a week, which was given by 400 employers, representing the bulk of the city's trucking business.

The reply stated that the drivers hereafter would have to work ten hours a day instead of nine, as at present, and that the wages would remain the same.

The truck owners declare they have been operating at a loss and that the drivers must work longer hours at the same pay or face unemployment.

## THIS WILL ASTONISH INDIANAPOLIS PEOPLE

The quick action of simple witch-hazel, hydrastis, camphor, etc., as mixed in Lavoptik eye wash, will surprise Indianapolis people. One girl with weak, strained eyes was helped by a single application. Her mother could hardly see or read because of eye pains. In one week she too was helped. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye.

MOTOR FASHION.

The luxury of a fur coat cannot be better appreciated than by the motorist, and a short jacket answers almost as well as one owns a warm laprobe. This little coat of Hudson seal is collared and cuffed with Australian opossum, the cuffs having an inner lining gathered on a rubber to keep out chilly draughts—a most grateful arrangement.

Those making arrangements for the party are: Bonnie Gerkin, Dorothy Jordan, Eleanor Francis, Mildred Kelly, Velma Black, Zelma Smith, Nola Martin, Katherine Burgen, Vivian Butler, Vera Haynes, Emma Rummel, Clara Brown, Frances Paulsen, Pearl Leonard, Helen Hockett, Grace Hushaw, Maud Hoffman and Mildred Kennedy.

## How to Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes but a moment to prepare, and saves you about \$2.

Pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine has a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine cough syrups are made of pine and syrup. The "syrup" is usually plain sugar syrup.

To make the best pine cough remedy, put 2½ ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or, use clarified molasses, honey, or corn syrup, instead of sugar syrup.

This makes a full pint—more than you can buy ready-made for three times the money. It is pure, and tastes good.

You can feel it take right hold of a cough or cold. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of Norway pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes.

Ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

## Fat Folks Read This Story

Recently, in the city of Chicago, a prominent man, burdened with excessive fat, went upon the operating table and had over sixty pounds of flesh carved from his huge, lumbering body.

Years ago the formula for fat reduction was "diet"—"exercise."

Today it is "Take Marmola Prescription Tablets." Friends tell friends—doctors tell their patients, until thousands know and use this convenient, harmless method.

They eat what they like, live as they like, and still lose their two, three or four pounds of fat a week.

Marmola Prescription Tablets are sold by all druggists—a good size box for one dollar. If you prefer, you may write direct to the Marmola Company, 98 Garfield Building, Detroit, Mich.

EX-SOLDIER HAS A GOOD SLOYASH

"If a man spends six years in the army he surely must have a good stomach. I have a good one now and Foley Cathartic Tablets made it that way. If any one does not believe this, let him write to Arthur L. Lyons, 434 Cincinnati St., Dayton, Ohio." That is a sample of the hundreds of letters received by Foley & Co. You can relieve biliousness, bloating, constipation or other condition arising from indigestion with Foley Cathartic Tablets.—Advertisement.
