

## JUVENILE BILL PROVIDES FOR STATE CONTROL

Chief Probation Officer and Advisory Board to Supervise Work in Counties.

### HOUSE PASSES MEASURE

A State juvenile probation officer, to serve for a term of four years at an annual salary of \$3,000, and an advisory juvenile committee of five members to serve four-year terms, without compensation, would be created by the provisions of a bill introduced by Representative Russell K. Bedgood, Tippecanoe County, and passed in the House of Representatives Wednesday afternoon. The bill provides that the various officers are to be appointed by the Governor within thirty days after the act is effective.

The probation officer, by the terms of the bill, must be a person well trained in juvenile probation work and he would cooperate with local probation officers, and while working in any county in the State, he would have all the powers that are conferred on the local probation officer. His duties would be to prescribe the qualifications of all local probation officers, and would have authority to appoints of local probation officials. He would cooperate with the local authorities in an endeavor to secure the most effective application of the probation system and enforcement of the probation laws in all parts of the State.

**PROVISION FOR MEETINGS.** The members of the advisory committee, as their title implies, would serve in an advisory capacity to the juvenile officer and would hold one meeting each year. Called meetings might be held, however, on call of the juvenile officer, the Governor or a majority of the committee.

Local probation officers would be compelled to submit quarterly to the State officer, any information relative to the probation work of the State which the State officer might request. Failure to submit this information would subject the local officials to a fine of not less than \$10 nor more than \$200. A report would be made by the State officer to the Governor on Dec. 1 of each year and he would submit such reports to the Legislature as are deemed advisable.

No person who is not a father or mother engaged in rearing their own children would be eligible to serve either as the probation officer or as a member of the committee, according to the bill. The measure carries an appropriation of \$8,000 annually to defray all expenses incurred by the new department.

Members of the House failed to act consistently in their war on salary increases when they failed to adopt an amendment, submitted by Representative Noble Mallott, Lawrence County, to the Nichols bill, which would increase the salary of the State bank commissioner. The bill provides a salary of \$5,000 a year, and Representative Mallott wished to cut the salary to \$4,000. The commissioner now receives a yearly salary of \$3,000, as fixed in the 1919 act, which created the department of banking.

The House passed the Osborn bill, providing for the incorporation of the town of La Crosse, in La Porte County. The House, on motion of Representative Otto G. Fifield, majority floor leader, unanimously concurred in Senate resolution No. 6, which provides for an educational survey to be conducted during the next two years. Those conducting the survey are to report to the next General Assembly.

### HOUSE ADOPTS CLARK RESOLUTIONS.

Resolutions similar to those adopted in the Senate, and introduced by Representatives R. E. Barker, Posey County, and Thurman Gottschalk, Adams County, were passed by the House, on the death of Champ Clark, former Speaker of the National House of Representatives.

Other bills passed in the afternoon session were: Bailey, increasing the salaries of officials in second class cities, in order to benefit present incumbents, and empowering city councils to fix salaries on a sliding scale. Curry, amending the hospital laws to prevent hospitals from refusing to accept patients who do not employ physicians on such hospital staff. Benedict, providing for resurfacing and

## Pioneer Resident of South Side Dies

ANNA STUMPH TRIEMPER.

Mrs. Charles J. Triemper, 64, life-long resident of Indianapolis, and prominent in women's organizations in the city, died today at her home, 333 East Merrill street. Mrs. Triemper formerly was Anna Stumph, daughter of John Stumph, who in the early days was a well-known stone contractor with shops where the Union Depot now stands. She was born March 21, 1857, and was married in 1878 to Charles J. Triemper, head of the American Tent and Awning Company, who with three children survives. The children are John C. Triemper, Mrs. Lillian Tell and Egidius V. Triemper, all of Indianapolis. One brother, Valentine Stumph, and an aunt, Mrs. Kathryn Reiser, also survive. Funeral services will be held Monday afternoon, with burial in Crown Hill cemetery.

Mrs. Triemper received her early education in the Indianapolis public schools and at a private school in Maryland street near Alabama. She later was graduated from the Hope Seminary, at Hope, Ind., and was for years president of the Hope Seminary Alumni Association here. She was supreme commander of the Cosmos Sisters, having been one of the founders of the organization, and established Cosmos lodges in many cities, including Evansville, Cincinnati, Chicago, Youngstown, Ohio, Wheeling, W. Va., and New York City. Mrs. Triemper was a prominent member of the Ladies of Macabees, Mincola Council, Peabodias; Ben Hur Sisters, Indianapolis. Lodiokranza and until illness prevented, an active member of the Independent Athletic Club.

Hoffman, providing penalties for circulation of false or derogatory statements concerning financial institutions. Noll, providing delegates to State conventions shall be on a basis of one to each 400 voters and one delegate for each fraction of 200 or more votes in every county, to be apportioned among the precincts. Made necessary through adoption of woman suffrage.

De Long, providing for the holding of township teachers' institutes on one Saturday of each month, and two if school authorities so authorize, and granting pay for same.

