

GIFT OF \$200,000 GIVEN EARLHAM New York General Education Board Is Donor.

Special To The Times.
RICHMOND, Ind., Dec. 1.—The general education board of New York has granted Earlham College \$200,000, to be used as a part of her endowment fund, according to an announcement made by President David F. Edwards.
The proposition as set forth by the New York board specified that in order to receive this amount the college must raise \$400,000.
The board will allow the \$200,000 raised in the recent drive to apply on the making up of the \$400,000, leaving an actual amount of \$200,000 to be raised.
In case the \$400,000 is not raised the board will give 50 per cent of whatever sum is collected. In addition to the \$200,000 a yearly amount of \$10,000 will be paid for three years toward increases in the salaries of the faculty.

CINCINNATI, Ohio, Dec. 1.—President Frederick Hicks of the University of Cincinnati received a message from the Rockefeller general education board that it would contribute \$700,000 to the medical college of the University of Cincinnati. The gift is conditioned on the raising of an additional \$400,000.

Farmers Decide Vote Against Substitutes

JANESVILLE, Wis., Dec. 1.—Fifty-one Rock County farmers, at a mass meeting at Johnston, pledged themselves not to use any substitute for butter. The action marks the beginning of a campaign to avert a threatened surplus of dairy products.

Jabs Needle in Girl; Dancer Is Fined \$100

CHICAGO, Dec. 1.—Miss Marie Rasch, 162 W. Seventy-Fourth street, appeared against James White in the Englewood Court Tuesday, charging he jabbed her with a needle while dancing at White City ballroom Sunday. White denied all the charges. He was fined \$100 and costs by Judge Prindiville.

Police Grow Curious Over Frequent Calls

So many persons visited 1624 West Morris street that Lieutenant Cox and his squad of police also made a visit there last night.
As the result of the call George Dabbs was arrested on the charge of operating a blind tiger. The police have one quart of "white mule" whiskey and three empty jugs as evidence.

Hoosier Pioneers Announce Program

Dr. William Lowe Bryan, president of Indiana University, will deliver the principle address on "Indiana's Centennial" at a banquet to be held by the Indiana Pioneer Society in the Riley room of the Claypool Hotel in connection with the second conference of the organization on Indiana history on Dec. 10 and 11. Other speakers will be Walter C. Woodward, "Indiana"; John H. Holliday, "The Indianapolis Centennial"; and Harlow Lindley, "Another Centennial." The speakers for the history sessions will be announced later.

Here's Cave Man Stuff

DENVER, Colo., Dec. 1.—Mrs. Myrtle Neal, 25 years old, today shot and probably fatally wounded a man she says is Clark Southworth, 39, a former guard at the United States penitentiary at Leavenworth, Kan. Following her refusal to marry him, Mrs. Neal maintained the man attempted to strike and choke her, and in the struggle that followed she shot him.

AIMS TO LIVE 100 YEARS

An Ancient Secret From Europe

A PITTSBURGH MAN

With Rosy Cheeks and Sparkling Eyes; Uses a Simple Plan to Fight Off Disease and Old Age.

H. H. von Schlick is known to millions of men and women as a human benefactor.

He gave the secret of his change from a sickly sufferer to a strong, energetic man.

At 40 Mr. von Schlick, a wreck from disease, chanced to meet Boris Marokoff, a native of Bulgaria.

Marokoff, at 96 years, was a physical giant, with mind clear, eye keen, complexion ruddy and enough health for a dozen people.

Marokoff explained that in his country the natives never depart from nature in forming health plans. The rugged children are kept in condition by a combination of herbs which help free the system of poisons, purifies blood and kidneys, keeps stomach in condition and regulates the liver.

"I'll make it for you," he told Mr. von Schlick. "It is composed of leaves, bark, roots, seeds, herbs and flowers of different plant. You will note a new feeling. You will begin to be a new man."

Mr. von Schlick tried this nature tea; Marokoff's formula was a great discovery for healing the sick. He took on a new lease of life. Today at near 60 he is younger than when he began using Bulgarian Blood Tea at 40.

Von Schlick secured the herbs from Europe, Asia and Africa. Von Schlick's sickly wife became strong. She gave it to women friends. Mr. von Schlick consulted physicians, who tested its merits and who today are using it for their patients.

