

Is This Your Bank?

Then you are helping in its growth. And because you are helping we are the more eager that you should use it just as you use your own home—not one department, any more than you use only one room at home, but one and then another, as you need it. All the facilities of our twelve departments are at your service, not only at our main office but at any of our three branches which may be more conveniently located for you.

DOG HILL PARAGRAFS

Film Dillard tried on his new mail order suit this morning and wore it clear to the postoffice and back. Poke Easley says Film is liable to catch his death of cold this winter with so much of his wrists exposed. . . .

The W.H. Olson school teacher will deliver an address before the teachers and patrons next Friday afternoon. His subject will be on the importance of re-hiring a smart man as teacher for next session.

Sick Teeth Often Cause Eye, Ear and Nose Trouble

It is frequently the case that the eye, ear and nose specialists will refer a patient to the dentist. Diseased or decayed and ulcerated teeth distract and disorder all the surrounding nerve areas.

By the use of the X-Ray machine, which is part of the equipment of this office, we are able to bring to light troubles that would not otherwise be properly treated. The prices are low.
