

CHICAGO'S MAYOR CLOSES CABARETS

Crusade Linked With Federal Agents' Drive

CHICAGO, Nov. 5.—Ten cabarets, including several of the most noted entertainment places in Chicago, are to be closed by Mayor Thompson for alleged "tiling of the lid," according to reports at the City Hall today.

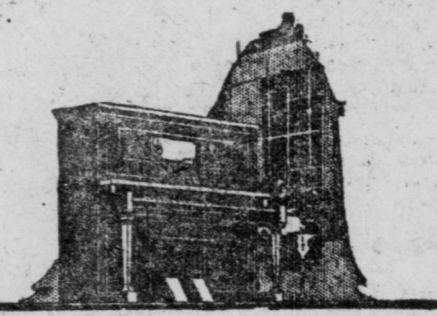

Reported liquor selling, gambling and catering to women of the underworld will be grounds for the mayor's action. Licensees of Colosimo's and Ike Bloom's "Midnight Frolics," two of the best known cabarets in the city, already have been called by the mayor, who has emphatically rejected strong pleas to re-store the licenses.

Mayor Thompson's crusade against cabarets is coincident with a determined drive by Federal officials and the police against illegal liquor selling. Thirty-five saloon keepers are reported to have confessed to District Attorney Clyne their knowledge of a \$3,000,000 whisky plot involving more than 100 men. Several Federal officials and policemen are said to be involved.

HOROSCOPE

"The stars incline, but do not command."

SATURDAY, NOV. 6.

Astrologers read this as an unimportant day. Saturn dominates the planetary government by an evil aspect.

There seems to be a threatening sway for all the resources that are buried in the earth. This may mean that there will be trouble over iron oil and coal supplies during the winter.

The aged partake of the sinister influence of the day, and should safeguard their health as well as their feelings, for they may be sensitive to both disease and unkindness.
