

# TIGERS RETAIN CONFIDENCE FOR SATURDAY GAME HERE—NOTRE DAME ROOTERS BUSY

## BUSS STRIVES TO FILL HOLE IN FAST TIME

De Pauw Coach Hurries to Develop Man to Take Jacobs' Place Saturday.

### TIGERS FULL OF FIGHT

GREENCASTLE, Ind., Nov. 3.—Gloom was cast over the De Pauw students and football fans Tuesday when it became known that John Jacobs, right guard on the Tiger football team, had been dismissed from the school.

Jacobs was a star lineman and has played with the De Pauw eleven for the last three years. Unless this place on the Tiger team can be filled by a competent man in the short time remaining before the Centre game at Indianapolis, Saturday, it may mean a weak place in the defensive line which Coach Buss has constructed in his team this season. Slight hopes are retained for Jacobs' return to college.

It is the great problem of Coach Buss at present to find a man who can successfully fill Jacobs' shoes. It was rumored that Yeager stood first in line

### Football Love Feast

A love feast will follow the football game Saturday between Centre and De Pauw. The De Pauw athletic board will be host for a dinner at the Severn Hotel Saturday evening following the game.

"We want to show Centre College that Hoosier hospitality is equal to that of Kentucky," says Mayor Jewett, chairman of the advisory board in charge of the game, and active in handling arrangements for the game.

for the position following practice yesterday. Yeager has proved himself to be a strong, consistent player this year, and it may be that he will fill the vacancy when the Tiger machine faces Centre on Washington park Saturday afternoon.

Besides Yeager, Coach Buss has two other men who have played in the guard position this year, and are Kenner and Fisher. Fisher played a strong game at the left guard position in the recent De Pauw game, while Kenner held down the right end berth.

Despite the loss of Jacobs, however, the Tiger squad reported for practice yesterday with even more determination to win the Centre game Saturday, although handicapped. Members of the squad were sent through a hard scrimmage in which all of the old players were perfected in performance and several new ones developed. Thus far all of the gridsters are in good condition physically.

## Ebbets Gives List of Names Submitted for Baseball Board

NEW YORK, Nov. 3.—President C. B. Ebbets, of the Brooklyn Baseball Club, has submitted a list of names which he has submitted for consideration by major league club owners when deciding upon the proposed board of control for baseball. They are Governor Alfred E. Smith, Senator William E. Miller, William H. Edwards, John K. Tener, at one time president of the National League; Walter S. Carter, Michael H. Weston and John Conway Toole. Edwards and Toole were National League candidates for chairman of the old National Commission.

## Says Notre Dame Could Have Beaten Any Team in East Last Saturday

Possibly the most illuminating feature of the Saturday football play in the East was the game between the Army and Notre Dame at West Point, says Arthur Robinson, New York sports writer. Continuing he says:

In a game which Notre Dame defeated a back who ranks with Jim Thorpe, Ted Allen, and John Heisman. Hal Weeks and Charlie Bricker. He was as good as the best. He was as resourceful. He gained a total of 220 yards himself, and in addition to this was on the trigger end of Notre Dame's forward passing game.

Notre Dame gained eighty-three yards through the forward pass in the first three quarters and in the fourth quarter, when Gipp exploded in a fury of effectiveness, statistical machines cracked to see the strain to which he subjected them.

There was nothing he could not do. His hands were tremulous. He showed he could drop-kick. He smashed the Army line with terrific power. He threw forward passes intelligently, and his forward work was suggestive of Eddie Mahan.

The Army did not use the forward pass during the game. Possibly this was because the play was almost always in Army territory. Baly, the Army coach, is a brother of the old school and the survivors of the era of guards back do not consider it the proper thing to forward pass in one's own territory.

Notre Dame could have beaten Princeton Saturday and, we believe, any team in the East. It played smart football and simply bewildered the Cadets. It came within an ace of working a forward pass from behind its own goal line for a red, down, and once Gipp got off a quick kick from a regular formation, which surprised the Army defense, which had closed in toward the line of scrimmage. The ball went over the Army's last line of defense and Notre Dame profited by the roll.

## Challenges Notre Dame

WASHINGTON, Nov. 3.—The management of the Georgetown University football team has made proposals for a post-season game Dec. 4 to three strong teams, Notre Dame, Illinois and Pennsylvania. It is understood that the Georgetown management hopes to secure a contest with one of the three as a feature of the semi-centennial celebration of the Georgetown law school.

