

TIGERS HOLD FINAL SCRIMMAGE FOR CENTRE GAME; TWO BASEBALL SESSIONS NEXT WEEK

TWO MEN FOR EACH POSITION IS BUSS PLAN

De Pauw Coach Coming to Indianapolis With Plenty of Talent for Centre Fray.

STUDENTS TUNE YELLS

GREENCASTLE, Ind., Nov. 4.—With "get Centre next" as their slogan, members of the De Pauw football team went through their last hard scrimmage in preparation for the Centre game Wednesday afternoon on determination to give the Colonels the fight of their lives at Washington Park, Indianapolis, Saturday afternoon.

Regulars of the De Pauw squad were matched against a scrub team in the final scrimmage. The scrubs made use of some Centre players, but they were nothing against the De Pauw team, which was keyed up to the last notch. New plays, which have been introduced by the regulars during the afternoon. The improved condition of McKenfeld, who was injured in last-minute scrimmage, was a factor in the De Pauw victory. The weather, helped materially in the practice.

BRYAN ONLY COMPLETE IN SQUAD.

During the final practices, only short signal drills will be held along with training in running down under punts and catching forward passes. Coach Buss is taking no chances of having some of his men injured in last-minute scrimmages. To avoid this, he has put the squad, with the exception of "Bill" Bryan, in excellent physical condition. Bryan received an injured knee in Tuesday's practice which probably will keep him out of the game Saturday. He has been playing in the line in recent scrimmages.

Coach Buss has developed several good men for each position during the season which will stand him in good stead in case of injuries. In the backfield are Schmidt and Galloway, two formidable full backs. Krueger, Sluts, Adams and Walsh as halves, and O'Neil and Norris for the quarter back position. In the line are Monahan, Kepner, and McCann for the end berths; Vandervoort, Morgan and Bryan as tackles; Hirt, Fischer, Yeager and Wachter as possible guards, and Orden, Claypool and Vandenberg at center.

SPRINGFIELD MEN AID TO TEAM.

In Galloway, Kepner, McCann, Sluts and Adams, Coach Buss has a combination of versatile players who can fill any one of several positions.

As the time for the game draws near, it is planned to have "pep" teams on the De Pauw campus to arouse the Old Gold students for the great tilt. Plans already have been made for a student parade when the Tiger special arrives in Indianapolis Saturday morning. By Saturday night, all of the Indianapolis football fans probably will be able to give the "old series."

CENTRE 'BEAR' YARN'S REPUTED

Football "bear" stories which have been coming from Danville, Ky., about the slaughtered condition of the famous Centre football team, have been largely proven mythical by Guyer, an Ripper, chairman of the De Pauw athletic board, who, with three long distance telephone calls to Danville, found that McMillen, Roberts and Weaver would actually be in the De Pauw game here next Saturday.

Press stories coming from Danville have been to the effect that both Roberts and Weaver were so badly battered up that they were both in the hospital and that they probably would not be able to get in the De Pauw game at all.

Van Ripper first talked to the two Kentucky newspapers and finally talked with Robert L. Myers, director of athletics at Danville.

Myers admitted to me that, although his team was in a battered shape, following the two hard games with Harvard and Georgia Tech, that they would be able to put up a solid front Saturday.

He said Van Ripper. He admitted that there was nothing at all the matter with McMillen, although Roberts and Weaver had been pretty badly hurt and that he was coming to realize that they have got a little harder task than they have had in the past. He said that he was coming to realize that De Pauw was being coming up.

Valparaiso made nearly as good a job as against Harvard as Centre did, and De Pauw whipped the Valpo team last week at Greencastle.

Coach Buss of De Pauw has announced the officials for the Saturday game as follows: John McKay, Westminster, referee; Hose Clark, Indiana, umpire, and Ralph McCord, Illinois, head linesman.

BOXING

MORE BIG FIGHT NEWS FRIDAY

NEW YORK, Nov. 4.—Promoters of the Dempsey-Carpenter heavyweight championship fight decided last night that this contest would be preceded by one between Jack Dempsey and Jess Willard. The return match between Dempsey and Willard is to take place March 17, according to a statement made by Dempsey in Montreal yesterday.

It is known, however, that such a match has been in the making for some time and a definite announcement is expected to follow the formal signing of the Dempsey-Carpenter contract Friday.

