

BOILING NEWS, BASKET SCORES AND NOTES, BOXING, WINTER BASEBALL

**MAGNATES SET DIZZY PACE IN MAKING OFFERS**  
Latest Is Bid of \$200,000 and Four Players for Hornsby of Cards.

**GIANTS FORCING PRICES**  
By HENRY FARRELL.  
United Press Sports Editor.  
NEW YORK, Dec. 30.—Baseball flesh on hoof is getting into the platinum class. Last winter when Babe Ruth sold for \$150,000 the market price reached the crest at \$751,000.  
But this winter that peak price is almost sausage class, compared with the choice flesh that is running from \$935 to \$1,311 per pound. Leaders on today's bidding are:  
Rogers Hornsby, \$121 per pound.  
Walter Maraville, \$100 per pound.  
Helen Groh, \$95 per pound.  
The brokers who have cornered these prize stars are holding out for still higher quotations.  
The Rip Van Winkles who were blown out of their sleep last winter by the price Babe Ruth drew must have been knocked into a perpetual snore last night when the St. Louis Cardinals turned down an offer aggregating \$250,000 for Rogers Hornsby.  
"Four players and \$200,000," the Giants tempted.  
"I won't do it," Sam Bronfman answered. "Smelling salts were needed around the (Continued on Page Ten.)"

**Shortridge Scores Victory in Hot Go With Brazil Outfit**

BRAZIL, Ind., Dec. 30.—Shortridge High School's court athletes defeated Brazil last night by grabbing an early lead and displaying just the necessary punch to hold it throughout a hard battle, which ended with the score 18 to 16.  
There was never a bit of difference in the score and when Brazil rallied late in the struggle it appeared as though the Blue and Whites would go down to defeat, but the rally was checked after Proctor had dropped two through the net.  
Both teams dribbled the ball a great deal during the game and took several long shots at the basket. Richards casting four of this variety for the victors. Riley followed up two distance shots in the second period and registered both times at the net.  
Proctor and Birkir carried the brunt of the Brazil burden, both on defense and offense. Proctor was the team's big point-getter, making two field goals and six from the foul line.

**MARION EASY FOR TECH**

MARION, Ind., Dec. 30.—Marion didn't have a show with the Technical quintette of Indianapolis last night. The team ending in a 24-9 victory for the visitors. After the Tech game, Marion played the second of a double bill and won from Fairmount, 24 to 11.  
In the first contest, the Green and White athletes showed better than they have all season and despite the one-sided count, the game was one of the most interesting to the fans, being replete with brilliant play. Griggs and Nipper were the shining lights of the Tech machine.

**MOORE GETS IN TITLE RUNNING**

NEW YORK, Dec. 30.—A sturdy rival for the crown that adorns the sandy-haired brow of Joe Louis, the new heavyweight champion, loomed on the flat horizon today in the person of Roy Moore of St. Paul. Moore met Jack Sharkey, Lynch's oldest and heretofore most feared, rival and bent him into submission in eleven rounds at Madison Square Garden.  
Moore won on a technical knockout when the referee threw Sharkey to his corner after the New Yorker had taken the worst beating of his life. The St. Paul boxer substituted for Pat Moore of Memphis. He is now in line for a battle with Lynch.

**REMAINE FINISHES FAST**

DETROIT, Dec. 30.—Carl Reimaine of Cleveland won a well-earned victory here last night in a swinging battle with the Young Montreal of Providence, R. I. Although down for the count of nine in the fifth, the Cleveland bantam well earned the final decision for his work in the last round, when, aroused by the possibilities of the popular verdict going against him because of his fall in the previous round, he battered the Providence youth from waist line to forehead. Every round except the fifth and last was a draw.

**WIGGAM BATTLES MANTLEL**

SANDUSKY, Ohio, Dec. 30.—After leading by a big margin for seven rounds, Howard Wiggam, the Indianapolis light heavyweight boxer, injured his right arm in the scheduled ten-round bout with Frank Mantlel of Dayton before Ray Bronson's Athletic Club. More than 1,000 witnessed the contest, which was one of the most fiercely fought ever staged here.

**BARNETT STOPS GRANT**

TERRE HAUTE, Dec. 30.—Dick Barnett of Terra Haute stopped Walter Grant of Peoria in the third round of their bout here last night. Barnett is matched to meet in Evansville Jan. 10, New Year's day in the main attraction.

