FIX STOMACH RIGHT UP

"Pape's Diapiesin" at once ends Indigestion, Gases, Sourness, Acidity

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs. When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food. When you feel lumps of indigestion pain, heartburn or headache from acidity, just eat a tablet of Pape's Diapiesin and the stomach distress is gone. Millions of people know the magic of Pape's Diapiesin as an antacid. They know that indigestion and disordered stomach are so needless. The relief comes quickly, no disappointment, and they cost so little too.—Advertisement.

Mrs. Housewife, Do You Know?

1. Of what did the old English dish called "frumenty" consist?
2. What are the best crumbs to use in covering croquettes and other foods to be fried in deep fat?
3. A good home-made polish for steel articles?

(These questions will be answered tomorrow by the Housewife.)

ANSWERS TO YESTERDAY'S QUESTIONS.
1. Caviar consists of the salted eggs of the sturgeon.
2. To test fat for deep frying, when it is smoking hot drop in a piece of bread on inch square. If it takes a half minute it is ready for cooked things and a full minute it is ready for raw things.
3. An old-fashioned way to bring up a low coal fire was to throw on a tablespoon of salt. This makes it burn brighter at once and soon the coal itself burns more vigorously.