Willard and many of his supporters have been clamoring for a return battle against Dempsey, but tentative arrangements made since Monday night were sidetracked for the Dempsey and Carpenter match.

It is stated on good authority that the Dempsey and Carpenter contract will permit Carpenter to engage in feistic battles in Europe and Dempsey in America before their clash next summer. Neither can invade the pugilistic territory of the other prior to the championship fight scheduled to return to New York late tonight from Montreal, and it is expected that at least one of the two is returning to be on hand to sign articles for the match with the promoters tomorrow.

At the same time, it is believed that the Dempsey and Carpenter match is being sailed for France.

BOSTON FANS FEARED. BOSTON, Nov. 4.—Local fans are irate at the reported plan of Tex Rickard to match Mike O'Dowd and Jeff Smith in a battle at Madison Square Garden for a "middleweight championship belt," thus attempting, they allege, to "rob" Wilson of the honor he achieved in his victory over O'Dowd in this city.

It is declared that O'Dowd and Smith will post \$2,000 each as a forfeit. It is predicted here that the alleged plan is a ruse, as Wilson was the title in a fair, clean fight. Wilson has been suffering from a broken nose and has lost a substantial sum of money as a result. He will be seen in the ring as soon as he is able to appear.

SHARKEY HURTS WRIST

NEW YORK, Nov. 4.—Sharkey will be unable to meet Joe Lynch in the fifteen-round bout scheduled for Friday night in Madison Square Garden. Sharkey sprained his wrist in training and will be unable to work for two weeks. Promoter Tex Rickard has substituted Abe Goldstein and cut the price in half.

ZBYSKO VS. CADDOCK.

CHICAGO, Nov. 4.—Stanley Zbyzsko and Earl Caddock will meet in a finish wrestling match in Omaha on Thanksgiving day. Promoter Jack Lewis is offering a purse of \$12,000 for the contest.

Zbyzsko has agreed to give Caddock the entire purse if he can secure even one fall.

BRITTON VS. LUX.

KANSAS CITY, Mo., Nov. 4.—Jack Britton, welterweight champion, and Morry Lux, holder of the Pacific coast title in that division, have been matched for a ten-round bout here Nov. 23.

MAJOR LEAGUE FACTIONS NEAR COMMON PLAN

Agreement on New Government Coming Next Week, Is Belief Now Prevailing.

ASK MINOR COOPERATION

By JACK VELOCK, International News Sports Editor.

NEW YORK, Nov. 4.—Baseball will undergo a major operation next week. The old and ailing government of the game will be removed to make room for a new and more popular one, and according to indications today, the operation will be accomplished peacefully.

The minor league magnates will head for Chicago tomorrow. On Sunday the National League will hold a meeting there and on Monday the club owners of both leagues, including the five American Leagues, will get together to discuss plans for reorganizing the government of the game.

COUNCIL PLAN FROM JOHNSON. President John Heyler of the National League, with his eight club owners and the owners of the Chicago, New York and Boston American League clubs, are on record as favoring the "Lasker plan" for reorganizing the game. The Johnson faction, which is headed by the late John Johnson, is in the minority.

At its recent meeting the latter faction indicated that it would stand for a new government of the game and it is being freely discussed in baseball circles here today that the major leagues will get together. As a matter of fact President Heyler has issued a second invitation to all major league owners to meet Tuesday.

According to present plans the big league owners are to choose two members of a new board of control for baseball at the National Association of Professional Baseball Players, which will be held after which they will go to Kansas City, where the National Association of Professional Baseball Players will hold its annual meeting. The new governing body of the game is scheduled to meet Tuesday.

Minor leagues will be asked to cooperate with the majors in establishing the new government of the game and the Johnson faction will name a third member of the new governing body. This plan will be carried out, it is said, unless the Johnson faction has a better one to offer.

TALK OF WAR HAS SUBSIDED. Talk of a baseball war and the formation of a new twelve-club league by the eight National and five American League owners has subsided, but in case Johnson's faction refuses to attend Monday's meeting there is no telling what may happen. They are openly "We realize that a twelve-club circuit would be far from ideal," said a prominent National League official, "but it would be vastly better than to go on as we have been doing."

Following the election of officers for the reception of the Irish eleven here were instituted, and arrangements were made to run a special series of home-coming games between Notre Dame and Purdue at Notre Dame Saturday.

The special train leaving the Union station at 5:30 o'clock Friday evening, arriving in South Bend at 9:45.

