

4 REPUBLICANS RENOUNCE PARTY

Members of G. O. P. Committees to Support Cox.

NEW YORK, Oct. 29.—Frank H. Hutchins, a Republican and first vice president of the National Brotherhood of Operative Pottery, has announced he will vote for Governor Cox, according to a telegram received at Democratic national headquarters from Trenton, N. J. Mr. Hutchins, the message stated, refused to act as a vice president at a Republican mass meeting scheduled for Thursday night in Trenton, which was addressed by Governor John H. Bartlett of New Hampshire.

In her letter to Jacob Livingston, chairman of the Republican executive committee of King's county, resigning as a member of the Republican party, Ida Primoff Dorfman, an attorney of 100 Broadway, Brooklyn, a copy of which was sent to the Democratic national committee, said:

"I am going to vote for Cox and Roosevelt because I believe they represent the better side of every question at issue in this campaign, and I believe a vote for Cox and Roosevelt is a vote to end war and for a progressive and liberal government; while a vote for Harding and Coolidge means a vote for reaction and obstructive government."

Senator Harding is denounced for his league stand by Charles S. Aronson of 100 Broadway, New York City, former county chairman of the Progressive party, in his letter to Mr. Livingston, resigning from the Republican county committee and coming out for Cox and Roosevelt.

Eugene C. Whittier of Boston, a lifelong Republican, sent National Democratic Chairman George White a copy of his letter resigning as a member of the Republican town committee, and announcing his support of Cox and Roosevelt.

In his letter Mr. Whittier assailed Senator Harding for his repudiation of the League of Nations in his Des Moines speech and characterized the campaign methods of the Republican national committee as "an insult."

Smith was released on \$1,000 bond. Smith denied he had gone to Indiana.

Don C. Richeson, formerly a patrolman on the Logansport police force, who, it is said, left the city when the investigation was begun, was expected to return today to face any charges that have been made against him, his friends state.

Joseph Carson and Tom Deering, members of the Logansport police department, acted as go-betweens, it was revealed Thursday, and participated in the division of the spoils to secure evidence for the State.

Smith, it is said, gave the two officers a list of names from which he believed it would be possible to collect graft.

Mayor James I. Barnes has been summoned to testify before the grand jury today.