**CADDOCK PINS PESEK**

DES MOINES, Iowa, Dec. 30.—Earl Caddock of Walnut, Iowa, former heavyweight wrestling champion, won in straight falls from John Pesek of Revere, Neb., last night. Joe Stangel of Carroll, Iowa, won in straight falls from Max Orlando, Chicago, heavyweight.

**PREHN TOSSES CHAVERIER**

MASON CITY, Iowa, Dec. 30.—Paul Prehn, wrestling coach at the University of Illinois, defeated Charles Chaverier, Franco-American middleweight titleholder, last night in straight falls from Max Orlando, Chicago, heavyweight.

**OTHER WEDNESDAY BOUTS**

AT HARTFORD, Conn.—R. O. Loughlin defeated Marcel Thomas in ten rounds.

**SPORT EDITORIAL**  
By EDDIE ASH.

Indiana rightfully can lay claim to the distinction of being the greatest hotbed of basketball this side of the moon.

At last count the Indiana State High School Athletic Association boasted of a membership of 629 schools, and 512 of these already have let it be known that they will enter teams in the coming State championships.

It's a colossal problem to keep so many teams in line, send them through the various district tournaments, then through two regional meets and finally through a title tourney until one lone quintet remains undefeated and is proclaimed champion.

But the directors of the State association are not cracking under the strain and their system of handling this event of large proportions is being copied over the country. Its success has attracted nation-wide attention, and rightly so.

Indianapolis always has taken a big part in the yearly event and it is destined to play even a larger part in the title games of March. A sectional meet will be staged here under the auspices of the three local high schools and later, following the regional tournaments at Bloomington and Lafayette, the final title meet will be held here under the auspices of the three schools, Butler College and the Chamber of Commerce. Karl V. Ammerman of Manual is this district's representative on the State board of control and Merle Abbot of Bedford, but formerly of Manual, is president of the State body.

To A. L. Trester of La Porte, permanent secretary of the State association, goes the larger part of the responsibility connected with the organization and operation of these annual events and though each season sees the task grow greater he meets it with the same efficient system.

The city or town in Indiana that turns out a winning high school basketball team gets State-wide and lasting publicity and prestige. It's a mark of distinction to be a resident of a town in this State that can boast of a title net five.

Some of the so-called veteran gent's will take a fling at the Central States tournament plus on the Capitol alleys in the doubles and singles tonight. These birds have been making and breaking bowling history in Indianapolis for a lot of years and they should show some sort of extra-special feature this evening.  
They twisted things around quite a bit in the doubles line-up last night. Kimmel and Feibach going up in the lead, after shooting three good games for a total of 1,310. Westfield and Kramer took second place with a 1,153 score; Duhanne and Powell of Dayton, Ohio, landed the fourth place with a count of 1,095 while Patterson and Hornberger shot 1,087 to step into the sixth station.  
The new doubles leaders started the evening with a count of 453, which is the best that has been rolled in the tourney to date. Feibach had 233, while Kimmel got 220.  
Westfield and Kramer didn't pull any feature stunts, they just eased along and clubbed the pins hard every time.  
Hornberger got away nicely in his work with Patterson, but he couldn't do like history does.  
The Brysons, dad and son, shot together, but didn't do anything more exciting than a 212 by Junior in the second round.  
McCarty and Joseph started out with a double 6 each. After that they were lost in the rush.  
Bader shot with Irish and pulled a nifty comeback stunt, which, however, didn't count for anything because of the failure of Irish to follow the lead. Bader had 222 and 198 in his second and third.

Harry Steffen kicked out a 618 total by his little lonesome and won himself a home at the second landing place of the singles shooters. He got double centuries in his second and third games.

Irish came out from under the sheets in this event and crashed into 'em for the sixth station.

**Ohio State Players Lose Weight Under Coast Summer Sun**

PASADENA, Cal., Dec. 30.—Ohio State's football eleven today began resting up for the intercollegiate test with California University here New Year's day. Grueling work-outs under a summer sun here have melted pounds off the Big Ten Conference stars, and today and tomorrow will be given over to recuperation training with a minimum of signal drill.  
Coach Wilce asserts his proteges have proved their ability to travel at high speed for an hour under summer weather conditions and the slackened speed will now put them in perfect trim by Saturday.  
The reputation of Ohio State for the wonderful victories it has won at almost the last moment of play has been a special advertisement for the Buckeyes throughout southern California.  
It seems to be the belief among all classes of observers that they will see the most amazing sort of playing by the Ohioans that has ever been exhibited in the Pacific coast. If Coach Wilce finds that forward passing will not overcome California's great driving power, he expects to develop some other line of effective plan of ground gaining.  
It was stated today that Blair, Ohio half back and Cote, substitute half back, who had been slightly hurt with wrenched ankles, are recovering and are expected to be in shape to play by Saturday.