Fifield, amending an act concerning real property, providing that full name and post-office address must be on mortgages filed with the county recorder. Valley, amending the 1919 aviation flying field act so that cities or counties may rent instead of buying fields.

**GIVEN TEN DAYS SENTENCE.** George Miles, negro, living at 1129 East Nineteenth street, was found guilty of a charge of petit larceny and was fined \$1 and costs and sentenced to serve two days in jail by Judge Walter Pritchard in city court yesterday afternoon. Miles was arrested by Patrolman Ten Brook Tuesday morning at the Lake Erie tracks and Nineteenth street stealing coal.

## MILLIONAIRE IS FOUND SUICIDE

Speculation Blamed for Act of Omaha Man.

OMAHA, March 3.—Emil Rothschild, millionaire grain operator and president of Robert Rothschild's Grain Company, committed suicide in his home here early today.

Heavy losses in cash grain and in foreign market speculation were responsible, according to notes left by the dead man. Mrs. Rothschild found the body in the kitchen with the gas in a stove turned on.

### Meeting Called to Outline Campaign

Plans for the campaign to open Sunday to obtain money with which to relieve suffering among the thousands of starving women and children of Ireland, will be taken up at a district meeting of workers to be held tonight at Fountain Square hall. John C. McCoskey, chairman of district No. 12, has called the meeting and more than two hundred persons are expected to attend.

The fact that the campaign is not affiliated with any political or religious body but is purely an enterprise of mercy will be emphasized by speakers at the meeting, which will open at 8 o'clock. Speakers will include Mr. McCoskey, P. C. Reilly, chairman of the State executive committee; John R. Welch, treasurer of the State committee; Joseph A. McGowan, William F. Fox and James E. Deery.

The campaign in Marion County will start next Sunday and continue through March 12. The campaign in the State, however, will not be started until March 13, and will continue through March 31. It is hoped to obtain a total of \$350,000 in Indiana.

### Italian Communists Kill Four Soldiers

MILAN, Italy, March 3.—Four soldiers were killed and five wounded when two lorries filled with Carabinieri and sailors were attacked by communists at Empoli, sixteen miles west of Florence, according to a dispatch from Florence today. The remainder of the soldiers and sailors fled. Troops were sent to Empoli to restore order.

The situation at Trieste and Florence, where there has been violent fighting between communists and nationalists, is improving.

## Driven Wild by Eczema

"The leg was like a piece of liver from the knee to the ankle and burned continually," writes E. H. H. of Venice, California.

"From the first application, D. D. D. stopped the itching, and after using three bottles the trouble disappeared and it never came back."

The proof of the pudding is in the eating. When a prescription for skin disease has little telling of cures from every part of the United States, surely it is enough to convince the most skeptical. D. D. D. relieves itching, burning, and all other troubles. Just try one bottle on our money-back guarantee, 45c, 90c and \$1.00. Try D. D. D. Soap, too.

## House Move Said to Embrace Plan for Omnibus Bill

The House, which has been holding night sessions in order to dispose of the great accumulation of bills, has abandoned that method and appointed a steering committee to pilot through the more pressing matters as the Assembly moves toward sine die adjournment next Monday night.

The committee is composed of Representatives Omer U. Newman, Marion County; Lee L. Osborn, La Porte County; Ray V. Gibbons, Madison and Tippecanoe counties; Ray C. Morgan, Henry County; and Noble Mallott, Lawrence County.

It is understood the naming of the committee is the forerunner of an omnibus bill if it is deemed necessary at the last minute. The Representatives, however, have some fears as to the welcome an omnibus measure might receive in the Senate, in view of the declaration of Lieutenant Governor Branch at the outset of the session that he would countenance no such moves.

## Thief Frightened by Woman's Scream

Thieves broke into the garage of M. Logansky, 914 South Merrill street, early today. An automobile tire and three pairs of pliers were stolen.

Mrs. Ethel Hunt, 622 Beecher street, proprietor of a grocery at that address, was awakened by some person trying to break in the door of her store. She looked out of the window and saw the flashlight used by the thief. She screamed and the prowler ran without getting into the store.

### Baby Dies in Night

Harry Edward Scarborough, 3-week-old son of Mr. and Mrs. Sylvester F. Scarborough, 3842 Brookside avenue, was found dead in bed early today. The baby was sleeping with his parents. At midnight Mrs. Scarborough nursed the baby and then went to sleep and at first it was supposed the child had been smothered to death. Motor Police Morarty and Harris, who investigated, notified Dr. Paul F. Robinson, corner. He pronounced death due to lobar pneumonia.

## BROKEN LOCK GIVES ALARM

House Engrossing Room to Be Guarded.

Suspicion of the members of the House of Representatives again have been aroused, following the discovery of a broken lock on the door of the House engrossing room. The lock showed evidences of having been tampered with, although nothing has been altered in the papers in the room so far as investigation can discover. A close watch is being kept on the room by the doorkeepers and the employees in that department.

The broken lock was discovered last night, although it was learned on Tuesday that it was not working properly. On that night, when Mrs. Zola Sholte, Crawfordville, chief engrossing clerk, attempted to lock the door she found the key would not turn.