## NO BOWING

The Nordyke & Marmion Accountants would have taken three straight from the Purchasing Committee if Sudhof had not uncorked his 224 in the second round.

Saxon opened shop with a 202, and out of these two the Marmion went forward and onward without the aid of the double centuries.

Strickler took the double-jointed shaving mug with a 68 in his first game.

Even the famous Andrews stooped to mingle with the ordinary shooters.

Hinchman of the Kreds Transfers copped the Bean No. 1 loop one-game gravy with a 222 effort.

Bannworth's big counts brought the Western Union a brace of victories over the Oulitte Stones.

The Times shooters failed to connect and it was easy for Coca-Cola to win three.

The Clamen Dairy combination took two from the Clamen Coffees in their special match.

Clamen, Hall and Kimmel, all of the Clamen Coffees, knocked out a double century each.

Mrs. Mattern's 174 was the best count in the Oulitte loop.

## Tech Team Favored to Win Scrap With Noblesville Friday

East Siders Groomed to Score Another Victory on Irwin Field.

With a record of three victories and no defeat for the season to date, and having outscored their opponents more than three to one in these contests, the Tech footballers will enter the game with Noblesville, on Irwin field, Friday, a heavy favorite to win. Although Tech is a heavy favorite to win, it is no over-confidence in the Green and White camp and the men are working just as hard for this game as they did for any of the past contests.

The hope is all in favor of the local aggregation. In the first place Sheridan beat Noblesville 12 to 0; Manual beat Sheridan, 13 to 7; and then Tech wiped Manual, 24 to 13. A more direct way of comparing the two eleven is by the fact that the Kirkin team that Tech beat 31 to 7, in the Green and White's initial game, holds a decisive win over the Hamilton County grizzlies in a recent contest.

A large crowd should witness the game Friday, as it will mark the last appearance of an outside high school eleven on local gridiron this season. Following this contest, Coach Erhardt will lead his eleven to Sheridan for a game with that team, Nov. 13. They will then wind up the season with Shortridge, Nov. 24, in the final game of the city championship series.

## MANUAL MAKES SPEED IN DRILLS

Scrimmage with the scrubs being carried every afternoon this week, the Manual warriors should show an improved style of play when they attack into the Brazil High School eleven at Brazil Saturday afternoon. The regulars have been ripping the second and third-team line to pieces for the past two days while their own forward wall has held like stone.

Coach Evans is also schooling his attack in aerial play. In the week, Evans has a hand and throws the ball hands, and it can be seen that he is a toss-up as to the men that will be Page's choice to oppose the Baptists. The return of Capt. Paul Brown, who was a factor in the season with Shortridge, Nov. 24, in the final game of the city championship series.

Shortridge handed Brazil a neat thrashing and the Manual followers are confident that the South Siders can turn the pieces for the past two days while their own forward wall has held like stone.

Several youngsters on Manual's second team have been showing a world of stuff in scrimmages with the varsity and there is a possibility that some players will be switched before the season closes.

## Big Ten Grid News

IOWA CITY.—Iowa's first and second teams scrimmaged hard again Tuesday in preparation for the Northwestern contest. The regulars scored three touchdowns in thirty minutes. Glenn Levine came back from the second team to play in the first team. The long game, while Kenner held down the right end berth.

Several youngsters on Manual's second team have been showing a world of stuff in scrimmages with the varsity and there is a possibility that some players will be switched before the season closes.

COLUMBUS.—Coach Wiley did not scrimmage the Ohio State regulars long Tuesday, but kept them busy with several plays to be used against the Wolverines. The team was given out Monday, and the team was perfecting them. Wiley is pointing to the Michigan game as a crucial one, which will require every ounce of strength in the fray. All regulars are going good and in the best of condition and Full Back Williamson is coming along in fine shape.

## ILLINOIS

URBANA.—Walter Walquist, Al Mohr and Everett Hellstrom, three of Bob Zuppke's regulars, still on the side lines Tuesday, Illinois' conviction deepened that her most severe test will come Saturday on Stag's field. Charley Carney returned from Evanston and took his place in the line-up.

Cupppe's task Tuesday was to try to bolster up the line. Hughes was in Moore's place at guard. Lindan played right end instead of Hellstrom and Don Peiser was at Walquist's half back post. Coach Winter's freshmen pounded the varsity with Stag's plays and, despite the lightness of the yardage, they made many gains. Signal practice under arc-lights completed the work-out.