The fame of Bulgarian Blood Tea spread. Today it is used by hundreds of thousands of sufferers in every State in the Union fighting off old age weaknesses. They include happy girls budding into womanhood or women crossing precarious thresholds of life. All praise and recommend it. Men recover their strength and vitality, the fire and spring of good health returns to those who were in despair.

During the influenza epidemics of 1918-1920, thousands of sufferers from this dread disease found prompt relief by using Bulgarian Blood Tea. Taken steaming hot, it breaks up a cold and guards against influenza and pneumonia.

All druggists now keep Bulgarian Blood Tea in stock, but owing to the enormous demand immediate application to your druggist is urged on account of the limited supply. Distributors are authorized to return the full purchase price if it does not prove to be highly beneficial to the health. This evidence of faith in the power of Bulgarian Blood Tea is the guarantee of the Marvel Products Company, sole manufacturers, Marvel Building, Pittsburgh, Pa., who authorize this public announcement.—Advertisement.

D'ye Get This, Girls? Take Care of Health to Preserve Figure

Coroner Warns Against Flimsy Lingerie, Bare Knees and Other Shortcomings.

CHICAGO, Dec. 1.—Girls, if you wear short stockings, low shoes, low waists and flimsy lingerie, you better watch out or the coroner will get you.
Peter M. Hoffman, Cook County coroner, who claims the distinction of having originated the "safety first" movement, said today that one sure way for girls to catch cold is to "wear" their knees bare.

Thin silk stockings, flimsy lingerie and low-necked dresses lead to pneumonia and other illness, Hoffman said.

"Dress up, girls, and put lots of clothes on if you want to keep well," advised Hoffman. "Thinly-knit stockings is the cause of more illness than any other thing I know."

"Women should dress warmer. They will wear a fur coat which hangs to a bare knee, its only protection from the cold air being a thin skirt."

The coroner said low shoes were also the cause of some sickness.

"There's too much shoving of ankles for a young woman's health," he said. "Rainy and sloppy weather is more than apt to cause them to catch colds," he said.

Hoffman suggested women should wear high shoes, long closely-knit woolen stockings and high waists.

The coroner declared that if girls will take care of their health now it will mean a well-preserved figure in later years.

Mayor of Greensburg to Be Treated Here

Special To The Times.
GREENSBURG, Ind., Dec. 1.—C. C. McCoy, mayor of this city, was taken to the Methodist Hospital, Indianapolis, to undergo treatment for stomach trouble. He has been confined to his rooms here for several weeks.

State Health Board to Care for Leper

Robert Burdine, the Indianapolis leprosy victim, will be continued under care of the State Board of Health, Dr. J. N. Hurty, secretary of the board, has announced. A fund of several thousand dollars is available for the work, Dr. Hurty said. Burdine will be kept in quarantine and under the constant surveillance of a competent physician. There is no danger of a spread of the disease, Dr. Hurty declares.

Boys Attempt Escape After Their Arrest

Following an interrupted attempt to steal a jelly roll two boys almost outran a police automobile today, but were captured after a pursuit through alleys in the north part of the city.

Lieutenant Houston arrested Victor Cooper, 16, on the charge of vagrancy, and Bert Conde, 15, on the charge of being a delinquent. Both live at 1015 College avenue.

The boys, the police say, were trying to get some jelly rolls from a baker's box in front of the American Grocery Company, 1014 Broadway, when surprised by the lieutenant.

DOESN'T NEED ANY LAXATIVES NOW

Mr. Becker says life is a joy, without constipation or stomach trouble.

"I had catarrh of the stomach and head for three years. My stomach was so bad that every time I ate anything sweet, such as fruit or pastry, the burning hot water would run out of my mouth. I took a laxative every night. Since taking Milks Emulsion, my bowels move regularly. I have now taken ten bottles and have gained 10% pounds. All my friends remark how fine I am looking, and it seems a pleasure to live again, without stomach trouble."—Bert Becker, Miami, Ohio.

Physics usually make slaves out of their users, and weaken the bowels instead of correcting them. Stomach trouble in many cases is directly due to constipation.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repelling the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 75c and \$1.50 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.—Advertisement.
