

# BOWLING

It used to be stylish to practice and become perfect, but Ephaney and Fiedelink made the pin boys stop all afternoon, then went out and jacked the ball for the Knights of Columbus League Genoa.

Foxy Pat, balance man for the Genoa, fires at rabbits a bit better than at the maples, sometimes coming so close as to scare them into flight.

But a win's a win, no matter which or where, and the Genies thumped the Minas twice.

These Pinta boys sure tore things up while they were in there. O'Brien went for a 230 and Griffin came right behind him with 230. These scores led the league.

Doc Manion and his 200 are not to be forgotten.

"Fatty" Kelley was there to put 'em all on the pan until somebody pinned the donkey fall on Ed Quinn. It was at this time that Eddie started noticing things and "Fatty" took a furlough.

Heechem was third high for the league with a 222. Naughton and Spots went big with him and the Marquettes registered the high game total of 985.

It was hard to see Widner's midgut counts when he threw up his 230 barrel. This was high for Beam's No. 2 League.

There was only one other double century litter in the circuit, and this was Tople, a brother American Expresser.

Weatherly of the Cotton Pickers went good in the Midwest League loop. His 199 was the best little thing produced for the evening.

Grimes of the Turbines had a 196, and Mitch of the Dependable Powers was third with 193.

Laughlin went up in the century class, but seemed to like it better down below.

Just to show that a man can be rotten yet good, Weatherly, the league leader, got away with a 99.

The Ko-We-Bas had the Wholesale League honors in their pocket before the show started. Conway, Hackard and Steffen finished first, second and third, respectively, in the one-game race.

Conway had himself a 236 count. Hackard was over the big line, but Steffen couldn't make it.

Carson didn't shoot with the Mooney-Moeller crew and Hamilton-Harris won two. It has not yet been determined whether he felt it coming and got out

from under the blow, or was just lucky enough to be among the missing.

Speaking of tall scores, Fulton of the Abattori Sunnyside bested the best of them with his 244.

And don't think they didn't plaster the clubs in the Evangelical division.

Stienecker and Noffke uncorked 213 and 220 counts, respectively, for the big prizes.

Considered felt like something of a back number with his 205. He also had a 200. Watson of the Seamless five, improved about 100 per cent every time he heaved the old sphere last night, and when he dropped anchor he was the proud possessor of a 222 tally. The rest of the Bemis bowlers followed in his tracks.

Wheatley of the Burlaps, and Hamilton of the Seamless teams, came first after Watson.

The Lafayette Motorites are getting good enough to talk back to their husbands, or husbands-to-be. Miss Bouvier hit for 118, 122 and 147.

## BILLIARDS

STATE THREE-CUSHIONS.

Harry Cooler won his second contest during the week in the State three-cushion billiard tournament when he defeated Black of Anderson yesterday afternoon, 50 to 46, in 14 innings. Cooler had a high count of 50, while Black's best mark was a four. In the evening contest Black and Rubens indulged in a marathon contest, Black winning 50 to 46 in 141 innings, the record long contest of the tourney. Black's high count was four, while Rubens' best run was three. Vogler and Rubens play tonight.

CITY THREE-CUSHION.

Houseman and Head were victorious in the city amateur three-cushion billiard tourney yesterday at the Board of Trade. In the afternoon contest Head defeated Frye, 42 to 33, in 114 innings, with Head having a high run of three and Frye's best count being a two. Houseman defeated Shane by one point, winning, 45 to 40, in 14 innings. Each man had a high run of four. Tonight Mitchell and Clark play.

The team won its third consecutive victory of the season when it defeated the Western A. C.'s, 22 to 10, in a clean game. McCallie and Wilver featured for the winners. The two teams will meet again tonight at Ben Davis and the Christamore outfit hopes to keep its record clean.

EASY FOR JACK.

KANSAS CITY, Nov. 19.—Jack Britton, welterweight champion, was an easy winner in his ten-round bout here last night against Morris Lux of Kansas City.

## BOXING

DEMPSEY STARTS WORK FOR BRENNAN.

NEW YORK, Nov. 19.—Sanction of the proposed Dempsey-Brennan bout at Madison Square Garden, Dec. 14, by the New York Boxing Commission, caused Dempsey to have been doing light work aboard the naval training ship Granite State, awaiting action by the commission. The match has been made for many weeks. It was postponed several times pending official sanction.

The match with Brennan will be his second since winning the world's title. A few months ago he knocked out Billy Miske at Benton Harbor.

