SMILES ARE GOOD

They help folks endure the high cost of living and other troubles. Therefore SMILE, SMILE, SMILE! But have you thought what an important part of a smile your teeth are? A smile only has its maximum value when it discloses clean, bright, white, shining, glistening, well-kept teeth.

We will help with the teeth part. Making bad teeth good and attractive is where we shine. And when you pay our charges it doesn't ruin your smile.

DOG HILL PARAGRAPHS

The storekeeper at Bounding Billows, who wants to keep his women customers, finds he is bound to reduce the price on dress goods, even if he has to cut a few inches off of his yard stick.

Poke Bazley was forced to go to Bounding Billows yesterday with his wife on a perilous shopping expedition. He would have got lost after he arrived there but the town wasn't big enough.

Miss Peachie Sims says Ellick Helwanger has got to do a lot of settling down before the girls will think about marrying him, as he is still so unsettled in his ways he hasn't even decided yet on how to part his hair.

Many Ducks, Geese on Whitewater River

Special to The Times.
MILTON, Ind., Nov. 12.—Wild ducks are plentiful along Whitewater River at this place, one hunter bringing down five in a short time. Many flocks of wild geese have been passing over during the last few days. Several geese, apparently lost from the flock, flew down in the dooryard of Walter Templin. Their squawking awoke many citizens of the town.
