

WHEN A GIRL MARRIES

A New Serial of Young Married Life

By Ann Lisle

CHAPTER XCV (Continued)

"Do you really like my black and gold living room, Anne?" asked Virginia, with a friendly air, indicating that his opinion really mattered.

We had come in from her first dinner party in her new home. Jim and Anthony Norreys and Terry and Sheldon Blake were having their cigars in the dining room—an old-fashioned custom which Virginia seemed to like. Virginia, Phoebe and I had gone back to the living room to chat for a bit until the men joined us.

QUESTIONS AND ANSWERS

(Any reader can get the answer to any question by writing the Indiana Daily Times, Information Bureau, Frederic J. Haskin, Director, Washington, D. C. This offer applies strictly to information. The bureau cannot give advice on legal, medical and financial matters. It does not attempt to settle domestic troubles, nor to undertake exhaustive research on any subject. Write your question plainly and briefly. Give full name and address and enclose 2 cents in stamps for return postage. All replies are sent direct to the inquirer.)

ELECTION CAKE.

Q. Can you give me the recipe for old-fashioned election cake?

A. The recipe for Hartford Election Cake calls for five pounds of dried and sifted flour, two pounds of butter, two pounds of sugar, six gills of home-made yeast, four eggs, half an ounce of nutmeg, two pounds of fruit and a quart of milk. Rub the butter into the flour, add half the sugar, the yeast, half the milk (scalded and cooled to lukewarm), then the eggs and nutmeg. Beat well, add the remainder of the milk. Beat well and add the sugar, spices and fruit. Let rise three or four hours until very light; then bake.

BASEBALL VERNACULAR.

Q. What is the origin of the word "southpaw"?

A. The probable origin of this word is in the game of baseball. The diamond is usually laid out so that the pitcher's left hand is approximately toward the south. A left-handed pitcher became known as a southpaw, and then the term crept into general use.

DIRECTION BY WATCH.

Q. How can I tell direction by a watch?

A. The Coast and Geodetic Survey has pointed out the hour hand of a watch to ward the sun. Half way between the watch and the 12 o'clock mark will be South.

BEARDLESS INDIANS.

Q. I have never seen an Indian with a beard or whiskers. Are they a beardless race?

A. Most Indians would have a slight to moderate growth of beard and mustache if they allowed the hair to grow. Beards are not wholly unknown. Some of the Mexican Indians have full beards, the Guaranys, and the Cashibos of the upper Ucayali are bearded.

THE WINTER SEASON.

Q. What is the winter season as recorded by the Weather Bureau?

A. The Weather Bureau says that the winter season is recorded from December of one year to February of the following year.

CURRENT IN VACUUM.

Q. Will an electric generator generate current if placed in a vacuum?

A. The Bureau of Standards says that an electric generator will generate current if placed in a vacuum.

DEMAND FOR OPERATORS.

Q. Is there a demand for wireless operators?

A. There is such a demand. The United States Shipping Board is in immediate need of qualified operators, and the navy has a demand for men who possess a first-grade commercial license issued by the Department of Commerce.

In accordance with the new wage scale recently established, the first operator is paid \$125 per month, the second operator \$100 per month, in addition to all expenses. The radio operator is considered an officer and is provided with superior accommodations.

Teamster's Life Saved

Writes Letter That Is Worth Reading Very Carefully.

Peterson Ointment Co., Inc., Buffalo, N. Y.: I was afflicted with a very severe case of hemorrhoids for years. I tried all medicine and salves, but without success. I tried doctors, but they failed to cure me. I could not sleep for many nights from pain. Doctors said I could not live for more than two years. Finally, Peterson Ointment was recommended to me, and by its use the sore was entirely healed. Thankfully yours, William Haase, West Chicago, Ill., March 22, 1919, care of Reitz, Box 390.

Peterson says: "I am proud of the above letter and have hundreds of others that tell of wonderful cures of Hemorrhoids and Skin Diseases."

Peterson's Ointment is 35 cents a large box, at all druggists, and there is a broad-minded druggist in America that would not refuse to mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.—Advertisement.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in uric acid, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Advertisement.

"I love the room. It's just right for you, Virginia—rich, but not gaudy," I laughed.

"And you'll forgive me for having our coffee right at the table and leaving the men to smoke in peace? Somehow I like this recess from partying much better than the new custom of having the coffee in the drawing room with smokers for women, too," added Virginia.