BOUNTS AT ANDERSON.

ANDERSON, Ind., Nov. 19.—Boxing fans of central Indiana are showing interest in the card to be staged by the American Legion here at a boxing carnival Thanksgiving night. Louis Lavell, local lightweight, and Frankie Nessir, prominent Cincinnati lightweight, will clash in the main ten-round go. Other clashes on the card are Melvin Thomas, Anderson, vs. Owrie Howard, Cincinnati; Louis Dietzen, Anderson, vs. Red Levi, Anderson; Frankie McFarland, Anderson, vs. Frankie Kessler, Anderson.

SHARKEY COMING BACK.

NEW YORK, Nov. 19.—Pete Richard, boxing promoter, has received a message from Jack Sharkey, who is in London, stating he would like to return to New York to carry out his agreement to meet Joe Lynch on that date. The winner of the Lynch-Sharkey bout will meet Pete Herman here on Dec. 21, Richard said.

GIANTS RELEASE ONE.

NEW YORK, Nov. 19.—The New York National League Club yesterday released Outfielder Griffin to the Memphis club of the Southern Association.

13 Pilots in Race

LOS ANGELES, Nov. 19.—Indicating the racing drivers' disregard of the superstitions, thirteen entries are on file for the 250-mile championship automobile races to be run on the Los Angeles Speedway on Thanksgiving day. On the entry list, which closed Wednesday night, were Eddie O'Donnell, Roscoe Searles, Eddie Miller, Jimmy Murphy, Tommy Milton, Waldo Stoltz, Al Morcher and Jim Crosby. Eddie Rickenbacker will act as referee.

## Local Football Notes

The Riverside A. C.'s are without a game for Sunday and would like to hear from any fast teams desiring to meet them. They also would like to book a game with the South Side Turners for Thanksgiving day. For games call North 9240 and ask for N. Cooke.

The Southwestern Arrows will practice tonight and all players are requested to report at Fountain Square at 7:30. The manager of the West Parks is requested to call Prospect 3132 and ask for Sam.

Jockey Stays Out

NEW YORK, Nov. 19.—Commander J. K. L. Ross, turfman, at a meeting of the stewards of the Jockey Club here Thursday, withdrew his application for a jockey's license for Carroll Shilling, barred several years ago. The former jockey, it was announced, authorized Commander Ross to inform the stewards that as long as he remained in Ross's employ he would make no further effort to obtain a hearing or a license to ride.

## TIGERS' STARS ARE ALL SET

(Continued From Page Eighteen.)

off with De Pauw will be in the best of condition. There are no "bear" stories flying from the camp of the Scarlet. Instead, Vaughan wants the Tiger outfit to know just the kind of opposition it may expect. In the back field will be Captain Thompson, Kneis and Seldensticker. Weber or Cast will start at quarter. Stasand will be seen at left end, Milstead at left tackle, Ehler at left guard, Dalrymple at center, Cash at right guard, Ahl at right tackle and Cox or Goldsberry at right end. Cox has been holding down this position the greater part of the year, but right now is not in the best of shape, due to illness.

"Butch" Burns, the athlete who got knocked out in the early part of the Tiger-Scarlet scrap last season, will be ready to get into the back field and rip things up. "Butch" is noted for his cool-headed playing.

Wabash fans here are of the opinion that three of their players have chances to make the all-State eleven this season. These players are Milstead, Thompson and Stasand. Thompson, in the back field, is one of the best tacklers in the State. He was given a big hand at Chicago early in the year, when he more than once broke through the Maroon squad and grabbed some ambitious runner. This is Thompson's last season with the Scarlet.

Stasand, the lanky and ambitious left wing of the scrappy Wabash eleven, was given a berth on one critic's all-State team last season, and was placed on the second team by two other writers. Stasand has been playing a great game all season. He is a stone wall on the defense, goes down the field fast on punts and snags many a forward pass out of the sky. It was "Stas" playing that was such a factor in Wabash holding De Pauw to a scoreless tie last season. He pulled down more than one pass for gains. It was "Stas" who intercepted a Tiger forward pass near the closing minutes of the scrap last year, putting the ball within scoring distance for Wabash. Then, after the Little Giants failed at a drop kick Galloway of De Pauw picked the ball up and started down the side lines for a long run. Stasand was there to halt him. Stasand has played real football all season. He is anxious to hook up with the Tigers tomorrow.