More than 3,000 fans will follow Captain Depler's squad to Stag's field. The players depart Thursday evening and will be quartered at the South Shore Country Club. They will work out on Stag's field Friday morning. A campus to talk Director Harding's Illinois band of 125 pieces is in progress and will probably succeed.

## MINNESOTA

MINNEAPOLIS.—Because of the battered and bruised condition of the varsity as a result of the grueling battle with Illinois Saturday, Dr. Williams gave his players only a light signal drill Tuesday. Harold Clement will be out because of a sprained ankle. Ekberg and Tiley did not get into the work-out Tuesday, but will play Saturday. Fred Enke and Donald McClintock were used at the center position Tuesday, while Bailey filled in at full back and O'Brien and Weiblen were given a chance at Ekberg's end.

## MICHIGAN

ANN ARBOR.—Coach Yost sent Michigan through one of the most strenuous work-outs of the season behind closed gates Tuesday. The reserves were given Ohio State formations and the varsity was drilled in breaking up the plays. The back field spent considerable time in breaking up pass formations, as Ohio is supposed to have some of the best passers in the Conference. All the men are in good shape and it is expected that Michigan will be able to put the strongest line-up possible in the field Saturday.

## ABE SAYS HE'LL TELL

NEW YORK, Nov. 3.—Abe Attell, former featherweight boxing champion, under indictment in Chicago in connection with the alleged "fixing" of the 1919 world series, returned here Tuesday from Montreal and declared he would go soon to Chicago to tell what he knew of the case. He declined to say anything further.

## DOES BOOTING FOR DE PAUW

"RED" ADAMS.

Football fans attending the De Pauw-Centre game at Washington park Saturday probably will see a few points scored for the Tigers through the means of "Red" Adams' toe. This Tiger gridster has developed into an excellent drop-kicker and De Pauw followers believe he

will be able to boot the ball over the Centre game at Washington park Saturday despite the reputed strong defense carried by the Kentucky eleven. Adams is one of De Pauw's chief grid-battlers and in addition to being a kicker of note he is also good in other departments of the great college game.

Metzger, half back, and Rog Klein, full back, will be seen at their old stations Saturday.

## Indoor Drill for Local Grid Warriors Tonight; Hunting Sunday Battle

A misunderstanding in regard to dates with a State team leaves the Indianapolis Football Club without a game for Sunday at this time. But Manager Joe Canning has entered into negotiations with several teams and it is expected that he will offer them another good attraction Saturday.

Practice for the Indianapolis gridsters will be held at a local athletic club to night and all players should be ready for Manager Canning at his office not later than 7:30 o'clock.

The injury received Sunday by Connor, star guard of the team, probably will keep him out of action for the remainder of the season, but all other conditions of the squad are in the best of shape. Harry

## Cue Entries Close

CHICAGO, Nov. 3.—Entries for the national three-cushion billiard championship tournament closed Tuesday with twelve players listed. The tournament will open here Nov. 12, continuing for three weeks. The players finishing first, second and third in the preliminary play will meet Robert Cannard of St. Louis, the present champion, for the title.

The list of entries follows: Alfred DePiro, John Daly and C. E. O'Leary, New York; Piers Maupome, Milwaukee; August Kiechhefer, Joseph Caprone and Charles Morris, Chicago; John Layton, St. Louis; Clarence Jackson, Kansas City; C. A. McCourt, Cleveland; Jesse Levan, Denver and Hugh Hall, Toledo. The winner of the tournament and the runner-up will receive \$1,500 and \$1,000 respectively.

## NO SICK LIST AT BUTLER NOW

Christians in Top Form for Championship Battle With Franklin Saturday.

Coach Pat Page is driving his Butler gridsters strenuously this week in preparation for the contest with Franklin Saturday, the most crucial on the 1920 Blue and White schedule. This game will mark the next to last appearance of the gridders on the home lot this season.

Rose Poly will be tackled the following week at Terre Haute and Chicago College will supply the opposition for the last game of the year on Irwin field, Nov. 25.

Behind closed gates the Butler mentor is sending his athletes through their paces in long drills and, for the first time this season, it appears that Page will be able to throw a complete line-up of regulars at an opposing eleven. The injured men are rapidly rounding into shape and by Saturday they should be able to travel the entire route at top speed.

