

BARKER WINS FLOOR FIGHT

Insistence on Minority Report Leads to Undoing of One House Measure.

Charges that the chairman of the House Committee on Judiciary, A. Representative Chester A. Davis, Jay County, had refused to submit a minority report on Senate Bill 63, signed alone by Representative R. U. Barker, Democrat, Pease County, and favoring indefinite postponement of the bill, and demanding that the chairman accept the report for the failure to submit the report, were made today by Mr. Barker on the floor of the House.

The charge came after the House had accepted a report on the bill favoring passage, and following reconsideration, the minority report was accepted.

The bill provided for a new section to the law prohibiting erection of a schoolhouse within 500 feet of a liveable, breeding barn, or railroad, and that no such industry could be located within 500 feet of a schoolhouse. The bill was introduced by Senator Hartzell of Ft. Wayne, and was designed to correct a situation in Allen County.

SETS OUT REASONS FOR OBJECTIONS.

Representative Barker declared that the House Committee on Judiciary, A. Representative Chester A. Davis, Jay County, had refused to submit a minority report on Senate Bill 63, signed alone by Representative R. U. Barker, Democrat, Pease County, and favoring indefinite postponement of the bill, and demanding that the chairman accept the report for the failure to submit the report, were made today by Mr. Barker on the floor of the House.

The charge came after the House had accepted a report on the bill favoring passage, and following reconsideration, the minority report was accepted.

The bill provided for a new section to the law prohibiting erection of a schoolhouse within 500 feet of a liveable, breeding barn, or railroad, and that no such industry could be located within 500 feet of a schoolhouse. The bill was introduced by Senator Hartzell of Ft. Wayne, and was designed to correct a situation in Allen County.

CLUBS ATTACK GERMAN STUDY

Parent-Teacher Organizations Adopt Resolutions.

Mrs. Curtis A. Hodges, president of the Indianapolis Federation of Parent-Teacher Clubs, in a stirring appeal to the women of the city, called a meeting of the federation this morning, urging members to keep the movement to keep the teaching of the German language out of the schools.

"It is too soon," she said, "to allow propaganda about in our schools."

The organization adopted a resolution favoring the teaching of German in the schools.

Mrs. Henry Heywood spoke on "Public and National Education," and Mrs. E. E. Landers on "Visual Education."

A musical program was given under direction of Mrs. Charles Maxwell, president of the Indianapolis Federation of Parent-Teacher Clubs, which was served in Hollenbeck Hall.

Miss Sue Blasingham, E. U. Graff and Ellsworth Blasingham spoke in the afternoon. Mrs. Frank Sheehan of Gary was to speak on "The Sand Dunes."

Lands West of Dallas in Try for Air Record

DALLAS, Texas, Feb. 22.—Lieut. William C. Coney, attempting a one-step, twenty-four hours' flight from the Pacific to the Atlantic coast, landed 200 miles west of Dallas, today.

Coney left Los Angeles, Cal., last night on the 2,070-mile flight. He planned to make only one stop during the flight—at Dallas. His Atlantic coast landing place was fixed at Jacksonville, Fla.

LOVEFIELD, DALLAS, Texas, Feb. 22.—Scout planes took the air here to search for Lieut. W. C. Coney, overdue on his one-step, coast-to-coast flight.

The scout planes were unable to see the ground from a height of 1,000 feet because of thick clouds.

It was that Coney missed the landing field was growing.

SAN FRANCISCO, Cal., Feb. 22.—In an effort to establish a new transcontinental air record, two planes took off early today for Reno, Nev., where two other planes were waiting to relay the mail eastward in a night and day flight against time. Farr Nutter and A. Little piloted the two planes that left here at 4:30 a. m. for Reno and planes from New York are expected to reach here tomorrow night.

Radiograms to the air mail service from Reno announced the arrival there at 8:30 a. m. of Nutter and Little at 7 o'clock. Planes bearing their cargoes were dispatched for Salt Lake at 6:35 and 7:10.

Witness Weakens in Matewan Trial

WV. LAMSON, W. Va., Feb. 22.—Dr. W. F. Hill, witness against the nineteen defendants in the Matewan murder trial, who had testified Abner Feltz, detective, did not fire the first shot, weakened on cross-examination today.

He admitted that Detective C. B. Cunningham partially obstructed his view of the doorway where the first shot was fired. He said he could not swear Feltz did not fire the first shot.

SHALE GIVES UP MANY PRODUCTS

Oil Experiments Conducted by State Department.

Extensive experiments are being conducted at the new shale oil extraction plant recently established in the laboratory of the division of geology of the State Department of conservation, Dr. W. N. Logan, State geologist, announced today.

