

## WABASH AND DE PAUW ELEVENS IN THE NEXT WASHINGTON PARK FEATURE ATTRACTION

RIVALRY GAME  
SURE TO GIVE  
FANS THRILLS

Another Sensational Contest Is Promised Between Scarlet and Tiger Teams.

## TIE IN LAST BATTLE

De Pauw and Wabash will provide the football attraction at Washington Park next Saturday, and it is believed that their game will prove one of the headliners of the 1920 show.

This game is an annual affair and the Tiger and Scarlet athletes are groomed for it like they are groomed for no other.

De Pauw has a great chance to win the game, but not a bit more than has Wabash. The Tigers have tackled some tough opposition this year in Purdue, Valparaiso and Centre and have nothing to be ashamed of in their work against the Boilermakers and the Cardinals. They gave Purdue a battle that the Boilermakers will not forget in a hurry, won on a forfeit from Valpo, and held Centre by the nose until several injuries forced their combination.

Wabash did not enjoy the good start that the Tigers had, but they found the two teams in line along like a championship combination. Chicago found Wabash easy early in the season, but Purdue has been the most difficult team to handle. The Boilermakers were pushed all over the field by Coach Vaughn's crew for the first three periods of the game, but each time Wabash held the lead, but Purdue managed to slip over a meager victory in the last moments of going.

The Wabash half back, Seldentz, Wabash half back, will be one of the interesting points of the battle for local fans. Seldentz received his first training at Technical High School where he was a track, basket-ball and baseball star. This is his first year of college football, but he is proving one of the mainstays of the Wabash back field.

Indianapolis Plays  
Snappy Game to Win  
Alexandria Battle

An offensive drive that was as clever as anything ever displayed by a professional grid team in this city, brought the Indianapolis Football Club a 26 to 0 victory over the Alexandria Tigers, champions of the northern Indiana championship, at Washington Park, yesterday afternoon.

The Tigers kicked on to Indianapolis and took the surprise. A White squad less than a minute to hustle the ball down the field to the twenty-five-yard line, from which Yott threw a pass to Gray, who paraded on over the goal line. Yott scored.

Yott scored the second Indianapolis touchdown in the next period. Ferre missed this goal. Shortly after the third period, Ferre, who had had the Gray's place on the wing, nabbed a distance pass from "Chief" Platero to register the third touchdown. Ferre kicked good.

The feature play of the contest came in this period when Ferre was called back from tackle to shoot around right end on a trick play. The Indians threatened to score, but Ferre, who had the Gray's place on the wing, nabbed a distance pass from "Chief" Platero to register the third touchdown. Ferre kicked good.

The Indianapolis line was too much for the visiting back field, with Buddies and Ferre stopping every play sent through the middle of the line. Ferre had to fall in to his man several times before he could get started on end runs. Malcolat, little quarter back, was the best defensive man on the Tiger team. Alexandria was never far from the winning distance of the Indianapolis goal.

The Indianapolis club has accepted the challenge of the Fernands for a city championship game at Washington Park Nov. 26.

Hard-Fought Grid Game  
at Ft. Wayne Winds Up in Scoreless Tie

FT. WAYNE, Ind., Nov. 15.—In a bitterly fought game at League Park yesterday afternoon the Ft. Wayne Friar Club football team and the Detroit (Mich.) Huronians played a 0-to-0 tie.

The Huronians twice recovered the Friar ball down the field with Chambers and Hufnagel doing the line smashing and Redmond circling the ends until a fumble sent the ball on the high yard line.

At the end of the third period the Huronians had the ball on the 10-yard line, but again a fumble on the five-yard line stopped the march for the goal line, and Redmond got the ball down the field.

After the first quarter Ft. Wayne did not have a chance to score until near the end of the third period. The Huronians threatened but once and then lost the ball to Lowry, former Franklin College star, who played left tackle for Detroit, was knocked down by Redmond on the five-yard line and was hopelessly felled.

The punting of Redmond, former Dartmouth College star and new quarter back on the Friar club, was a feature. His average, sixty-five yards, and on his closing play he punts, sending on his own eight-yard line. Redmond booted a high spiral that sailed over the head of the Detroit back field man. The ball hit the ground and rolled down the field and Redmond got the ball on its own ten-yard line.

During the last ten minutes of play Detroit was always in trouble, but Friar coach was not wrong at critical times and Ft. Wayne did not have the punch to plunge over when the chance came to score.

HEAVY SPRING  
BASEBALL CARD

Three Major Clubs Coming  
Here—Hot Springs Men-  
tioned for Camp.

