

NEW ANGLES UNCOVERED IN RUTH TRANSFER

Yank-Red Sox Deal of Last Winter Creates Suspicion of Syndicate Ball.

MORTGAGE REPORT SEEN

CHICAGO, Nov. 29.—Evidence that the world's greatest home run swatter, transferred from the Boston Red Sox to the New York Yankees, was mounted to something besides the \$125,000 purchase price announced at the time of the deal, has been in the hands of President Johnson of the American League.

It came in the form of the transcript of a part of the records of the County of Suffolk, Mass., in which is located the city of Boston, showing that on May 25, 1920, there was executed by the organization controlling the Boston American League Club a mortgage for \$300,000 in favor of Jacob Ruppert et al.

It is the "ET AL."

Jacob Ruppert is the principal stockholder of the Yankees and the "et al." probably represent Colonel Huston and the minority stockholders in the Yankees club, although the latter are not named.

The mortgage covers the real estate holdings as well as the baseball franchise of the Yankees. It is the largest mortgage ever made in the history of the American League and represents nearly 30 percent of the maximum price of \$1,200,000 which the Yankees paid for the franchise. The mortgage was made in the name of Jacob Ruppert et al., exclusive of improvements, was about \$150,000 when the Red Sox plant was built some years ago, but the ground value has increased since then.

This evidence of at least a minority interest in the Boston American League Club by the owners of the New York Yankees came to President Johnson without solicitation on his part, according to his statement. He admitted having heard recently of the existence of such an arrangement.

RECALLS MAY CASE CONTROVERSY.

The evidence is interesting to American League club owners in view of the propaganda issued by the New York magnates during the Carl Mays controversy to the effect that the purchase of the Cleveland Indians by the W. Somers bankers was partially financed some years ago by President Johnson and by Charles A. Comiskey of the White Sox.

The constitution of the American League forbids a club from holding stock in any other club in the same league. Whether or not that prohibition applies to the holding of stock in a mortgage against a club in the same league appears to be a matter for the directors of the league to decide.

RUPPERT SAYS HE'LL SEE LANDIS

NEW YORK, Nov. 29.—Because, he declares, he holds the welfare of baseball more sacred than vindication in sports squabbles with hired help, Cal. Jacob Ruppert thinks it best to leave unanswered for the time the insinuations of President Johnson of the American League that he (Ruppert) and his partner, Col. T. L. Huston, are engaged in promotion of syndicate baseball, contrary to the constitution of the American League.

"I do not wish at this time to answer Johnson's story," said Ruppert today. "I intend to enhance the opportunity of seeing him at the first opportunity, but I have no word of control, and of laying my whole hand on the table before him."

Indianapolis Grid Team Walloped by Gary Elks

INDIANAPOLIS, Ind., Nov. 29.—Swept off their feet by terrific drives through their line and a series of dazzling end runs by "Blitz" Leverett, former Georgia Tech and all-Southern quarter back, the Indianapolis Football Clubbers suffered a 14-0 defeat in the advertised State championship game with the Gary Elks last Sunday. The locals scored eight touchdowns and kicked six goals after touchdowns.

During the latter half of the third period and throughout the fourth, the teams staged a great battle in the center of the field. Indianapolis was weakened shortly after the opening of the first period through the loss of Johnny Ferree, star tackle, who went out with a twisted ankle.

Starting the starlight honors with Leverett for Gary was Czarnacke, left tackle, who formerly played with Penn State.

Fox, Penner, Yott and Kuddles were the best men in the Indianapolis line-up. Penner played an especially strong game for the losing team.

Landis Wants Gamblers Separated From Game

NEW YORK, Nov. 29.—Enforcement of anti-gambling laws in States where they have been enacted as a campaign for legislation to protect baseball from gamblers in other States are favored by Judge K. M. Landis, new supreme head of baseball.

Judge Landis spent the week-end here as the guest of the New York Giants club and attended the Army-Navy game.

Bronkie as Manager

Herman Bronkie, former Indianapolis third baseman, has signed as manager of the Mobile Club in the Southern Association, according to information received from Mobile. Herman is on the reserve list of the Indianapolis Club, but last year did not report, because of the illness of his wife.

In 1919 Bronkie played regularly with the St. Louis Americans, going from Indianapolis in 1918. Bronkie was considered one of the best third basemen in the American Association and was a member of the championship Indianapolis club in 1917. He has all the capabilities of a successful manager.

Old George Mullin

ROCKFORD, Ill., Nov. 29.—George Mullin, former Detroit pitcher, has signed a contract with the Rockford Three-I club and may be appointed manager.

