THEFT TRAIL IN \$160,000 CASE IS NEARING END

Former Trusted Employee of Street Railway Suspected of Stealing Securities.

CHICAGO, Feb. 2.—Arrest of Berger T. Jager, former trusted employee of the Minneapolis Street Railway Company on charges of stealing \$160,000 in cash and securities, is expected to be made here today, according to detectives. Jager, detectives declare, has been traced to Chicago. A warrant charging grand larceny has been issued against him. Jager formerly was confidential secretary to A. M. Robertson, vice president and secretary of the Minneapolis Street Railway Company. It is charged that on Jan. 24 he removed \$167,000 worth of bonds belonging to the Duluth Street Railway Company, of which Robertson also is president, and cashed a check for \$4,825 signed by Robertson. Robertson received a letter of resignation from Jager the next day and an investigation revealed the disappearance of the bonds. Jager was reported to have boarded a train for Los Angeles, but detectives working on the case assert they have positive information that he is in Chicago.

HOLD-UP ONLY A CRAPS GAME

Victim of 'Auto Bandits' Revises Report of Loss.

A story of a hold-up by two automobile bandits told by Walter T. Wright, a city fireman at station No. 13 caused excitement in Brightwood last night. Wright appeared at the Railroadmen's Y. M. C. A. and telephoned the police. Sergeant White and the emergency squad were sent. Wright explained he was driving from Ft. Benjamin Harrison to Indianapolis and at Sherman Drive and Massachusetts avenue an automobile blocked the street. Two men got out and covered him with revolvers, he said. Wright declared they robbed him of \$85. The police took Wright to the scene of the hold-up, only a block distant. When they questioned him Wright charged his story and said the hold-up took place at Emerson and Massachusetts avenues. Sergeant White said, "Get in our car and go to police headquarters." At headquarters Wright admitted he lost his money in a craps game at the fort.

Eight-Story Hotel to Adjoin Spink Arms

Plans have been announced for the erection of a new hotel at 416 North Meridian street, adjoining the Spink Arms on the north, by the E. G. Spink Company. The building will be operated by the Spink Hotel Company, under the management of J. Guy Haugh. The new structure, work on which is to begin within two weeks, will be eight stories in height, of fireproof construction, containing 150 rooms, each with private bath. The building will be similar in exterior appearance to the present Spink Arms, to which it will be joined on the Meridian street side by a lobby. The project is being financed by Breed, Elliott & Harrison.

DOG HILL PARAGRAPHS

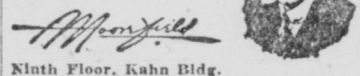

Tobe Mosley's wife saw her first moving picture show at Tickville Saturday night. She says she believes she likes magic lantern pictures the best as the characters in them are not so restless.

Clab Hancock, who sat next to the wall at Hog Ford church last Sunday, thought sure somebody was whispering at him and he nodded his head two or three times, but later found that it was only the wind blowing through a knot hole.

Dread of Extraction Found Without Foundation
More and more the family physician is asking his patient, when chronic disorders stubbornly resist treatment and the operating table seems near, "How about your teeth? Are they in good order?"
To put off extracting a decayed tooth or one that has an abscess at the root, is to leave a poison center in the body that makes disease incurable.
"The People's Dentists extracted my teeth without pain. I do not hesitate to say I am pleased. They deserve praise."—John D. McClure, 360 South Emerson avenue, Indianapolis.
