**Richmond Officials to Block National Highway.**

SPECIAL TO THE TIMES.—Richmond, Ind., March 18.—Immediate steps to close the National road here will be taken by the board of works and the city attorney despite opposition by Miss Esther Griffin White, who has sought to enjoin the board from closing the highway because of its historical interest.

Action by the board was stopped when Miss White applied for an injunction to prevent the carrying out of an order to permit the dumping of earth in the roadway. The board did not fight her action, admitting it had taken the wrong step. The new course of the board will be to have the city engineer prepare specifications calling for the raising of the grade along his section of the road.

Miss White maintains that she will combat any move to eliminate the thoroughfare and old bridge.
