

## NEXT THURSDAY SET FOR RITES OVER CARDINAL

Body of Gibbons Will Be  
Placed Under Altar in  
Baltimore Cathedral.

### PRIMAL SEE UNCHANGED

BALTIMORE, March 25.—With Thursday of next week as the definite date for the funeral of Cardinal Gibbons, preparations are under way here for the reception of the distinguished clergy and laymen who will be present at the last rites.

The body of the late Cardinal will rest in the archiepiscopal residence until late Easter Sunday. It then will be removed to the cathedral, where the body will lie in state until the close of the funeral services Thursday. The body then will be placed in a niche in the crypt under the high altar, where it will remain as long as the present cathedral stands.

Despite the death of Cardinal Gibbons, Baltimore will remain the primal see of the Catholic church in the United States. It is stated. There will be no shift of authority, since the choice of a successor to the archbishopric here involved no question of seniority or rank. This means that Baltimore will remain the seat of an archbishop, a successor to the cardinal to be named by Pope Benedict XV at some future date from among the bishops and archbishops of the United States.

It is believed, however, that the successor to Cardinal Gibbons as archbishop of Baltimore is not likely to be elevated to the cardinalate in the very near future. Perhaps within the next six months a new archbishop will have been selected to take over the reins laid down by Cardinal Gibbons at his death.

The affairs of this archdiocese in the meantime will be conducted by an administrator, to be appointed at a special meeting of the consultors of the archdiocese to be held at the late Cardinal's residence.

### 'BROAD-MINDED' IS FRENCH COMMENT

PARIS, March 25.—The French press today paid high tribute to the memory of the late Cardinal Gibbons.

The comment of French Paris was typical. This newspaper said: "Cardinal Gibbons was a broad-minded and distinguished theologian and a learned exponent of Catholicism. He was esteemed by Roman Catholics and Protestants alike."

### Milk and Bread Left by Surprised Thief

A thief who was making a collection of loaves of bread and bottles of milk and cream left all that he had collected when surprised in the act of stealing a bottle of milk from the porch of Charles Randalls, 115 West Eleventh street, today. For a number of mornings Mr. Randalls has been forced to drink his coffee at breakfast without cream, for each day his supply was stolen.

He arose early to be on watch. About 5 o'clock a man carrying a basket walked to Randalls' front porch. When Randalls appeared the thief deserted a basket containing six loaves of bread, one quart of milk and a pint of cream. The basket and its contents were taken to police headquarters.

### Thrown From Car; Sues for \$25,000

SHELBYVILLE, Ind., March 25.—The complaint of William C. Woodruff against the Terre Haute, Indianapolis & Eastern Traction Company for damages of \$25,000 was docketed yesterday in Shelby Circuit Court on a change of venue from the Marion Superior Court. The plaintiff charges he was permitted on July 31, 1920, to ride in the baggage compartment of one of the company's cars, "which was operated in a careless and negligent manner; that the car gave a sudden lurch at the intersection of Kentucky and Capitol avenues, throwing the plaintiff through an open door against a passing street car and to the pavement." He asserts that he has been permanently disabled as a result of the accident.

### Seek Mishawaka Child Taken in Auto

SOUTH BEND, Ind., March 25.—Northern Indiana cities are being searched by police officials in an effort to locate Farleya Eldon, 5, daughter of Mr. and Mrs. John Eldon, who live north of Mishawaka. The child mysteriously disappeared from her home Tuesday afternoon.

Two of the child's playmates say she was taken away in an automobile while they were playing in the front yard. A man in a machine drove up in front of the house, the children say, called the child, took her in the car and drove away.

SPECIAL TO THE TIMES.  
RICHMOND, Ind., March 25.—A new collection of sonnets and other verses by William Dudley Foulke, prominent poet of this city, has just come off the Oxford University press. Copies of the book have been received in this city.

Mr. Foulke has grouped his poems under the following heads: "Life and Love," "Common Weal," "Old Art and New," "Indiana and Elsewhere," "Prose and Poetasters," "Fire," "War Poems," and "In the Struggle."

The poems which the local poet wrote during the war period portray his faith in the righteousness of the allied cause, and stirring appeals to America to prepare for her entrance into the struggle.

### WHAT A TONIC DOES FOR YOU

AND WHY YOU NEED IT IN SO MANY INSTANCES WHEN YOU ARE RUN DOWN, NERVOUS OR HAVE HAD TO ENDURE GREAT STRAIN OR WORRY OF ANY KIND.

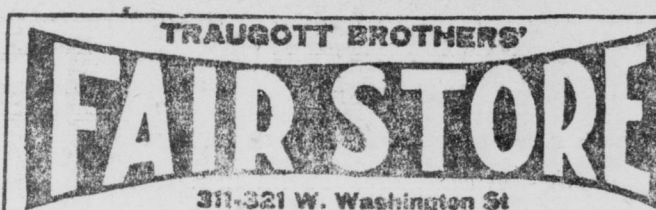

A tonic is something which puts tone, energy, strength and endurance into you. It gives a push to your heart, making it pump the blood over your body more vigorously; it makes your lungs expand more fully and thereby take up more strength-giving oxygen from the air you breathe; it makes your kidneys work better and carry off the poisons which would otherwise accumulate in the body; it makes your digestive apparatus perform its work better and give your blood the material it needs for feeling and sustaining your body; it makes your brain act more vigorously and enables you to think more accurately and for long periods without fatigue, thus bringing you greater success in whatever business, profession or undertaking you are engaged.

When you are rundown, nervous, half sick, down-hearted and about ready to give up, experience of many years has shown that one of the best remedies to pull you out of this bad predicament is good old organic iron. But be sure the iron you take is organic iron, the kind that is found in plants, and not metallic iron which people usually take. Organic iron may be had from your druggist under the name of Nutrated Iron. It often increases the strength, energy and endurance of weak, nervous, tired out folks in two weeks' time. Beware of substitutes. Always look for the word "Nutra-ted" on every package and the letters N. I. on every tablet. Sold by all druggists.—Advertisement.