The plant is a duplicate on a smaller scale of a plant to be erected in southern Pennsylvania by an Eastern automobile firm for the extraction of oil on a commercial scale from the New Albany shales. The smaller plant now in operation was installed by Louis Clarke of Ardmore, Pa., at his expense.

Some of the by-products which have been obtained are gas, coke, benzol, ammonium sulphate, pyridine, benzene and naphthalene. From the ash potash and lime have been obtained. Experiments will be conducted to determine whether the ash can be used in the manufacture of cement.

John R. Reeves of the division of geology is in charge of the experimental work.

Senate Passes Bill to Pay Railroads

WASHINGTON, Feb. 22.—The Senate today passed the Window Bill, the Senate bill providing for the payment of the sums due them from the Government under the guarantee provision of the Esch-Cummins law.

A proposal by Senator La Follette that payments under the guarantee clause of the transportation act be deferred until the interstate commerce commission determine whether the sums should be made, was defeated 47 to 19.

Ah, When's Bedtime?

Charles Chaplin was leaving a motion picture hall when he was accosted by a monomaniacal dude who pretended to mistake him for a servant. "I say, my man," he commanded, "call me a four-wheeler." "All right, you are a four-wheeler," responded Chaplin. And as he walked away the comedian turned and added, "I could hardly call you hansom, you know."

LAY MEMORIAL CORNER STONE

Masons Hold Ceremony at Site of New Building at Franklin.

(By Staff Correspondent.)

FRANKLIN, Ind., Feb. 22.—The corner stone for the Scottish Rite World War Memorial building at the Masonic Home here was laid this afternoon with the ritualistic ceremonies of the Grand Lodge of the Free and Accepted Masons, before a crowd of approximately 500 Masons from this city, Indianapolis and surrounding cities.

The Indianapolis delegation, numbering 325, arrived at 1:30 o'clock on a special train, which was run in on the Masonic Home siding, thus taking the guests directly to the scene of the ceremony, which began at 2 o'clock.

George M. Spiegel, three potent master of Adoniram Grand Lodge of the Scottish Rite, and as such head of the deliberative bodies of the Scottish Rite, officiated as most worshiping grand master of the Indiana Grand Lodge, F. and A. M., and Grand Master Schweitzer and the following official staff assisted in the ceremonies.

Edward J. Scooner, deputy grand master; Will J. Dobyns, senior grand warden; Edward B. Raub, junior grand warden; Nathan T. Walters, grand treasurer; John J. Twine, superintendent of the building; John T. Sautter, grand marshal; the Rev. Loudon A. Harriman, grand chaplain; and Robert G. McClure, grand secretary.

REV. HARRIMAN MAKES ADDRESS.

The official speaker was the Rev. L. A. Harriman, who said the spiritual is best represented in material objects, citing as an example, that which there could be no better the nation in giving rise from the corner stone laid today as symbolizing the love and esteem in the hearts of the Masonic body for their brethren who had offered their lives to their country in time of need.

Among the articles that were placed within the corner stone were the following:

Prayers and announcements of Scottish Rite classes from January, 1917, to date.

Scottish Rite roster of July, 1920.

Copy of Scottish Rite by-laws.

Pictures of the nation in giving rise from the corner stone laid today as symbolizing the love and esteem in the hearts of the Masonic body for their brethren who had offered their lives to their country in time of need.

Letter Carriers to Be Entertained by Banquet Program

Conservatism marked the business session of the Indiana State Association of Letter Carriers, which is held today, twenty-third annual convention today. Although a higher salary basis for letter carriers and postal employees in general is favored by the association, a marked feeling developed among the delegates that in view of existing business conditions throughout the country that was not the proper time to take active steps in that direction.

A resolution was adopted favoring a thirty-day leave of absence for carriers each year instead of the fifteen days now allowed. It was explained that almost every other department of the Government gives its employees an annual vacation of thirty days.

A recommendation was also made favoring a change in the compensation now paid carriers who are sent through illness or injury. At present this compensation is paid on a basis of a percentage of the old salary scale, and the association wishes this percentage to be figured on the present salaries of the carriers.

The business session was addressed by Robert L. Mase of Indianapolis, J. E. Anderson of Terre Haute, president of the State Association, Edward J. Galt of Muncie, president of the National Association; John T. Mugavni of Cincinnati; and Mrs. Elizabeth Johnson of Ohio.

The ladies of the ladies auxiliary, Harry Yockey, city attorney, made an address of welcome on behalf of Mayor Jewett, who was unable to be present.

Delegates are in attendance from all over Indiana. The convention will close this evening with a banquet at the Y. M. C. A., at which there will be a number of special features to be offered by Miss Lucile Row, who will give a program of readings and interpretive dances. Miss Row is a student in the College of Music and Fine Arts.