**Bader Shot with Irish and Pulled a Nifty Comeback Stunt**

which, however, didn't count for anything because of the failure of Irish to follow the lead. Bader had 222 and 198 in his second and third.

**PURDUE READY FOR CITY GAME**

Lambert's New Quint Coming to Tackle Em-Roes Here Tomorrow.

LAFAYETTE, Ind., Dec. 30.—Coach Lambert has his squad working out daily for the coming homecoming trip which starts tomorrow night at Indianapolis when the Bollermakers will hook up with the team from the Y. M. C. A. The team will journey to Cincinnati the next day and then over to Richmond for game Monday night with Gartham College. The trip will end Tuesday night, when a return game will be played with Pat Fagan's Butler are at Indianapolis.

Instead of being discouraged by the fact that three of the regulars were lost from last year's team, Coach Lambert has reasons to believe that the team will be just as strong as the five that was runner-up in the Conference last year.

Treat or Chafee, new men on the squad, with a little more experience with the "Doe" Campbell's shoes. Holwerda, Masters and Hanks have shown evidence of developing into good forwards. Holwerda can take White's place at floor guard in case of emergency. Hiser, an Indianapolis lad, is showing form of being first string substitute for Miller, who was judged the best back guard in the State and Conference last year.

Other men who are working out with the squad are Levenenz and Eversman, forwards, and Coffing, guard.

Things coming their way in a hurry. Huter and Leslie each registered five field goals for the college crew, as did Coach Ralph Jones. Planning and Ramsey were the only Anderson men who made a commendable showing.

**BUTLER ROMPS OVER ANDERSON**

ANDERSON, Ind., Dec. 30.—Leslie and Huter, stars of the Anderson High School five of last season, last night stood out as the feature players for Butler College in that team's 48 to 21 victory over the Anderson Y. M. C. A. combination.

Butler was rather slow in getting started in the first season and the going was close, but when Coach Page's men got loose in the second round they had things coming their way in a hurry. Huter and Leslie each registered five field goals for the college crew, as did Coach Ralph Jones. Planning and Ramsey were the only Anderson men who made a commendable showing.

**GOLDSBERRY ON RAMPAGE**

SULLIVAN, Ind., Dec. 30.—The Wabash College basketballers ran rampant through the ranks of the Sullivan Mutuals to register a 95 to 12 victory last night before a packed crowd that has ever crammed into the local gym. The Mutuals looked like an even match for the Scarlet during the first few moments of play, but Pete Vaughan's five opened up by degrees and was soon scoring almost at will.

The contest went featureless except for the work of Alonzo Goldsberry, crack center of the Wabash team, who registered an even dozen field goals, although he did not play the entire game. Coach Vaughan brought ten men here and an entire second string line-up was seen in the door in the second period.

Self guard guard, was the best player in Sullivan uniform.

**LOCAL PURDUE TICKETS**

Purdue students may get tickets for the Butler-Purdue game in the "Y" lobby things coming their way in a hurry. Huter and Leslie each registered five field goals for the college crew, as did Coach Ralph Jones. Planning and Ramsey were the only Anderson men who made a commendable showing.

**CORNELL CHESS WINNER**

NEW YORK, Dec. 30.—Cornell University retained the championship of the Tri-State Chess League, in the match which Wednesday was renamed the "Intercollegiate Chess League." The Ithaca players lost the final round match to the College of the City of New York, but finished with a record of three matches won, one lost and a game draw. Cornell College was second, and New York University, which defeated the Massachusetts Institute of Technology Wednesday, jumped into third place.

**TIGERS STAGE RALLY**

AKRON, Ohio, Dec. 30.—Princeton's basketball team staged a sensational rally in the second half to defeat the Good-Year Industrials last night, 25 to 14. At the end of the first half the locals led, 11 to 4.