She called Representative Raymond E. Willis, Steuben County, who, after much work, succeeded in locking the door.

On Wednesday night when Mrs. Sholte was ready to lock the door she again had trouble.

This time she called to Representative Ray V. Gibbons, Madison County, who tried to lock the door. When he attempted to turn the key the whole lock slipped from the door. A guard was placed in the room and all the papers and bills were removed.

Mrs. Sholte stated that as far as she knows nothing has been missed from the room, but the lock will be repaired at once and a close vigil kept on the room, she said.

### Third Courtesy Trip Is Set for March 16

Greenwood, Franklin, Edinburg, Columbus and Seymour will be visited by Indianapolis wholesalers Wednesday, March 16, on their third courtesy trip. The party will include among its speakers Don C. Prentiss.

The car will leave Indianapolis at 7:30 a. m. and will return at 10:30 p. m. There will be a joint luncheon meeting with the Chamber of Commerce of Columbus, and in the evening the party of visitors will be entertained by the Seymour Chamber of Commerce.

It is expected at least seventy wholesalers will be in the party.

## Police Say Farmer Admits Forgery

Special to The Times.

COLUMBUS, Ind., March 3.—James T. McClain, a farmer living near here, was arrested here Wednesday on a charge of forgery. He was arrested the day before

and taken to Franklin on a charge of burglary, where he gave bond and was released.

After his arrest here, Chief of Police Cooper obtained a written confession to the forgery from him. He confessed to having forged the name of Firman Grove to a check which he cashed at a local bank.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

County fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache, no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream to your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure—Advertisement.

## The Response To a Stimulus

How Increased Nerve Force Enables People to Accomplish Their Most Treasured Ambitions.

The nerves seem to have gone completely to smash and the last atom of iron has apparently been burned out of

the blood. There are more of such men and women today than at any other period in the last thirty years.

There has come into prominence a prescription used by a leading Ohio physician that is so easily and so promptly obtained in recent years. It is called Reolo, and it lifts these nerveless, bloodless cases exactly.

In one of the prominent drug stores it has completely superseded all other preparations variously called tonics. The clerks see its marvelous benefits daily. Men and women who have come in sick, unhappy, discouraged and defeated and again seen in a week or a month after using Reolo are not the same people either in appearance or action. They have gained flesh, strength, real serious strength; their blood is rich and red; they walk and talk with animation, there is a tingling of color in the face, a snap to the eye that shows the vital processes have been enhanced to their full, natural activity. Ask any clerk at Henry J. Huder's drug stores, Wash. and Penn. St. and S. E. Cor. Mich. and Ill. Sts., or any leading drug store about Reolo. They will recommend it as the greatest reconstructive medicine that ever went over their counters. Get a \$1.00 box today and prove it in your own case. —Advertisement.

## Bad Stomach Sends Her to Bed for 10 Months

Eatonlc Gets Her Up!

"Over a year ago," says Mrs. Dora Williams, "I took to bed and for 10 months did not think I would live. Eatonlc helped me so much I am now up and able to work. I recommend it highly for stomach trouble."

Eatonlc helps people to get well by taking up and carrying out the excess acidity and gases that put the stomach out of order. If you have indigestion, sourness, heartburn, belching, food repeating, or other stomach distress, take an Eatonlc after each meal. Big box costs only a trifle with your druggist's guarantee.

At first no disease is apparently more harmless than dropsy; a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally great shortness of breath, cough, faint spells, sometimes nausea and vomiting, and a lingering and wretched death if the dropsy is not cured.

Dr. Miles has been known as a leading specialist in these diseases for thirty years. His liberal offer of a \$3.75 Treatment free to all sufferers is certainly worthy of serious consideration. You may never have such an opportunity again.

The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pure-Laxa for removing the water. This treatment is specially prescribed for each patient and is three times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. Delay is dangerous.

Send for Remarkable Reports of Cures. All afflicted readers may have D.O.E. Examination Chart, Opinion, Advice and a Two-Pound Trial Treatment free. Write at once. Describe your case. Address Dr. Franklin Miles, Dept. D.A. 154 to 164 Franklin St., Elkhart, Ind.—Advertisement.

SMALL business is essential to our national prosperity and has won for itself an important and an enduring place. But small business, however multiplied, cannot undertake to serve the public in a big way where unity of service is necessary.

This must be accomplished by great, highly specialized organizations, managed honestly and efficiently, and functioning to the benefit of all the people.

Such an organization is the Standard Oil Company (Indiana).

Its business is to refine crude petroleum into the many products needed by the people—to provide a system of distribution which will make them available everywhere, and to sell at a price which is fair to all.

To accomplish this, 25,000 men and women devote all their time, energy, and intelligence to the task, while the stockholders have invested more than \$200,000,000 of capital.

In preparing to meet the demands of industry, agriculture, and motorists throughout the 11 Middle Western states served, the Company is now refining petroleum to the limit of its vast refinery capacity.

It is distributing gasoline, kerosene, and lubricating oils to its bulk stations throughout the territory in order that it may be in position to give immediate service when the Spring and Summer rush comes.
