

ANTIS DISCARD BONDPLAN FOR MARKET HOUSE

Block Passage of Ordinance
for Repairing City Building
—Planning Bill Passes.

HIT SLAUGHTER HOUSES

Passage of an ordinance authorizing the board of public safety to issue \$125,000 worth of bonds to pay for the remodeling of the city market house was blocked by the four anti-administration members of the city council at the regular meeting last night.

The ordinance was an administration measure and was designed to enable Mayor Charles W. Jewett to carry out in the last year of his term the plan of something for conditions at the market.

The board of safety planned to put in new floors, uniform stand supports, rest rooms and other physical improvements, instead of making a change in the method of management, which many persons who have studied the market problem have recommended.

Councilman Sumner A. Furness, Jesse E. Miller, Jacob P. Brown and Councilor Russell Wilson, administration members, voted for the ordinance, but it required six votes to pass. The negative votes of Councilors Augustus Schmidt, Louis W. Cornish, Lee J. Kirsch and William B. Peake prevented passage, but did not permanently kill the measure, merely preventing it from being taken before the vote was taken. It was not thought likely, however, that the administration would attempt to call it again for consideration.

The ordinance authorizing the board of public health to issue \$500,000 worth of bonds for the construction of a nurses' home was not even reported out of committee, although by the interpretation of the rules under the administration ordinance it automatically died because it had been in committee through two regular meetings. It was understood that some of the anti-administration members are opposed to this expenditure.

Ordinances creating a city planning commission and regulating the location of slaughter houses, tallow chandleries and other plants giving off an offensive odor were unanimously passed. The second measure went through despite legal objections raised by Woodburn Mason, attorney for John F. Conannon, who proposed to establish a slaughter house at 1101 South Harding street. The ordinance was sponsored by citizens of West Indianapolis who opposed Conannon's plan.

PUBLIC HEARING ON SLAUGHTER HOUSES. The city planning commission will be established in accordance with the State law. It will be composed of five citizens to be appointed by the mayor, the president of the board of public works, the city civil engineer and one member each of the board of park commissioners and the council to be chosen by the bodies.

A public hearing was held on the "slaughter house" ordinance before the regular meeting. Approximately 250 residents of West Indianapolis, members of the newly organized Enterprise Civic League, were present. Father Joseph F. Weber, rector of the Church of the Assumption, 1223 Blaine avenue, attorney Henry Seyfried, Heyden Buchanan, president of the league, and Stephen Fuller, chairman of the committee appointed to sponsor the measure, spoke in favor of it. They declared that it was designed to protect homes from further encroachment of industries tending to make the district uninhabitable.

The ordinance provides that it shall be unlawful to establish, attempt or begin to establish any slaughter house, tallow chandlery, soap factory, starch factory, glue factory, tannery, brewery, distillery, bone factory or fertilizer factory in the corporate limits of the city within 1,000 feet of any established public building, park, playground, boulevard, church, school, library, hospital or any established residence neighborhood comprising ten or more dwelling houses. It also terms such industries nuisances whenever established in the future, gives the board of public health and charities power to abate them and gives penalty of not more than \$500 fine nor more than six months imprisonment, or both.

QUESTION: IS SLAUGHTER HOUSE A NUISANCE? Attorney Mason contended for Mr. Conannon that the ordinance would prevent the establishment of the Conannon slaughter house elsewhere than in the Harding street neighborhood if he so desired; that the council could not attempt to abate a nuisance when it was not a nuisance, and that the Supreme Court has held a slaughter house not to be in this class. He said that the ordinance is a violation of section 23 of the bill of rights of the State constitution, and that it cannot stand in the courts because it attempts to declare businesses to be established in the future nuisances and at the same time exempt the same industries already established.

It was announced by Councilman Carned, serving as chairman, that the city legal department, which the ordinance be postponed until the next meeting because Corporation Counsel Samuel Ashby desired to look into its legality, but the legality of the ordinance was so strong that it was reported favorably out of committee and passed by a vote of 7 to 1, Councilman Brown voting no.

When one of two ordinances providing for the re-annexation to the city of a strip of territory running approximately four blocks east of Emerson street from Tenth street to a line 700 feet north was brought up, Councilman Schmidt harked back to the special meeting of last Thursday night when the administration forces, by heroic methods, got Dr. O. B. Pettiford, a Jewett member, who has been very seriously ill, to the meeting and forced through the ordinance restricting the city's prospects along lines considered favorable to Mr. Thomas C. Howe, former president of Butler College and New-Jewett candidate for mayor. Dr. Pettiford was not present last night. In a jocular tone, Mr. Schmidt inquired: "How many Jewett voters are there in that district?"