**A. A. U. Threatened With Opposition by New Athletic Body**

Olympic Association Designs to Control Amateur Sports—Grid Committee Cut.

CHICAGO, Dec. 30.—Plans for a national collegiate track meet to be held next spring, were today in the hands of a committee of three, appointed by the National Collegiate Athletic Association. Members of the committee are Coach A. A. Stagg of the University of Chicago, John L. Griffith of the University of Illinois, and Tom Jones of the University of Wisconsin. If preparations for the meet cannot be completed by next spring it will be held in 1922.

The association also took steps toward the formation of an Olympic Athletic Association designed to become the controlling body in amateur sports. This association in reality would oppose the Amateur Athletic Union by seeking to prevent college athletes stars forsaking their college status and competing under the colors of athletic clubs.

The association refused to sanction the Intercollegiate Boxing Association, which was suggested as a body to control intercollegiate boxing. A new plan for the control of college boxing is to be worked out and presented at next year's meeting of the association.

Membership in the football rules committee was cut from fourteen members to twelve. The new members of the committee are E. K. Hall, Dartmouth; F. W. Moore, Harvard; Walter Camp, Yale; A. Stagg, Chicago; P. W. Dashiell, United States Naval Academy; H. L. Williams, Minnesota; J. A. Bahitt, Harvard; William Roper, Princeton; C. W. Savage, Oberlin; W. A. Lambert, University of Virginia; Walter D. Powell, Stanford, and Carl Williams, University of Pennsylvania.

Col. Palmer, E. Pierce, United States Army (retired) was re-elected president of the association.

De Pauw University of Greencastle, Ind., yesterday was admitted to membership in the ranks of the Sullivan Mutuals to register a 95 to 12 victory last night before a packed crowd that has ever crammed into the local gym. The Mutuals looked like an even match for the Scarlet during the first few moments of play, but Pete Vaughan's five opened up by degrees and was soon scoring almost at will.

The contest went featureless except for the work of Alonzo Goldsberry, crack center of the Wabash team, who registered an even dozen field goals, although he did not play the entire game. Coach Vaughan brought ten men here and an entire second string line-up was seen in the door in the second period.

Self guard guard, was the best player in Sullivan uniform.

**LOCAL PURDUE TICKETS**

Purdue students may get tickets for the Butler-Purdue game in the "Y" lobby things coming their way in a hurry. Huter and Leslie each registered five field goals for the college crew, as did Coach Ralph Jones. Planning and Ramsey were the only Anderson men who made a commendable showing.

**CORNELL CHESS WINNER**

NEW YORK, Dec. 30.—Cornell University retained the championship of the Tri-State Chess League, in the match which Wednesday was renamed the "Intercollegiate Chess League." The Ithaca players lost the final round match to the College of the City of New York, but finished with a record of three matches won, one lost and a game draw. Cornell College was second, and New York University, which defeated the Massachusetts Institute of Technology Wednesday, jumped into third place.

**TIGERS STAGE RALLY**

AKRON, Ohio, Dec. 30.—Princeton's basketball team staged a sensational rally in the second half to defeat the Good-Year Industrials last night, 25 to 14. At the end of the first half the locals led, 11 to 4.

**Babe Tries Net Game**

NEW YORK, Dec. 30.—Babe Ruth, baseball's king watter, will make his debut as a basketball player here Sunday night with the Powers Brothers' team against the Celtics.

Rabbit Maraville, the brave short-stop, played on a team against the Celtics last Sunday.

he incorporated for this purpose, it was decided at the meeting.  
The meeting passed, after sharp debate, a ruling prohibiting undergraduates playing with athletic clubs, industrial teams, Y. M. C. A. organizations and similar institutions during the summer vacation and made ineligible to college teams the penalty for violation of the rule. Approval of greater faculty representation on athletic boards also was voted.

Prof. F. J. Pyne of Wisconsin warned the association of over-intensification of sport and said the attitude to win at any cost was harmful to sports in general, and especially football.

**MINOR WESTERN CONFERENCE PLANS**

CHICAGO, Dec. 30.—Representatives of the Little Eight colleges met here today in an attempt to complete plans for a minor western conference. The arrangement has been under discussion for some time. Knox College leaders have taken charge of the arrangements for the conference. The rule requiring six months residence, enforced by some colleges and not by others, has caused the only hitch in plans thus far. Those schools represented besides Knox, are Lawrence, Coe, Carleton, Beloit and Cornell. Invitations were also sent Wabash and De Pauw.

