

NINA COX NEW PRESIDENT OF STATE CLUBS

Business and Professional
Women Close Session
With Banquet.

Miss Nina Cox of Indianapolis was elected president of the Indiana Federation of Business and Professional Women's Clubs at the afternoon session of the convention held in the Claypool Hotel Saturday. Other officers chosen include Miss Roberta Starr, Elkhart, vice president; Miss Golding Groves, Frankfort, second vice president; Miss Clara M. G. Berns, Indianapolis, corresponding secretary; Miss Nell Hyatt, Lebanon, recording secretary; Miss Gertrude McDaniel, Anderson, treasurer; Miss Mary Leonard, Lebanon; Miss Florence Swadener, Logansport; Miss Dot Tilton, Franklin; and Miss Merica Hoagland, Indianapolis, directors.

Miss Ida Anderson of Indianapolis was named to fill the vacancy in the national organization as vice president owing to the resignation of Mrs. F. J. Schultz of Evansville. The national convention, it was announced, will be held in Cleveland July 18.

The banquet in the Riley room Saturday evening closing the convention was the only social event of the day. A clever program of songs, club yells and stunts was featured at the dinner, with talks by Mrs. Lena Lake Forrest, national president, and Mrs. S. E. Perkins, president of the Woman's Department Club. Miss Mamie Larsh presided.

The tables were attractively decorated with a profusion of apple blossoms, with gay colored butterflies marking the covers. A group of dances was given by pupils of Miss Marie Climer and songs were sung by the Business Woman's Quartette, including Miss Fern Flint, Miss June Steele, Mrs. Alice Scott and Miss Leona Gintzler. As a grand finale a vaudeville show presenting a bunch of song parodies, jokes and "take-offs" on well known members of the federation was staged by Miss Nell Hayes, Miss Mabel Tyner, Miss Boss Caplinger, Miss Carrie Merrill, Miss Bertha Peabody and Miss Sue Stuart.

Man's Body Found Beneath Sidewalk Provides Mystery

CHICAGO, March 28.—Attempts are being made today to identify the body of a man which was found beneath an elevated sidewalk in West North avenue, and to find a woman who was seen leaving the spot a short time before the body was found.

The body of the man was concealed in a rude cave under the sidewalk. Beside it, when the police arrived, was a woman's muff. In his hand the dead man clutched a string of rosary beads and in his pocket was found a piece of paper bearing the address, "Mrs. Schultz, 1542 Carroll Place."

A watchman saw the woman go under the sidewalk and scrape away earth and cinders from the mouth of the shallow cave. He summoned the police, but when they arrived the woman had disappeared.

Marriage Announced

MRS. ELMER STEFFEN.

ELMER STEFFEN.

A marriage announcement which comes as a decided surprise to their friends is that of Miss Marguerite Marie Maass and Elmer Andrew Steffen, which took place during the Christmas holidays in the parlors of the Rt. Rev. Joseph Chartrand, but which has been kept a secret by the young people.

Mrs. Steffen is the daughter of Mr. and Mrs. Henry Maass, 901 South Delaware street, and Mr. Steffen, who is director of the choir of St. Peter and Paul Cathedral, is prominent in musical circles of the city, being a finished singer and composer as well.

Mr. and Mrs. Steffen will depart tonight for a trip through the East and on their return will be at home in Indianapolis.

Classes of that institution, with a party and spring playlet yesterday afternoon, at the Athenaeum. The stage was beautifully decorated with spring flowers and the little girls in the play wore dresses representing different flowers. Vocal, reading and dancing numbers were included in the program. The Women's Club presented favors to all the children following the entertainment.

COAL DUST LODGED
IN MINER'S LUNGS

Tells how his cough was conquered and health restored.

"In November, 1914, I was working in a coal mine and the doctors said the coal dust had settled in my lungs. I couldn't lie down on my right side, coughed so I couldn't sleep and had constant pain in my right lung and under my shoulder blades. I coughed so hard the blood would spurt out of my nose. Finally the doctors had me change climate and live outdoors, but didn't improve."

"Then I came home and started on Milks Emulsion. Thank God I did, as it did me a lot of good right from the start, loosening up the coal dust in my right lung. In a few weeks my lungs were free. I could sleep like a baby, had an excellent appetite and my cough left me entirely. I gained back 30 pounds in weight and went back to work in the mines completely restored to health."

G. H. Bunn, 4th Ave. and No. 13th St., Terre Haute, Ind.

Thousands of victims of dust-filled air developed the same trouble that Mr. Bunn had. Milks Emulsion costs nothing to try, so why not at least try it? Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. It helps build flesh and strength, and is a powerful aid in resisting and repairing the effects of wasting diseases.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 75c and \$1.50 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by

The makers say this should prove to be one of the biggest events of the kind ever held in the middle west.

In the first place it is beautiful enamel ware—genuine Republic ware, beautifully white, with just a tiny line of delft blue along the edge—an artistic addition to any kitchen—a joy to the housewife.

Every piece is first quality, not a second in the lot. Every piece is triple coated—three coats of enamel over a heavy steel base. Every piece is full capacity.

We purchased this enamel ware direct from the Republic Stamping and Enameling Co., acknowledged to be the greatest producers of such ware in the country and also the most jealous of their reputation for a fine output.

By taking a carload we secured a cost so low that even the largest-capacity vessels may be yours for only \$1.98, most of the pieces at only 98c.

The Sale Starts Tuesday Morning at 8:30 on Our Housewares Floor