"I hate 'em both!" burst in Phoebe pettishly. "The custom's as gloomy as this room."

Virginia placidly ignored this outburst—but I was as amazed as if a pet lamb had snarled at me. And I scrambled around in my mind to find a topic that would "clear the air."

Over on a black-onyx console table stood a basket of silver filigree brimming with dark crimson roses. Tied to the stem with a blue ribbon was a mass of tiny pale pink sweetheart roses.

"What a glorious mass of color!" I cried. "It just matches you, Virginia, and it sets off your room."

"There! I said you didn't send 'em," said Phoebe, still employing her rasping tone. "Didn't I tell you that they couldn't come from Anne—it takes a man to think up such things."

"It doesn't matter. The donor wanted them to be anonymous—so suppose we stop trying to forget him or her out, Phoebe," replied Virginia.

"But I'd like to know," persisted Phoebe hotly. "I'm not such an iceberg as you. I have feelings, though I think you'd like to believe that I'm as cold."

Her tirade was interrupted by the maid, who came in timidly and said:

"Please, Mrs. Dalton—have you been trying to get long distance, because they say that forty something—I just couldn't make out what—don't be answering."

At that a great change came over Phoebe. She leaped to her feet and muttering that it was a mistake, but she'd fix it, the child rushed from the room.

"Virginia, Phoebe's not like herself. Is it about Neal?" She seems to be so bitter!" I cried. "Perhaps she's still thinking of a black-onyx console table that she may care more deeply than we know."

Virginia smiled with a touch of the hauteur and arrogance I hadn't seen for many days. But when she replied her words were kindly enough—Copyright, 1920.

DAY AFTER DAY FOR NEARLY TWO YEARS RESIDENTS HERE HAVE TOLD AMAZING STORIES

Only a Few of the Scores That Have Been Given in City

The following statements—only a few of the scores that have been given—from well-known and respected Indianapolis people, reveal Trutona's remarkable merit as a treatment for stomach, liver and bowel troubles, and as a reconstructive agency, system purifier and body invigorant—in other words, a most efficient upbuilding tonic which so many thousands of people need at this particular season of the year.

"Trutona has proven to be the one medicine that reached my case and I simply feel like a new woman in every respect now," says Mrs. Myrtle Herman, 831 South Chadwick street, Indianapolis. Mrs. Herman had suffered from a severe case of nervousness.

Dr. A. J. McDonald, No. 8 East Poplar street, Indianapolis, says: "I know of no other medicine I could recommend to aged, weakened and rundown men and women that would equal this tonic Trutona."

"The last time my husband went to the drug store they tried to sell him a different preparation but he insisted on Trutona because he knew how much good it was doing me," says Mrs. B. P. Barckdall, 2640 Ethel avenue.

"I think there are at least six people—maybe more—right here in this one house who have used Trutona and they all speak a good word for the medicine," says Mrs. Ellen Simpson, who operates a rooming house at 501 Birch street.

Frank Hooker, 709 South West street, says: "I think I had taken a barrel of preparations but just one bottle of Trutona has done me more good than all of the others combined." Mr. Hooker had been suffering from pleurisy and rheumatism for two years.

Trutona is sold in Indianapolis at the Hook Chain of Dependable Stores and at O. W. Brooks' Drug Store, Pennsylvania and Ohio streets, and by all good druggists everywhere.

FAMOUS NERV-WORTH WILL NOW BE INTRODUCED HERE

SOME FACTS YOU SHOULD KNOW
For ten years Nerv-Worth has been giving entire satisfaction wherever sold.
Public faith is strengthened by the maker's guarantee—YOUR MONEY BACK IF YOUR FIRST BOTTLE DOES NOT PRODUCE BENEFITS.

Nerv-Worth is endorsed and recommended by Doctors, Druggists, Preachers, Judges, City Officials, Public Performers, and people from all walks of life, millions of whom have received wonderful benefits.

The majority of ills are said to be due to nervous afflictions and digestive disorders. Nerv-Worth successfully gives benefits because it acts on both NERVE and STOMACH disorders, and thus gives results where others fail.

Nerv-Worth is made in our own sanitary laboratories after a scientific formula, and contains extracts of roots and plants, which for years have been considered of highest value by medical science. It complies with all Pure Food and Drug Laws of the United States.