Plans for taking care of one of the greatest crowds that ever pushed its way into Irwin field are being made, as the contest is attracting more attention than any Butler game of the year.

The regular Butler backs, Graham, Paul Brown, Klier, Bastian and McClain, are all ready to start and it is a toss-up as to the men that will be Page's choice to oppose the Baptists. The return of Capt. Paul Brown, who was a factor in the season with Shortridge, Nov. 24, in the final game of the city championship series.

Shortridge handed Brazil a neat thrashing and the Manual followers are confident that the South Siders can turn the pieces for the past two days while their own forward wall has held like stone.

Several youngsters on Manual's second team have been showing a world of stuff in scrimmages with the varsity and there is a possibility that some players will be switched before the season closes.

## BAPTISTS HOT ON BULLDOG TRAIL

FRANKLIN, Ind., Nov. 3.—With the 1920 I. C. A. L. gridiron championship at stake, the Franklin College gridders are going to put up the toughest battle of the season when they meet Pat Page's fast-going Butler Bulldogs on Irwin field Saturday.

Earlham is next on the Franklin card after Butler, but the Baptists are not setting a worry them a little bit, because Butler has defeated Earlham and a victory over Butler will put the big four in Franklin's cap. On the other hand, a defeat at the hands of Butler will throw Franklin on the rocks, regardless of how the Earlham scrap works out.

While every man on the Franklin squad will be in shape to battle for a victory over the Blue and White team, Kingsolver, quarter back, and Strohl, end, will be looked to for the feature work.

Kingsolver is perhaps the best field general in the I. C. A. L. and one of the best open-field runners in the same class. The Butler men will have to keep close tab on the "King" Saturday or he will offer the fans many thrills with his line jaunts.

Strohl is expected to help Franklin a lot from his wing position. He is a right hander and a little bit of a kicker. The Butler men will have to keep close tab on the "King" Saturday or he will offer the fans many thrills with his line jaunts.

The Marpletons have several open dates and would like to hear from fast city or State teams desiring to meet them. Address H. W. Heuser, 118 East Ohio street.

## LOOKING EM OVER With EDDIE ASH

The Democratic team had a hard-working pitcher in the box, but he was not given the proper support.

In other words, the Republicans staged a bait and ran wild on the bases.

Well, we are glad THAT'S over.

Now the grid warriors can jump back into the limelight and proceed to settle the football supremacy in various localities.

Jack Dempsey has consented to give Jess Willard a return bout. Since Jess was almost slain in the previous bout, he'll probably be stretched out in the parlor with the shades drawn after Jack finishes with him the second time.

However, Jack may have been kidding when he announced the match. He was in Montreal at the time and any statements issued by Americans while in that city are not to be taken seriously. Americans do not go to Quebec this time of year to gaze at the scenery.

Senator Harding must have been astride Man-o-War during the campaign race. He breezed home without even a brush in the stretch.

When Babe Ruth went to Cuba, Jack Dempsey promptly hiked for Canada and

## Husker Backs Pound Rutgers' Line, Taking Decisive Win, 28-0

NEW YORK, Nov. 3.—The University of Nebraska football team by use of straight football defeated Rutgers here Tuesday at the Polo Grounds, 28 to 0. Nebraska pushed the ball to Rutgers' one-yard line to start the game, where they were held for downs. This was the only time the New Jersey team was able to hold.

Nebraska scored twice in the second quarter, Hartley smashing through Rutgers' forwards from the five-yard line and Swanson springing fifteen yards with Hubka's forward pass.

Rutgers showed new life in the third quarter and made several long gains through the Nebraska line, but the West-coasters tightened up and recovered a fumble which started them down the field for their third touchdown. Moore plunging through from the three-yard line, Nebraska's other touchdowns was made on a fluke, when Swanson luckily caught Dale's pass after two Rutgers' players had touched the ball in the air. Day kicked each goal for Nebraska.

Nebraska plays Penn State at State College, Pennsylvania, Saturday.

State Three-Cushions

Harry Cooler and Fineran were the winners in the state three-cushion billiard tourney Tuesday at Cooler's parlor. Fineran won the afternoon contest from Fitzgibbon, 50 to 42, in seventy-nine innings. The winner had a high run of five, while the loser's best count was four. Cooler defeated Fineran in the evening match, 50 to 35, in eighty-one innings, having a high run of five. Fineran's best was a four. Tonight Vogler and Wildman clash.

