### 'Seriousness Lack' One Trouble—Taft

NEW YORK, Nov. 18.—Extravagance, luxury and "a frightful lack of seriousness" are war reactions experienced by the American people, ex-President William H. Taft said in a speech here.

"But the lessons of the war have not been lost, the reaction is only temporary, I am convinced," said Mr. Taft. The speaker made a plea for education.

### Farmer Loses Arm

Special to The Times.  
LOGANSFORD, Ind., Nov. 18.—Ruben H. Thompson, 25, farmer of White County, suffered the loss of an arm in a cord shredder late Thursday. He was feeding the machine when his glove caught in the roller and his arm was drawn into the knife and literally cut to shreds.

Thompson was brought to St. Joseph's Hospital here, where the mangled arm was amputated.

### SMILES ARE GOOD

They help folks endure the high cost of living and other troubles. Therefore SMILE, SMILE, SMILE! But have you thought what an important part of a smile your teeth are? A smile only has its maximum value when it discloses clean, bright, white, shining, glistening, well-kept teeth.

We will help with the teeth part. Making bad teeth good and attractive is where we shine. And when you pay our charges it doesn't ruin your smile.
