CAN TEACHER ENTER POLITICS?

Political Rule in Schools Starts Argument.

The political rule of the city school board developed more argument and sarcasm in the meeting of that body last night, when E. U. Graff, superintendent of city schools, asked for an interpretation of the rule, saying he had received numerous inquiries from school teachers who had been appointed precinct committee women and wanted to know if their serving in that capacity was a violation of the rule.

"It is a clear violation of the rule," said President Crippin.

"It would be a clear violation if they were elected," retorted Mrs. Julia Tutewiler, "but they are only appointed and it is work they do outside of school hours, and it seems to me it is all right.

"It is political activity and talk in the schools during school hours which are objectionable," said Mrs. Tutewiler.

"It seems to me it was clearly in contravention of the rule," said Mr. Graff.

"Does anybody want to interpret this rule?" asked Mr. Crippin.

"Does anybody want to handle dynamite?" rejoined Mr. Barry.

PURCHASE PROPERTY FOR HIGH SCHOOL.

Plans for a high school on Thirty-Fourth street, between Meridian and Pennsylvania streets, were launched in the meeting by George C. Hitt, business manager of the board, who submitted a report, stating that the Topp property had been secured through condemnation proceedings which amounted to $80,000.

At the suggestion of Mrs. Tutewiler, Mr. Graff was to submit specifications for the high school.

Bert S. Gadd told the board the bonded indebtedness limit was almost reached and said it should not spend any more money on high schools now, but should put the money to a much needed use in the elementary schools.

Mrs. Tutewiler said after the way money had been spent on Manual and Arsenal Technical High Schools the north side should have a school.

PROVIDE FOR 2,500 STUDENTS.

A school with a capacity of 2,500 students was finally decided upon.

President Crippin said another high school on the west side probably would be proposed shortly.

Staff changes, given below, were reported by Superintendent Graff: Resignations of Marie Brandon, Margaret Worsham and Sophia Salathe; recommended a leave of absence for Clara J. Williams. He announced the appointment of Anna Pearl Hamilton and Mabel Townsend, as teachers in the elementary schools; Lola Adams, employe in superintendent's office; Ross R. Kennedy, physics, Shortridge High School, and Morely Fullenwider, physics assistant, Shortridge High School.

The following part-time appointments were announced: Hazel Hendricks, millinery; Iva Reynolds, home nursing; Flossie Jones, sewing; Katherine Smool, teacher of design, and Nona A. Connelly, millinery. The following evening school appointments were announced: Olive Cunder, Nona A. Connelly, Rayna Slow Frost, May Curley, Irven Armstrong, Consuella Street, Caroline Goodhart, O. A. Johnson, Laura B. Shallenberger, Anna Brennan, Margaret Yule and Edith Blankenship.

BOOZE SCANDAL AT LOGANSPORT

Cass County Expose May Involve High Officials.

LOGANSPORT, Ind., Oct. 27.—Sensational disclosures are expected in the report of the Cass County grand jury when that body ends its session, following the arrest here Tuesday of Frank Tam, William Sullivan, Riley Mullendore and Henry Gillen, proprietor of soft drink parlors and cigar stores.

The men are charged with bribery.

It is expected that before the charges on which the four men are held are sifted that several "high-ups" among Logansport officials will be arrested, charged with accepting bribe money.

The arrests yesterday were made following grand jury indictments and it is said the investigation of certain officials who are said to have accepted graft money is to be taken up at once.

The men arrested are charged with paying money to officials to obtain immunity from arrest, while they carried on a traffic in home-made brew, white mule and other concoctions with a "kick."

The men paid the officers from $15 to $50 a week, depending upon business, or to the extent with which they stood in with the gang.

The money was collected weekly, it is said.

The deputy prosecutor of Cass County, who usually conducts grand jury investigations, and whose name rumor has connected with the case, has disappeared from the city, along with several other officials.

The deputy prosecutor is also secretary of the Cass County Republican central committee.

A special deputy prosecutor has been appointed to have charge of the grand jury during investigations of the reported misconduct of office.

Miss Schaoenfelder is an army field clerk with the rank of second lieutenant. She will return to Washington, D. C., where she will attend George Washington University.

Nature Replacing Power Lost in War?

PARIS, Oct. 27.—The old theory that nature provides for the loss in man power after a great war by producing more boy than girl babies is borne out in Paris birth statistics.

During the present year nearly 60 per cent of the infants born in the French capital have been boys. The same thing was observed in Germany after the Napoleonic wars.

MRS. THOMAS' WORD TO WOMEN

Tells of the Great Good Lydia E. Pinkham's Vegetable Compound Did For Her.

Morrice, Mich.—"About a year after my second baby was born I suffered with dizziness every morning so that I could hardly get around. I had heard from other women about your medicine and had read letters about it, so my husband got me Lydia E. Pinkham's Vegetable Compound which I took according to directions and in a short time I was entirely relieved. I also took the Vegetable Compound before my last baby came and am thankful to say that it relieved my suffering very much and I shall never be without it at such times. I have told others of its great worth and shall keep on telling it."—Mrs. Ed. Thomas, Box 184, Morrice, Mich.

Women should not continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound.