## LOCAL ALUMNI OF NOTRE DAME WILL SEE TILT

Old Grads and Fans Forming Party to Witness Purdue Struggle.

### LEAVE FRIDAY NIGHT

Members of the Indianapolis Notre Dame University alumni held a luncheon meeting at the Chamber of Commerce today, at which plans for chartering special coaches for the conveyance of local admirers of the Gold and Blue eleven to South Bend for the Purdue-Notre Dame game Saturday were instituted.

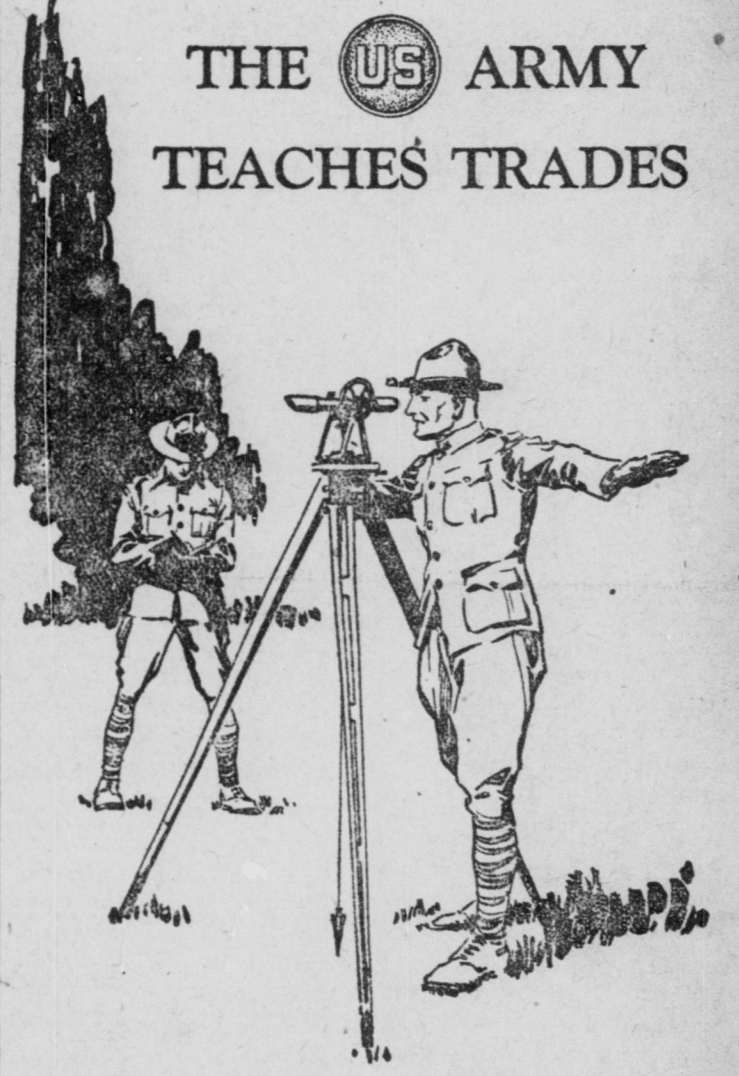

The Saturday battle will be the first of the Indiana championship elimination series and the Indianapolis alumni, along with a great number of Indianapolis fans, will be on deck to help the Irish warriors from the side lines.

It is believed that approximately 200 fans will make the trip, but there is no limit to the number that can be accommodated and everybody is welcome. Leo Welch and Logan Lennahan are two of the big boosters behind the movement, and all persons desiring a place in the party should get in touch with either of them as soon as possible.

Present plans call for the party to leave in special coaches attached to the 5:30 train out of Indianapolis Friday evening. This will get the rooters in South Bend in time for the big game Saturday night, leaving for home at 9 o'clock Sunday morning.

It is also planned to reserve a special (Continued on Page Nine)

Are you a skilled man? Are you satisfied with your job and your prospects?

Have you ever wanted to be a surveyor—or radio operator—or to hold down a technical job?

There's where the big pay is—and getting it is only a matter of knowing enough.

If you want to know more, the Army is a great place to learn.

A soldier has a chance to learn to be expert in one of many technical jobs. He earns a good living while he's studying. He has money in his pocket at the end of every month. It doesn't cost him a cent to fit himself for a "big-pay" job when he goes back to civil life. And he sees new places and faces while he's earning and learning.

It's a good job—an unusually good job as jobs go, nowadays—and it is a way to a better job afterwards.