NEW AIRPLANE MARK

LOS ANGELES, Nov. 29.—All records for airplane flights between San Francisco and Los Angeles were broken Saturday, according to Los Angeles aviators, when Lieut. E. C. Batten, an Army flyer, made the trip in three hours and one minute. The record time for the flight of 341 miles, air line, was three hours and forty-five minutes, until last Wednesday, when Lieut. E. W. Miller, also an Army aviator, made the trip in three hours and twenty-five minutes.

League Figures Show Reason Saints Made Easy Pennant Race

Kelley's Gang Hit .301 as Team, While His Stars Grabbed Individual Honors.

"Bubbles" Hargrave and "Goldie" Rapp, catcher and third baseman of the championship St. Paul team of the American Association, finished the season in a tie for the batting title of the loop, each having an average of .353. This announcement was made today following official tabulation of the league averages. Rapp played in 155 games and Hargrave in 142, which gives the former the advantage in the tie.

Rapp, who goes to the New York Nationals next season, gave the Saints a team mate, a real fight for the base-stealing honors, falling only one base short of the Cincinnati Reds' season in home run hitting. Rapp connected for twenty-three circuit bloopers.

"Dresen" was the best scorer, registering 131 tallies in 154 games. Hyatt of Toledo drew 112 bases in 152 games and stood at the top of the list of slugging. Hyatt of Minneapolis was the leading sacrifice hitter with a total of fifty-seven.

"Kille O'Mara," who "jumped" Indianapolis early in the year, was hitting .300 when he left.

The championship Saints led the clubs in batting with an average of .301. Minneapolis was second with .280, and Toledo was third with .276. Indianapolis led the league in hitting averages, .261.

Walter Rehg was the leading hitter of the Indianapolis team, swatting the pill for a .315 average in 165 games. Walter scored 101 runs and got twenty-eight home runs. Eddie Zwilling, who was the Indians' fourth in home run hitting, getting twelve circuit bloopers.

The Coca-Cola are up in third place in the bowling total rolled Saturday night. Taft and Woodworth were their best men.

Remetter had a combination of swill bowls for the Elks No. 2, but his buddies were miles off form.

Mounce was the only spectacular shooter with the Marrott Shoe last night, but he was not content to stay along at a good, strong pace.

Hall, Mounce and Heuslein each had a double hundred score in the first game and Marrott copped the game laurels for the night with 327.

The Hinnenkamp didn't do a thing except pound out the second best total of the evening. Kemper was the only one that got a twice a hundred score.

Capitol Alleys were doped to go big and probably would, but Rube and Hurl shumped and presented them with a couple of joker scores in the first game.

Fox's Five also shot.

English saw the Strauss Sals Five through with three big league scores.

Poley of the General Tools, who didn't get a home, led the other gamblers with a 228.

Walter Harschman, assistant secretary and tournament manager of the Central States Bowlers' Association, is busy arranging for the coming season.

No Football for Mine, Champ Dempsey Says

NEW YORK, Nov. 29.—One of the most interested spectators at the Army-Navy football game Saturday was Jack Dempsey, heavyweight boxing champion. Dempsey was interested but not anxious.

"Tough stuff," he said after watching the two opposing linebacks in a huge heap. "Give me a nice, gentle sport like boxing every time. No football for mine."

Dempsey had a seat on the side lines near a corner of the field and was the center of attention in a throng of Jackies between the halves.

Fliers Annex Muncie Title in Keen Contest; Three Brothers Perform

MUNCIE, Ind., Nov. 29.—With an offense that could not be halted by the light O'Leary Athletic Club eleven, the Congerville Fliers won the Muncie city football championship at the Walnut Street Park yesterday afternoon. The score was Congerville, 24; O'Leary, 6.

The score does not tell the story of how hard fought was the game and the heavier Fliers were met with a stubborn defense from the start to the finish of the game. A fumble early in the opening period gave the Fliers the ball close to the goal line and the Congerville Fliers drove over a place kick from the thirty-five-yard line for the final score of the game.

The two local clubs each had a large following and more than 2,000 football fans witnessed the game. The Fliers defeated O'Leary 24-6. The game was played at 2:30 p. m. and the Fliers and Gas City will meet again at Gas City Sunday in the final football game of the season.

Three brothers played on the two Muncie teams that met yesterday. The Congerville Fliers were with the Fliers while L. Cheeky was right tackle on the O. M. A. C. team.

Anderson Fears Columbus

ANDERSON, Ind., Nov. 29.—Although the Anderson High school five has won six consecutive games, having defeated Westfield, Pendleton, Russellville, Kokomo and Greentown, Anderson is not at all sure of its ability to win the championship. Coach Stagers is not reluctant about expressing fear of the strong Columbus team. The Anderson team will play Columbus Friday night. Columbus, which is coached by Everett Case, a professional player, has won four consecutive games and is the only undefeated team in the league. Anderson is the only team in the league that has not won a game.

