NEW YORK, Dec. 8.—Baseball men will start arriving here Friday for the big powwow in which the game is to be presented with a brand new form of government.

Judge K. M. Landis, baseball's newly appointed high commissioner, is slated to preside at the meeting of the joint major and minor league committee and is expected to offer some valuable advice to the delegates.

Meanwhile club owners of the two major leagues and numerous minor league owners and managers will camp on the fringe of the committee meeting and it is not unlikely that some trades will be made, which interest the public far more than the political side of the game, will be effected.

McGraw of the Giants is hurrying north from Havana to attend the meeting. The Giants are in the lead of the players, as are several other National League clubs.

The White Sox, wrecked by the dropping of eight players, ready to resign, a number of players and from all indications it looks like an old-time winter war of the hot-stove.

Spring training plans of a number of clubs are due to be announced here during the coming week. The Yankees, it is now believed certain, will train at Shreveport, La., Brooklyn may select New Orleans, New York may select New Orleans, New York may select New Orleans.

President Baer of the Phillies may announce the name of a new manager during the coming week. Bill Donovan, who managed Jersey City last season, is the latest man mentioned for the berth.

The two major leagues will hold meetings Tuesday or Wednesday to ratify the new national agreement whenever the joint committee is ready to present it. Later the major leagues may hold a joint meeting for the purpose of continuing action looking toward stamping out gambling.

FULTZ CALLS MEETING.

NEW YORK, Dec. 8.—President David L. Fultz of the new International League has issued a call for the annual meeting of the league to be held here in this city next Monday. Important matters having to do with the reorganization of baseball will be considered, in addition to regular routine business.

Series Scandal Evidence Removal Causes Chicago Judge to Order Seizure

CHICAGO, Dec. 8.—Chief Justice Charles A. McDonald ordered a grand jury evidence in the baseball scandal Tuesday following discovery that copies of papers in the case had been obtained by MacLay Hayne. State's attorney, shortly before his retirement from office Monday.

Hayne, who had been ordered to turn over to the judge, who ordered them impounded by the clerk until the cases of the White Sox players, who were indicted came to trial.

Judge Robert Crowe, who succeeded Hayne as State's attorney, ordered an investigation after Hartley Hopple, former assistant State's attorney, who conducted the baseball investigation, notified Judge McDonald that Hayne had demanded copies of the papers last Friday.

Hayne later said he had asked for the records simply to have copies made to be put in the cases in his office, for which he was responsible, and that the copies were there now, sealed up.

Federal Judge Landis, baseball commissioner, who learned of the affair from President Ben Johnson of the American League, said that if it was found any of the evidence had been tampered with, he was missing. Federal action would be taken against the guilty persons.

"Baseball is going to be cleared of gambling and there is no one who will be allowed to interfere," said Judge Landis.

Hopple last night said he had acted under Hayne's orders and could not say what use had been made of the papers after they left his hands.

Anderson Quint Scores Victory Over Franklin

FRANKLIN, Ind., Dec. 8.—Anderson High School basket tossers turned the tables on the Franklin fire here last night and scored a 44-to-33 victory, contrary to the rule of former seasons and the run of dope.

Last night's game was simply a renewal of an age-old basket war between these two schools and the contest staged by them was a fitting one. They battled each other two or three times each year and competition grows keener with every contest. Franklin recently has "had it" with Anderson, scoring three victories in their three meetings last season, but the heavy Anderson squad of this year appears to be too much for the Franklin team.

Anderson held a 26-to-5 advantage at the halfway mark last night and the score was looking all right in the contest when the Franklin scrappers came back strong in the second session and came within an ace of taking the game. The teams were three points from a tie when Anderson broke loose with only five minutes to go and hurriedly caged a few baskets.

The Little Giants are out for games with the best teams in the junior ranks. For games call Prospect 1065 and ask for Jack A. meeting of the Little Giants will be held at Ray and Illinois streets Thursday night.

The Christmases played the Heath Memorial on the east side court Thursday night.

The Saxons quintette, composed of Christmase and Heath Memorial girls, defeated the Broadway M. E. girls, 16 to 12, in a well played contest on the Christmase floor, Grace Harbo, captain of the Saxons, was the shining light of the game.

PORTLAND, Ore., Dec. 8.—Walter H. Gault, manager of the Portland baseball team, Tuesday announced that negotiations are under way for the purchase of George Maisei, Portland outfielder, by the New York Giants.

Wonder Five, Speed Five, and Now a Mystery Five for Fans to Puzzle Over

Come now the "mystery five" to puzzle the basket-ball fans of the city and State.

Whispering in a cloak of rumors and whistling the gumshoe outfit is said to be in the making at Technical High School.

The students are puzzled and only guess the made revealing the line-up of this unknown quintette. The name of certain players are known, 'tis true, but what positions they will remain a secret.

It's going to be a whizz-bang of a machine, according to the east side boys, who think they are in the know, but when pressed for facts they are without information and only say the gloom that has pervaded the Green and White team will be shattered by a mighty sweep of baskets when this mystery five comes into the arena.

Whispering talks of the new Tech team practicing far into the night have been heard and can spin the ball through the draperies in daylight and dunk with the same uncanny accuracy.

A bold prowling about the Tech campus at night is said to have been the first witness of this "mystery five" in the arena. The rumor, also, that one who immediately started the gossipers gossiping.

At any rate the east side student body is all worked up over their team's new line-up, and the rosters hardly can wait to be made up and against the franchised team at the Y. M. C. A. Saturday night.

ROBERTS DIES AFTER KNOCKOUT

JERSEY CITY, Dec. 8.—Mickey Shannon of Newark, a heavyweight boxer, died Tuesday here at 2:30 o'clock following his knockout at the Arena A. C. last night by Al Roberts, who was the victor.

Shannon was knocked out by a terrific blow to the jaw in the sixth round of a fight which lasted for 25 minutes. He was taken to the hospital where he received a fractured skull.

The bout was witnessed by Governor Hughes and Mayor Hague of Jersey City. Roberts was placed under arrest by County Judge Robert Crowe, who ordered an investigation after Hartley Hopple, former assistant State's attorney, who conducted the baseball investigation, notified Judge McDonald that Hayne had demanded copies of the papers last Friday.

Hayne later said he had asked for the records simply to have copies made to be put in the cases in his office, for which he was responsible, and that the copies were there now, sealed up.