GERRYMANDER ADOPTED OVER THREAT OF TEST

(Continued From Page One.)

and a Joint Representative with Parke County.

Parke County to receive one Representative instead of a Joint Representative with Vigo County.

Monroe County to get one Representative instead of a Joint Representative with Brown County.

Brown County and Jackson County to have a Joint Representative, instead of Jackson County having one Representative and Brown County having one.

Efforts of the Vigo County delegation to retain the Joint Representative with Parke County were futile, as the committee entirely disregarded its pleas. As a protest against the committee's action, the two Vigo Representatives voted against passage of the bill. Representative Shugart, Grant County, also voted "no" and protested on the floor. The committee's action, reducing the representation of Grant County.

When the motion for suspension of the rules to pass the representative apportionment bill was made by Representative Willis, Representative Barker, Posey County, moved that the enacting clause be stricken out. He explained he did not expect the motion to carry, but stated his purpose was to serve warning to the majority members that they were running as swiftly as possible toward destruction.

"You fellows remember that this bill will not stand the test of the courts as it is now worded and that after the Supreme Court passes on the bill the apportionment will be the same as it now is, and I will be back here again."

"I know that as far as this bill is concerned Posey County is off the map as far as the election of a Democratic Representative is concerned."

Posey County, in the new apportionment, is linked with Vanderburgh and Warrick Counties, and the election of a Democrat in that district in the new district would be one of the wonders of the political world.

"I know this thing is all out and dried and that the steam roller is rolled up and working to perfection. But I warn you that you are riding to your own destruction," said Representative Barker.

Representative Hougham of Johnson County, which is given a Joint Representative with Marion County, attempted to gain the floor to protest against this combination, but was denied recognition. When his name was called on the roll, however, he stated his objections in explanation of his vote.

"I want to tell you people that the map as it is now worded and that after the Supreme Court passes on the bill the apportionment will be the same as it now is, and I will be back here again."

"I serve notice on you that this law will be tested in the courts and that it will never stand the test of constitutionality."

The vote on the Representative apportionment bill was 73 yeas and 14 noes.

CHANGES MADE IN SENATORIAL MEASURE.

Objection, although not so strenuous, was also raised in the House over the amendments to the senatorial apportionment bill. Last minute amendments were made following changes in this measure.

Porter, Jasper, Newton and Pulaski Counties are made one district, instead of Porter, Jasper, Newton and Benton, as originally provided for in the bill.

Clinton County is joined with White and Carroll, in the place of Pulaski County.

Benton County, which originally was placed with Porter, Jasper and Newton Counties, is placed with Tippecanoe County, which formerly had one Senator.

Brown County is taken away from Dearborn and Bartholomew Counties and is placed with Monroe and Green, which formerly had one Senator.

Vigo is detached from Parke County in favor of Jay County, for one Senator, and the Joint Representative is placed with Sullivan County in place of Clay.

Floyd and Crawford replace Washington and Jackson Counties with Harrison County, to form one district.

Dearborn County replaces Franklin in the district comprised of Ripley, Jennings and Franklin, as originally planned.

Hartsville—Repealing county library act and distributing collateral for that purpose to the special school fund.

Aldridge—Giving majority of property owners abutting on rivers right to petition concerning the right to stock waters with game fish and establish therein a State breeding ground.

The following bills were introduced: Aldridge—Repealing county library act and distributing collateral for that purpose to the special school fund.

Holmes—To amend an act for the establishment and maintenance of public libraries in cities and incorporated towns.

Lindley—To amend an act relating to recording names and residences of persons under names other than their own.

Duncan—Giving majority of voters in two or more school districts in adjoining townships right to petition trustees to establish a return of truancy, ability, confidence and progress through the entire world.

Duncan—Giving majority of voters in two or more school districts in adjoining townships right to petition trustees to establish a return of truancy, ability, confidence and progress through the entire world.

SPRAKLIN CASE COMES TO TRIAL

Grand Jury Indicts Minister for Manslaughter.

SANDWICH, Ont., Feb. 22.—The trial of the Rev. J. O. L. Spraklin, charged with manslaughter in connection with the killing of Beverly Trumble, Inkeper, Nov. 26, was to begin here this afternoon. The Essex County grand jury late yesterday voted the manslaughter indictment, after the minister had been acquitted by a coroner's jury.

Spraklin, in progress today Trumble's roadside. Trumble met them at the door and after an exchange of words a shot from Spraklin's revolver felled the Inkeper.

Spraklin claimed self-defense, and it was on these grounds that the coroner's jury acquitted him.

CHARGE KLAUSS PAID HIMSELF \$3,415 ILLEGALLY

(Continued From Page One.)