**Cathedral Cops**

Coach A. Peenay's Cathedral High School basketball artists registered their second victory out of as many starts when they walked over the Collegians for the long end of a 30-to-10 count yesterday afternoon on the Masonic court. The first half of the contest ended with the Cathedral leading, 24 to 2, and Peenay used second string men throughout the entire second session.

The Cathedral athletes are now drilling for their game with the Indiana by outside publishing companies. The Intercollegiate Athletic Association will play on the Masonic court Jan. 6.

**Vincennes 'Y' Court Machine Out After State Championship**

Kixmiller Brothers Playing Great Game for State Team With Real Record.

VINCENNES, Ind., Dec. 30.—The Vincennes Y. M. C. A. basketball team has made such big strides in early season games as to be considered as one of the very strongest contenders for the independent honors of Indiana and it is going to take no small amount of energy on the part of the State leaders to stop this speeding bunch of "Y" athletes in their chase for the pennant.

Vincennes has met and defeated such strong teams as Wabash College, Merchants Heat and Light and Evansville Y. M. C. A. The locals with the Kixmiller clan of their line-up were nosed out of a game at Terre Haute with State Normal by a margin of two points, this being their only loss of the season.

Vincennes plays Rose Poly here tomorrow night. De Pauw on Jan. 6, the Evansville on Jan. 21 and the Nashville Ramblers late in the season.

The real strength of the Evansville team is the Kixmiller brothers, Elmer and George. Elmer, floor guard, hails from Chicago University and was a three "C" player there. George is the star forward of the team.

Mallory is a rummy center with a good eye for the basket and a good running game when on offense with McClure and G. Kixmiller. The back guard position is well taken care of by Swartz. Vincennes has a hunch the "Y" team to the limit and are confident that the athletes will win the remainder of the games on their schedule.

**Cornell Runners Lose**

LONDON, Dec. 30.—The joint Oxford-Cambridge cross-country team defeated Cornell University's cross-country runners over the Roehampton course today, 36 to 29. Morris of Oxford finished first. Carter and McDermott of Cornell were second and third.

**JACKSON AND MITCHELL**

NEW YORK, Dec. 30.—Willie Jackson and Pinkie Mitchell, aspirants for Benny Leonard's title, will meet at Madison Square Garden Jan. 7 in a fifteen-round bout. It was announced by Tex Rickard today. The boxers have agreed to make 135 pounds at 2 p. m.

**YANKEES ANNEX NET CONTESTS**

Tilden and Johnston Triumph in Opening Davis Cup Tennis Games.

AUCKLAND, New Zealand, Dec. 31.—America's tennis team got away to an auspicious lead in the contests for the Davis cup here yesterday by taking both the singles matches from the Australian team. William T. Tilden, American champion, defeated Norman E. Brooks, 10-8, 6-4, 1-6 and 6-4, but he had some difficulty in doing it.

William M. Johnston, former champion, had an easy time disposing of Gerald Patterson in straight sets at 6-3, 6-1 and 6-1.

The volleying and accuracy of Brooks' service was a feature of the first match. The court was a bit slow, but solid. When Tilden got his game started, he forced Brooks back by deep side-line drives.

The terrific pace of the first two sets seemed to tire Brooks at the start of the third set, but he gathered himself and by a supreme effort, which brought out the most brilliant tennis he won the set. After a temporary lapse from form, Tilden came back and literally smashed his way through to victory.

Johnston had an easy victory over Patterson in a match that lasted only an hour. Johnston drove with terrific speed and accuracy and he took every advantage of Patterson's weak back-hand and lack of service.

As a result of the victories of Tilden and Johnston the Americans need but one more match to carry the famous tennis trophy back to the States. Today the American stars were to face Brooks and Patterson in the doubles match, and tomorrow the concluding singles matches will be staged, Brooks playing Johnston and Tilden meeting Patterson.

NEW YORK, Dec. 30.—The national junior indoor tennis tourney reached the semi-final round here today. Vincent Richards, champion, was scheduled to meet William Aydelotte, formerly of California, and Jerry Lang was bracketed with Harry Pickels of Flushing, L. I. William Elsmann and Herbert Bearman have reached the final round in the boys' singles.
