Resolution Paves Way for Commission to Gather Full Statistics.

### LINDLEY SEEKS FACTS

A commission of five members to be appointed by the Governor and paid out of the Governor's emergency contingent fund would investigate the condition of the common, and high schools of the State and of the three State institutions of higher education and would make recommendations at the next regular session of the Legislature under the provisions of a concurrent resolution adopted by the Senate yesterday afternoon. The motion was introduced by Senator Alonzo Lindley, Kingman.

The commission is instructed in the resolution to go into minute detail as to the condition of the schools and to make public a report not later than April 1, 1922. Senator Lindley said his purpose in introducing the resolution was to find out facts concerning the schools, their condition and their finances which he is unable to learn from any available source at present.

### ATTEMPT TO RAISE SCHOOL LEVY FAILS.

An attempt on the part of Senator Winfield Miller, Indianapolis, to amend the House school levy bill to provide for a levy of 10 cents instead of 7 cents on each \$100 of taxable property, failed. ## Steady Work Held Long Living Secret

SPRINGFIELD, Ohio, March 2.—"I do not think there is any rule for longevity," said Gen. J. Warren Kiefer, who recently celebrated his eighty-fifth birthday. General Kiefer, active at his profession as an attorney, is one of the three living former Speakers of the national House of Representatives. "I feel, however, that had I not been at work all my life and had I stopped working ten years ago I would be dead now," continued General Kiefer. "There is much in keeping one's mind occupied."

"I eat but two heavy meals each day—my breakfast and the evening dinner. I usually smoke about three cigars each day, after I eat."

"Then, one must have regular habits."

## Courtship Ends in Trial on 2 Charges

FAIRMOUNT, W. Va., March 2.—It does not pay to trifle with women even if the woman may be as good as dead. Here's the proof. Emmet Layman went out now and then with Miss Lola Tucker. He decided he was her steady fellow until he was jolted by the announcement of her forthcoming marriage to another man. This upset Layman, and meeting Miss Tucker on the street he beat her up. She was unconscious five hours, she says.

She got revenge by telling the police that Layman was a liquor law violator. His home was raided and forty quarts of liquor secured.

Layman is now held on two charges—assault and battery and violating the prohibition law.

## Home-made Remedy Stops Coughs Quickly

The best cough medicine you ever used. A family supply easily and quickly made. Saves about \$2.

You might be surprised to know that the best thing you can use for coughs, is a remedy which is easily prepared at home in just a few moments.

It's cheap, but for results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant—children like it.

Four 2½ ounces of Pinex in a pint bottle then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

## HOUSE REACHES COMPROMISE IN WAR MEMORIAL

Marion County and Indianapolis to Decide Participation by Vote.

### COMPANION BILLS PASS

After a compromise amendment had been accepted providing that the question of whether Marion County and the city of Indianapolis will join with the State in building a World War Memorial must be decided at a referendum, the House yesterday passed the three companion memorial bills. They now go to the Senate for further consideration.

Under the terms of the amendments, which were introduced by Representative Russell R. Harrison, Marion County, 5 per cent of the voters may petition for a special election. If the petitions, however, are not filed thirty days after the second publication of the intentions of the county council and the city council to act on the memorial, those officials may proceed without the special referendum.

There are three memorial bills. One gives the county the right to join the State in the undertaking, the other grants a similar power to the city and the third authorizes the State to accept the gifts.

COUNTY AND CITY TO PROVIDE SITE. The participation of the county and city as outlined by the sponsors of the movement, would take the shape of acquiring the tract of land between St. Clair and University parks lying between Meridian and Pennsylvania streets and presenting it to the State as the site for the memorial.

The State at the special session approved.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 50c.

Catarrhal Deafness and Head Noises

TELLS SAFE, SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Eucalypti (Double Strength). Take this home and add to it ½ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easier, while the distressing head noises, headaches, dizziness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucous dripping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is held that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.—Advertisement.
