

### HOOSIERS BUY MANY SEALS

Frankfort Kiwanis Club Takes \$500 Health Bond.

Indiana has started toward a new record of support for the Christmas seal, according to announcement here today by Murray A. Auerbach, executive secretary of the Indiana Tuberculosis Association, under the auspices of which the annual Christmas seal sale is being conducted in the ninety-two counties of the State.

Unusual support has been in evidence in many counties and officials of the State association predicted today that Indiana's total for 1920 would exceed that of any previous year in the anti-tuberculosis fight. The remarkable announcement came from Frankfort, Ind., today that the Kiwanis Club there had just purchased a \$500 health bond and that the High School basketball team, one of the strongest aggregations in the State, had challenged any similar team in Indiana to play a match game, the proceeds to be used in the purchase of Christmas seals.

All day yesterday in many counties of the State the Salvation Army, under the direction of Evangeline Booth, commander, lent its influence to the seal sale. In Indianapolis all the workers of the Army, under command of Brigadier Casler, conducted a telephone seal sale, and many hundreds of dollars were produced for the Marion County Tuberculosis Association.

At Logansport yesterday the Army, under command of Captain Hall, gave the entire proceeds of the Christmas kettles to the seal sale, and this same splendid cooperation was reported from Evansville and Lafayette.

### Motor Club Opens Auto License Room

An automobile license room was opened today by a branch department of the Hoosier Motor Club in the corner room of the ground floor of the Fletcher Savings and Trust Company, at Market and Pennsylvania streets.

Automobile owners who have not yet applied for their license will be provided with application blanks and notary service free of charge at the new office. The office will be open until 9 o'clock each evening.

### Traffic Into Germany Reported Suspended

LONDON, Dec. 10.—The British foreign office today was without any confirmation of a report from Brussels that railway communication between Belgium and Germany had been suspended since noon Thursday.

The report of the interruption of rail traffic into Germany from Belgium gave rise to rumors that another revolutionary coup may have been attempted in Germany.

### \$400,000 CHEST FUND EXPECTED

Workers Continue Activities as Drive Nears End.

Workers continued to be active today in the Community Chest campaign for funds for the support of charitable, benevolent and philanthropic institutions for 1921, and hoped that \$400,000 will have been raised when the campaign ends at noon tomorrow with a final meeting of workers at the Claypool Hotel.

Many subscriptions continued to be received through the mail at the headquarters of the Community Chest, 207 Chamber of Commerce Building. Amounts pledged in the small subscriptions varied from \$1 to \$100.

Even should \$400,000 or \$500,000 be raised by Saturday, it is pointed out by the members of the board of directors of the chest, that this amount will still be insufficient to meet the needs of the Indianapolis organizations. This makes necessary a direct mail campaign to follow the active drive, they said.

The mail campaign will be started immediately and many persons who have not been solicited by workers will be sent letters asking them to send their pledges to headquarters. Louis C. Hues-

mann, chairman of the board of directors, urged that every worker attend the final meeting at the Claypool Hotel Saturday.

EX-KAISERIN WEAKENS. BERLIN, Dec. 10.—The declining strength of the ex-Kaiserin's heart is causing constant relapses and the ex-Kaiser never leaves his wife's bedside except to eat and snatch a few hours' sleep, according to news from Doorn today.

By Saturday, it is pointed out by the members of the board of directors of the chest, that this amount will still be insufficient to meet the needs of the Indianapolis organizations. This makes necessary a direct mail campaign to follow the active drive, they said.

The mail campaign will be started immediately and many persons who have not been solicited by workers will be sent letters asking them to send their pledges to headquarters. Louis C. Hues-

mann, chairman of the board of directors, urged that every worker attend the final meeting at the Claypool Hotel Saturday.
