## ON CHRISTMAS

WHEN Christmas candles are lighted on the tree, how  
sweet to hear a Christmas carol softly sung by one of  
the world's greatest artists or by a famous choir!

This can be your novel treat on Christmas. Give  
your family (or some member of it) a Sonora  
phonograph. Such joy and unending diversion as  
it will bring year after year, never tiring! The  
oldest Christmas carol, the newest dance hit, alike  
can be enjoyed.

Sonora's outward beauty of cabinet and design  
is in harmonious keeping with the rare loveliness  
of the tone within.

## Dentistry Is An Investment

Without a healthy mouth the bodily health  
is bad, and the effective brain work on every  
day problems is hard.

With a clean, healthy mouth the breath is  
sweet and the personality attractive. Sound  
teeth pay returns in money and happiness.  
The service here is right and priced moderate.

"I had ten teeth extracted by the  
People's Dentists, and suffered less  
inconvenience than when I had one ex-  
tracted by another dentist some time  
before. Oscar Crawford, 1136 Kentucky

## TIME QUICKLY PASSES

but you must not neglect your  
children's teeth or your own.  
Resolve now to have the teeth  
of your family examined every  
three months and small cav-  
ities filled, preventing possible  
toothache and more expense  
later.

Good work, properly done, in-  
sures the patient against dis-  
eases caused by the teeth  
and prevents hours of ex-  
cruciating pain.

## Children and Savings

You cannot teach the THRIFT lesson to children by lectur-  
ing about it—and, often example fails to impress.

Open accounts for your children and let them MAKE  
THEIR OWN DEPOSITS. It's the practical way to teach  
the Savings Habit. A first deposit in a Savings Account as  
a Christmas gift will serve two purposes.