The Notre Dame alumni and the Knights of Columbus will occupy a section of the grand stand at the Indianapolis game here Saturday.

The bulk of tickets for the game were placed on sale this morning at the Claypool Hotel drug store. The prices will be \$1.00 for admission, \$1.50 for the grand stand and \$2.50 and \$3 for the boxes.

QUAKERS RIDING HIGH HORSES. RICHMOND, Ind., Nov. 4.—With only two more games remaining on the schedule, the Quaker footballers have thrown the speed throttle wide open and are ready to race down the stretch to a thoroughbred under the lash.

Michigan Normal and Franklin are the opponents Earhart has yet to meet and the Quakers are confident of victories in both cases. Michigan is here Saturday and will find Coach Nichols' team ready to put up the battle of their careers to win.

Earhart has been training hard for the Michigan team's coming and Mowbe has been in the defensive line, which will hold its own in the toughest battle, and an offensive combination that will surprise even Quaker fans.

Center and Guard Out of N. D. Lineup in Saturday's Game

Larson and Smith Not Ready to Perform in Purdue Battle.

PURDUE BUILD PASS DEFENSE

LAFAYETTE, Ind., Nov. 4.—Coach Scanlon has been working untiringly this week in an effort to shape the Purdue football team that a commendable showing may be made against Notre Dame in the tilt at South Bend next Saturday. The Bollermaker mentor is fearful of the passing prowess of George Gipp, who clipped the Bollermakers last year, when he demoralized the Purdue team.

Scanlon is therefore spending most of the time in an effort to build up a defense to combat the crafty Gipp. Russell Miller, the Purdue tackle, who has been out of the game all season because of a knee injury, is being worked hard in the line-up Saturday. The Purdue squad is in good shape physically and will give the Irish a real battle.

Kirkhoff opened with a 245 and closed with a 235 for the Bears.

Coker and Miller each had a combination of double centuries to contribute to the Lulu Bona cause.

Olsen of the Sterling Stones was off to a bad start, but his second and third games told stories of strength and skill.

Whetstone bowled over 213 for the Heller Coals and became one of the big boys of the night.

Baumbach looked miserable on the get-away, and his friend's good effort was a relief to him upon his return. We didn't think they made three-games totals as small as his.

BOOSTERS PLAN FOR BIG GAME

K. of C's Get Together With Crimson and Notre Dame Committees.

The committees from the Indianapolis Knights of Columbus, the Indianapolis Notre Dame Club and Indiana University alumni are working jointly and separately on plans for boosting the Notre Dame-Indiana football game to be staged at Washington Park, Saturday, Nov. 13.

This contest, in all probability, will decide the collegiate championship of the State, and it is expected that the largest crowd of the season will witness the battle.

At a meeting at the Chamber of Commerce yesterday, Al Perney, former star athlete at the South Bend school, was elected president of the Indianapolis N. D. alumni. Robert O'Brien was elected vice president, Robert O'Connor, secretary, and Thomas Jones, treasurer.

Following the election of officers plans for the reception of the Irish eleven here were instituted, and arrangements were made to run a special series of home-coming games between Notre Dame and Purdue at Notre Dame Saturday.

Center and Guard Out of N. D. Lineup in Saturday's Game

Larson and Smith Not Ready to Perform in Purdue Battle.

NOTRE DAME, Ind., Nov. 4.—Notre Dame will meet Purdue Saturday with-out the services of Center Larson and Guard Smith. Both were injured in the West Point game and have been ordered to discard their mole skins for ten days at least.

Smith was hurt on the first play of the Army game, but fought through the contest.

The proposal from Georgetown for a post-season game with Notre Dame on Dec. 4 found no favor here. Rocke said that by that time his men conclude their schedule and will merit a rest. Rumors of a Penn State-Notre Dame game could not be confirmed.

BOWLING

The Hoofs put up a mean battle to win two games from the Eyes in the Elk circuit last night.

Eyes won the second game when Speicher walked away with a 223 count and a 212.

Westover slipped a 203 in between a brace of this ones.

A pair of double centuries by Mescal and more good work by the rest of the boys brought the Elks two wins over the Antlers.

Ears shot three 900 totals to knock the Shln Bones for a row.

Shln Bones took high game laurels with a 923.

Kirkhoff opened with a 245 and closed with a 235 for the Bears.

Coker and Miller each had a combination of double centuries to contribute to the Lulu Bona cause.
