

GEN. FOREMAN MAY JOIN BIG LOYALTY RALLY

Illinois National Guard Commander Will Probably Speak, Says Cantwell.

Gen. Milton J. Foreman, commander of the Illinois National Guard, probably will be one of the distinguished visitors at the All-American celebration in the Gipsy Smith tabernacle Saturday night, according to word received today by J. F. Cantwell, chairman of the American Legion executive committee which has charge of the arrangements. General Foreman commanded one of the Illinois Regiments in France, and has taken a prominent part in the organization of the legion.

He is a close friend of Charles G. Dawes and is endeavoring to make it possible for him to attend the meeting as one of the principal speakers. A letter received by Mr. Cantwell this morning from Washington, where Mr. Dawes is at the present time, led to the belief that Mr. Dawes would be able to attend, although he has not formally accepted the invitation.

The committee already has obtained the acceptance of Federal Judge K. M. Landis of Chicago to deliver one of the main addresses.

COMPLETE ARRANGEMENTS

Every precaution will be taken to provide for the comfort and easy handling of the tremendous crowd which is expected to attend the celebration. A detail of fifty policemen will assist in taking care of the throng.

The following reception committee has been named: Governor Warren T. McCray, Judge Albert B. Anderson, Senator Harry S. New, Samuel M. Raistlin, Albert J. Beveridge, Mayor Charles W. Jewett, Charles J. Orbison, Charles F. Coffin, Frederick Van Noy, Thomas Tazewell, L. C. Huesmann, John W. Holtzman, Hilton U. Brown, Evans Wooln, M. E. Foley, J. K. Lilly, Dick Miller, R. A. Butler, Ernest Bross, Hugh McKee, Landon, C. H. Windom, Rev. J. E. Cantwell, G. A. Gaskie, H. Howard Cadie, V. E. Rorer, Lemuel Bolles and the commanders of every American Legion post in Marion County.

The Indiana "Democratic Club," which had made all arrangements for the celebration of Jefferson's birthday, April 2, has called off its meeting, in order to participate in the Americanization meeting.

"At a time when German propaganda is being openly flaunted in the face of the loyal American people and unusual favors are being shown by officials to those who have been convicted of the disloyal act of obstructing the draft," said Frank P. Baker, president of the club, "it is indeed timely that patriotic meetings should be held in Marion County to arouse the fine sentiment of Americanism which reached its height under the leadership of that greatest of Americans, Woodrow Wilson."

"Indiana is doubly fortunate in that it has chosen for its day of meeting April 2, the birthday of Thomas Jefferson, who wrote the great American document, the Declaration of Independence, and who founded the great American party, the Democratic party."

Representatives of the American Legion and practically every other patriotic and civic organization in the city met at the Chamber of Commerce yesterday and selected committees for the big Americanization meeting.

From all indications the affair will be the largest and most successful of its kind ever held in Indiana. Not only is Indianapolis alive to the importance of the meeting, but the State as a whole is taking an unusual interest in it and American Legion posts throughout Indiana are requesting space at the meeting.

It is probable that an informal parade headed by the 40th Infantry band from Fort Benjamin Harrison will be held immediately following the Service Club banquet at the Clarypore hotel to the speakers of the evening. No attempt will be made to organize the parade on a large scale, but it promises to be a large one, according to Legion officials.

TRIBE CITY TO HONOR DAY
On the day of the meeting it is requested that the national colors be displayed from every building in Indianapolis. The tabernacle itself will be beautifully decorated under the direction of the committee on decorations which is made up as follows: Chairman, J. E. Cantwell; William H. Barrett, Jr., Mrs. Harry Geller, J. E. Gaskie, Arthur Gresham, George V. Kilmes, K. W. Hadley and Roy C. Gault.

Other committees are as follows: Transportation of Disabled Former Service Men to the Meeting—Dr. Edward A. Willis, chairman; Edwin A. Bailey, L. B. Hopkins, Mrs. Thomas E. Stuckey, Mrs. Charles Kurtz, Jacob Morgan, Mrs. Olive B. Lewis and Miss Helen Courtney. Publicity—Herbert H. Haver, chairman; Joseph R. Morgan, C. C. Jones, Maurice E. Tennant, William H. Howard, John B. Reynolds, George R. Chester, Lowell Toms and Frank P. Baker. Seating Arrangements—H. C. Ketcham, chairman; John Paul Ragsdale, Morris G. Fuller, Mrs. J. E. Barcus, Mrs. J. J. Jeffries and Mrs. John Paul Ragsdale.

Program Committee—Charles G. Sanders, chairman; Frank P. Baker, William H. Flanders, Kenneth D. Coffin and Miss Euzanna B. Higgins.

Final reports of all committees will be made at a meeting of the general executive committee Thursday evening at 5:15 o'clock at the Chamber of Commerce.

IRISH HONOR TO BEVERIDGE

Accepts Vice Presidency on Relief Committee.

Albert J. Beveridge has accepted a place as honorary vice president of the American Committee for Relief in Ireland. In a statement made today to Peter C. Kauffman, chairman of the executive committee for the collection of funds for Irish relief, Mr. Beveridge said:

"The American people have responded with unparalleled generosity to every call for relief for the starving, suffering women and children of every country in Europe and Asia. This noble action proves the great-heartedness, sympathy and unselfishness of the American people in every manner and non-political cause."

"The fund now being raised for the relief of the suffering, starving and desolate in Ireland is of the same kind and for the same purpose as other similar funds for foreign aid. The Irish relief fund is non-political, non-sectarian and exclusively for the relief purposes stated by the committee. The emphatic approval of the American people is sufficient proof of this. Men and women of every religious denomination, of every political party and of every shade of foreign sympathy are responding with equal ardor to this noble cause. It is the privilege of joining in this humane response."

Home Run Drives by Gipsy Smith

"When you ask if any one can lose Jesus let me answer, 'Let him that thinketh he standeth take heed lest he fall.'"

"I know of no worse hell than to lose Christ and try to keep up the camouflage of loving Him."

"Pain stinging and preaching are blasphemy if Jesus is not there."

"The devil entered Judas beside Jesus at the communion table. If you can lose Him at the communion table what about some of the places you have been in?"

"There are lots of good people who lose Jesus because they talk fifth."

"I am not preaching a cheap religion. Religion is not a fire escape for you while it allows your victims to go to the devil."