Preponderance of football interest has failed to stop the Indianapolis Baseball Club in its 1921 plans and already the team officials have arranged a meeting with the officials for Washington Park that stacks up as the best program ever presented by the fans.

The Cincinnati Reds will open the 1921 season at Indianapolis with two games against Jack Hendricks' Indians on April 6 and 7. This Speaker's world's champions, the Cleveland Americans, will play into the city the following Saturday, April 13, for a performance and on April 9 and 10 the Detroit Tigers will play here. As the wind-up to the class spring card Vice President Smith has engaged the Pittsburgh Pirates for April 12 and 13.

Indianapolis fans will certainly will rave over the program because it is seldom that major league fans get to see at the little league clubs in the spring.

Of course, the Cleveland champions will be the big attraction, but then there are numerous stars with the other clubs and all of them are expected to be well supported.

Local fans are still pondering over the results of the game when they heard the news. It was probably a case of the local aggregation going to Sheridan expecting to get only a light tourist attraction.

At the end of the year the Indians will be the big attraction. Another solution is that Coach Ehrhart's aggregation simply struck a slump.

## IN THE HIGH SCHOOL CAMPS

It was the first defeat of the season for the Technical eleven Saturday. Parr of Sheridan grabbed a Tech punt on his own ten-yard line and raced through the end zone for a touchdown, making the final count 13 to 7 in Sheridan's favor. Sheridan scored in the first period, but failed to kick good. In the third period Gregg and gave his team the lead by kicking goal. Tech was fighting hard to overcome the lead gained by Sheridan when the whistle blew.

Shortridge and Tech will meet a week from Wednesday in the last high school football game here with two games against Jack Hendricks' Indians on April 6 and 7. This Speaker's world's champions, the Cleveland Americans, will play into the city the following Saturday, April 13, for a performance and on April 9 and 10 the Detroit Tigers will play here. ## INDIANA SHOWS POWER

NOTRE DAME-PENN STATE.

NEW YORK, Nov. 15.—Negotiations for a post-season game between Notre Dame and Penn State at the Polo Grounds have been opened by the New York National League Club, according to an announcement by Secretary O'Brien.

The athletic committee of both universities will consider the invitation at meetings this week.

It was an afternoon of grid championships Saturday in the collegiate football ranks of Indiana and Notre Dame and Butler were the teams victorious.

Notre Dame won the highest honors.

Hoosier coach, on his return from a college eleven by handling Indiana, an 18-to-10 victory.

Long Beach High School management deflected acceptance of the suggestion of "Doc" Page to play Saturday afternoon, the winner of Saturday's game and the Chicago school team play here.

Al put up a mighty tilt and the Long Beachers given plenty of action. For an amateur fisticuff artist, Dempsey is a natural. He was the first to get in the ring and he had a hand expert and held his own with Dempsey at this game.

It was a letter at The Times sports department for Gutfelder George Orme of the Boston Americans.

Coming here heralded as about the best in the game and full of the old stuff that goes with big victories, the Irish seemed like a wet bee too cocky.

## Shorty drops in on New York!

HERE WE ARE, PETE!

New York  
Wednesday night.

Camped once more in the plumb centre of our old stamping grounds—rubbing elbows with the roaring racket and running flush into more electric displays, blazing posters and smashing signs that sound the joys of Camel Cigarettes than you'd ever believe could be jammed into one town!

When I hit Broadway this p.m. I'd said the Reynolds folks had transplanted "Camel City" right up here!

It seems like all New Yorkers have adopted Camels as their own personal brand! And, Pete, since this is the original Speed town, it's only what you expect when you see 'em carry a package of Camels in each coat pocket! If their right hand is busy they dig out their left hand deck—they just won't lose time getting a Camel lighted! That's the gait around here, old thoroughbred!

And, Peter, the New Yorker has his own A-1 pet reason why he's so keen for Camels! For instance, Doc Marshall will bet his car on Camels quality against any cigarette in the world! Bill James says to me:—"Shorty, there never was milder, mellow body like Camels!" And, as for Dan Boggs—he spills it that Camels are the only cigarette free from any unpleasant cigarettey aftertaste or cigarettey odor! And, he knows! Frank Frazer will tell you it's Camels wonderful Turkish and Domestic blend! And, ALL of them are right!!!

And, Pete, old proof-of-the-pudding—you tell 'em that Missouri hasn't anything on little old New York when it comes to that, "show me" stuff—on cigarettes or anything else!

Sincerely  
Shorty.