ENDORSED BY PHYSICIANS

RECOMMENDED BY DRUGGISTS

"I consider Nerv-Worth a wonderful remedy. It is giving the best of satisfaction, and our sales have exceeded our expectation," said George W. Clawson, druggist at Troy, Ohio.

"In 45 years of business, we have never sold anything that equaled Nerv-Worth as to results, and the amount sold," says the Troupe Drug Co., Springfield, Ohio.

DR. N. B. FERGUSON said "Nerv-Worth is truly a great remedy. I have tested it professionally in my practice and actually and practically in my family. It gives me pleasure to recommend it to the general public. It, in my opinion, will prove a great boon to the sufferers for the troubles for which

It is intended to be an ameliorative remedy."

DR. G. W. ADAMS said "I can recommend Nerv-Worth for nervousness and indigestion, or any ills which attend neurasthenia."

If you are run down, half sick, nervous and irritated, or if you are sleepless, have a sour breath, suffer from gas on the stomach, belching, stomach pains, nervous moodiness, or depression, take Nerv-Worth and let it help restore your help. It is sold on a money back guarantee. Take a bottle according to directions and if you are not satisfied, your money will be cheerfully refunded.

Sold on a money back guarantee by all leading druggists everywhere.—Advertisement.

My stomach was all knocked out, my appetite was poor, and my digestion was in bad condition. I saw Nerv-Worth statements of well known people and bought a bottle and after taking it, began coming back to my normal vigorous condition, and I am now all right in every way. Nerv-Worth is a wonder."

Thus said Mr. Williams of the Elyria health department, who resides at 1015 East avenue, Elyria, Ohio. If you suffer from any of the ills due to derangements of the stomach or nervous system, or if you are in a general run-down condition, you will find as thousands of others have found, that Nerv-Worth will soon re-

store you to good health. Nerv-Worth neutralizes poisonous acids, stops gas forming, aids digestion, and helps effectively the whole digestive system. It also gives nerve force, banishes sleeplessness, tones and invigorates the whole system. For many years it has proved one of the most successful remedies ever placed on the market and it bears the endorsement of doctors, druggists, health officers, preachers, lawyers and men and women from all walks of life. It's equally good for young or old, contains nothing harmful, and is pleasant to take. Buy a bottle of Nerv-Worth, take it according to directions, and if you are not satisfied, your money will be cheerfully refunded.

Reliable Old Home Remedy Will Now Be Sold in This City and Throughout Indiana, Where It Will Doubtless Evoke the Same Mammoth Demand That It Has in Other States—It Has Built for Itself a Reputation by Merit Alone—Proof of Its Reliability Found in the Fact That It Is Sold on a Money-Back Guarantee. Acting Jointly on Nerve and Stomach Disorders and as a Tonic, It Gives Results Where Others Fail.

Nerv-Worth justly termed by millions of satisfied users "The Miracle Medicine" and which has accomplished such remarkable results within the last 10 years, wherever sold, is now being introduced by a mammoth educational campaign throughout the State of Indiana, and will be sold by all leading druggists and distributed throughout the State by Mooney, Mueller and Ward, wholesale druggists of Indianapolis. Although sold in this state for many years, it has never been extensively advertised and for that reason, many people have not had the privilege and opportunity of learning what a wonderful remedy it is. The people of Indiana are entitled to know more about this remarkable medicine, and for that reason this mammoth campaign has been opened in leading newspapers throughout the state, and distribution has been arranged for in practically every city, town and village in the state. Nerv-Worth has built for itself an enviable reputation in past years by merit alone. It has become a household staple in thousands of homes, because it has given the desired results when other preparations have failed.

Public Faith Strengthened by Maker's Guarantee
During the many years that Nerv-Worth has been on the market it has been sold on a distinctive plan, every first bottle guaranteed. The makers of Nerv-Worth know that Nerv-Worth has real merit and does produce results. For that reason, if after the customer has taken the first bottle, and benefits are not satisfactory, the druggist is authorized to refund the money. This remarkable offer has given the public faith, and through the many years of its existence Nerv-Worth's results have proved that such an offer is not unwarranted. The unequalled merit of Nerv-Worth has been the talk of every community where it has been sold. People from all walks of life have voluntarily rendered it praise by giving signed statements. Some of these are printed herewith, others appear in the papers every day.—Advertisement.