Insurance departments. No date, no vouchers, no affidavit. Approved by P. J. Goodrich, Governor.

Governor's emergency contingent fund, to L. A. Klaus, secretary of the contingent fund, \$400. J. P. Goodrich, Governor.

Insurance examiners' expense, claim filed Nov. 25, 1920; O. L. Klaus, expense to St. Paul, Minn., for travel, \$174.50. No date, no vouchers.

Land department traveling expenses, claim filed March 19, 1920; to Henry W. Kramer, sworn to before Otto L. Klaus, no vouchers, \$47.75.

Claim filed April 24, 1920; W. H. Kreamer, traveling expenses of Klaus and Kreamer, no vouchers; affidavit made before Klaus as agent, \$292.00.

Claim filed Nov. 6, 1920; Otto L. Klaus, railroad fare, etc., Gary and return, \$35. Incomplete affidavit, no date, no vouchers, \$80.

\$800 TO KLAUSS ON WARRANT.

Under the head of office expense the report shows that a warrant was issued to Otto L. Klaus, Nov. 17, 1920, for traveling expenses for insurance and banking departments during the years 1917, 1918 and 1919, amounting to \$800. The claim carries no affidavit or date of vouchers, the report states.

The report also shows a number of illegals charges in one case. In one case it is shown that \$500 was credited to the land department which should have gone to another department. The money was collected as rent on State property. In another case the examiners found a claim of \$53 forfeited to the college fund erroneously charged to State lands.

Excessive payments were made by the auditor for surveys, according to the report. In one case E. E. Doeppers was paid \$20 for surveying a plot of ground and examiners say they could find no other vouchers for the same. Another similar payment of \$20 to Doeppers is listed as bogus.

Another payment which the examiners say was excessive was \$306.50 paid to Alfred A. Savary, surveyor of Starke County.

The report has the following to say in the matter of the loan and credit department:

"This department was organized under the provisions of the act of 1917. This act does not provide for salaries and expenses."

In the matter of the bank examiners' salaries the report says:

"The regular appropriations act of 1919 provides for the salary of seven bank examiners at \$2,500 each, a total of \$17,500."

"The account shows an expenditure of \$10,758.07. This causes an overdraft of \$2,257.07, which is apparently without legislative authority."

The report shows that ten "assistant bank examiners" were paid salaries of \$1,385.70 and expenses totaling \$942.96, a total of \$2,328.66. The examiners say there is no provision in the law for the employment of assistant bank examiners or for such expenditures.

The report also shows a complete statement of the financial condition of the State on Sept. 30, 1920. It shows that the balance Oct. 1, 1919, was \$3,974,831.34; that the total of receipts was \$12,832,383.36; that the disbursements for the year, the report shows, were \$10,824,735.55, leaving a balance sheet of \$4,982,479.15.

During the last fiscal year the Governor's office spent \$245,146.66, according to the report. This included a payment of \$10,000 from the emergency fund and \$15,000 from the civil and military contingent fund. It also shows that the Governor spent for alterations and repairs at the Statehouse \$271,713.33.

The various salaries and diets in Indiana caused an expenditure of \$110,172.61 from the riot fund, the report shows, in addition to \$17,886.94 for the militia itself. The total expenses of the adjutant general's department were \$28,525.35.

The report shows the two special sessions of the Goodrich Legislature cost the State \$35,251.95.

HOG MARKETS TONE STRONG

Swine Prices 25 to 35 Cents Higher, Due to Light Receipts.

Influenced by local light receipts and a strong demand by both the shippers and local packers, hog prices were 25 to 35 cents higher at the opening of the local live stock exchange today. There were a few sales, but they were really outside the regular market, that were close to 50 cents higher. There was a top of \$10.50 for a few extra fancy light hogs, but the bulk of that grade brought \$10.25 to \$10.50. Mixed hogs generally brought \$9.50 to \$10.00 at the price of \$10.00. Pigs were close to 75 cents higher in instances, with a top of \$10.50 and the bulk of that grade at \$10.00 to \$10.25. Roughs were fully 25 cents higher at \$7.50 to \$8.00.

The bulk of sales for the day ran \$9.00 to \$10.00.

With cattle receipts extremely light and a slow demand, there was a holiday spirit in the atmosphere of the alleys and many of the commission men came to the yards with a few lambs, but fresh cattle in the yards, with but few state cattle from the market of the day before.

With close to 150 sheep and lambs on the market, prices were barely steady, with a top of \$1.50 and a few lambs. Sheep generally brought \$1.25 to \$1.50.

HOGS.

Best light hogs, 100 to 200 lbs., average..... \$10.25 to \$10.50

200 to 300 lbs., average..... 9.00 to 9.50