GRID TITLES LEFT IN DISPUTE

NEW YORK, Nov. 29.—Personal opinion, "that no account judge," will have to decide the football championship of sections.

With the 1920 season over Georgia Tech owns the top flag in the South and California has the honors on the Coast. But in the East and West there will be as many champions as there are various personal opinions. French of the Army was second with 91. Meyer, Cornell, 73; Kaw, Cornell, 72; Way, Penn State, 68.

Not even a mythical national champion can be established or claimed. Notre Dame has disbanded her team, Georgia Tech is not inclined to take on a post-season game, while the Ohio State-California struggle cannot clear the situation.

Harvard, Boston College and Stevens were also undefeated, but their schedules were not heavy enough to entitle them to consideration for first place. Syracuse and Dartmouth also must be given a place near the top.

Ohio State won the Western Conference championship without doubt, but outclassed the leaders of the Conference. It is an even which the East considers better—Notre Dame. Rather, the East fails to see how any other team could be better.

Benny Boynton, the Williams star, who is said to be headed for the Army, led the East in scoring with twenty-two touchdowns and eleven goals from touchdowns for 143 points. French of the Army was second with 91. Meyer, Cornell, 73; Kaw, Cornell, 72; Way, Penn State, 68.

BUCKEYE COACH HAS NEW IDEAS FOR NEW YEAR'S

Wilce Views Eastern Games and Will Add Plays for Coast Contest.

PRACTICE OPENS DEC. 4

COLUMBUS, Ohio, Nov. 29.—When Ohio State, Western Conference football champions, goes west to meet the University of California eleven at Pasadena on New Year's day, it is probable the Buckeye will be fortified with offensive formations not seen in their contests with other Big Ten eleven.

Shortly after Ohio's victory over Illinois, Jack Wilce, Buckeye coach, went East to see the clash between Penn State and Pittsburgh and the annual Army and Navy struggle. While Coach Wilce may have gone on a pleasure jaunt, it is likely he took the trip to increase his football knowledge.

OBSERVES WEST PLAYS OF EAST.

The Ohio coach is a smart mentor. He believes a lot of football can be learned through observation and he knew the two big Eastern games would show the best of the Big Ten. Wilce has returned to Columbus with some first-hand information about Eastern offensive and defensive football.

Having won the Big Ten title, Coach Wilce will work his men just as hard to win the big intersession contest. Ohio already has a strong combined offense and close attack and this offense will be strengthened by the plays Wilce has brought back from the East.

The University of California eleven has been developed by Andy Smith, former University of Pennsylvania player, who coached football at Purdue. When his playing days were over, Smith became an assistant mentor at the Quaker institution. Then he came to the Middle West. Since going to the coast, Andy has developed strong teams, but this year's eleven is the first to win the coast title.

SMITH KNOWS WESTERN STYLE.

Having coached in the Middle West, Smith probably has a fair idea of the caliber of football played in this section. Wilce is a good knowledge of Ohio's system seems improbable, as Wilce's open attack is much further advanced than it was a year ago. In addition Ohio has a powerful smashing offense which may cause the coast eleven some trouble.

The game is certain to attract attention from Middle West gridiron fans. Eastern enthusiasts also will watch the result closely because of Smith's former affiliations with Penn. It is understood Ohio will start practice Dec. 4 and leave for the coast two weeks later.

Coach Wilce saw the Harvard-Oregon game last year at Pasadena and is aware of the conditions out there. He realizes his men must be taken West in advance of the contest to become acclimated.

Taking 'Em in Pairs

GRAND RAPIDS, Nov. 29.—Joe Stetcher, world's champion wrestler, has been matched to meet two opponents, Tom Drank of Hoboken and Steve Sandell of Boston here Wednesday night. Stetcher will attempt to defeat both Drank and Sandell a fall each within the time the State law allows—two hours.

Should Drank or Sandell gain a fall, Stetcher will be defeated. The purse is \$5,000.

Gipp Holding Own, but Is Still in Bad Shape

SOUTH BEND, Ind., Nov. 29.—George Gipp, Notre Dame's football star, was reported as resting easy today at a local hospital. He was reported to be in no immediate danger as a result of his recent attack of tonsillitis. So far no operation has been considered necessary, but the development of pneumonia is feared.

Gipp's parents are at his bedside.

Leading Point Maker

CLEVELAND, Nov. 29.—According to Coach Scott of Alabama, Mollie Lenoir, Alabama's half back, is making two touchdowns in Saturday's game, brought his total of points scored this season up to 144, leading Benny Boynton of Williams College by one point and establishing a season's record for college players. Lenoir weighs 144 pounds.