CAREFUL AGAINST GERRYMANDER. President Wilson attempted to reassure him that there was no gerrymander in the ordinance.

"Well, for fear that there may be some I vote no," replied Mr. Schmidt. The other seven votes were in favor.

The second ordinance came up and Mr. Schmidt announced that he was voting no, "just to be consistent."

The territory is being re-annexed to expedite the construction of the East Tenth street main sewer.

Ordinances approving contracts were passed as follows: Between the board of public works and the Citizens Motor Car Company for two five and one-half-ton Packard trucks equipped with motor street flushers; between the board of public works and the International Motor Car Company of New York City for one five-ton Mack truck; between the board of public works and the Citizens Motor Car Company for one five and one-half-ton Packard truck equipped with a motor distributor, and between the board of

Beauvais Idol of Young Girls, Who Send Him Letters

MONTREAL, April 5.—Fred Beauvais, co-resident in the divorce suit of James A. Sullivan, has involuntarily assumed the role of a sort of matinee idol—movie hero, in the eyes of scores of young American girls, it was learned today.

From a French guide is a helpless target for a barrage of letters from these imaginative flappers, most of whom "sympathize with" or "pray for" him. He is not replying to any of them and says they annoy him.

A Philadelphia girl, who says she is 19, enclosed in her letter what she described as "my ending of this drama." She clipped pictures from a magazine, showing the principal scenes in a western movie thriller.

Wherever the name of the hero appears she substituted the name of "Fred Beauvais" and for the "simple country girl" she wrote in "Anne Stillman."

public safety and the Lathrop-McFarland Company for one Cole automobile to be used as a police emergency car.

STANDARD OIL. An ordinance granting the Standard Oil Company permission to erect and maintain for a period of fifty years "warehouses, tanks and other buildings necessary for the conduct of its business, and to store therein illuminating oils, naphtha, gasoline, or any other mineral oils or fluids, the products of petroleum, in quantities sufficient to meet the requirements of its business," on property located near Twenty-Ninth street and Schurmann avenue, was introduced.

Conannon Brown, who introduced it, said the law requires special permission by ordinance for the establishment of such plants within the city limits. Another ordinance granting the same company the right to lay a switch to the new plant, was introduced.

HOOSIER DEATHS. COLUMBUS.—Mrs. Eliza Noland, 68, wife of Thomas Noland, and widely known in the county, is dead at the county hospital here following an operation. Mrs. Noland was born in this county and had lived here all of her life. Besides her husband, she is survived by three children—Mrs. Oscar Meyer of Marion, Mrs. Joseph Horn of Ellettsburg, and a son, William Noland, who is a physician. Funeral services will be held at the family home two miles south of this city, Wednesday afternoon, and burial will take place at the Garland Brook cemetery here.

SHELBYVILLE.—Henry Sparks, 65, is dead at his home here from cerebral hemorrhage. He was a well known business man of this city. Surviving are his son, Clancy Sparks, and one brother, William Sparks of Clark County. William Andrew Benson, 56, is dead following an illness from dropsy. He was survived by the widow, Mrs. Kate Darratt Benson; two daughters, Mrs. Lynn Van Gordon and Miss Kathleen Benson; six sons, Robert, Harry, John, Herbert, Charles and Edgar Benson, all of this county.

NOBLESVILLE.—The Rev. Curtis H. Mallory, 51, is dead at his home east of this city. He was a minister of the Methodist Episcopal Church and was born in Hamilton County. He is survived by two children, Frank Mallory of this county and Arza Mallory of Los Angeles, Cal.

KOKOMO.—Daniel G. Wilkins, 52, dry goods clerk, and son of D. G. Williams, a city news typographer, fell from the Kokomo Tribune is dead, having succumbed to heart trouble.

"TAKES" LAWYER'S TOPIC. "Do We Want a Change in Our Tax Laws?" will be the subject of Alfred F. Potts in an address to be delivered before the Indianapolis Bar Association at 8 o'clock Wednesday night in the library of the United States District Court.

KOKOMO MAN SUED FOR DAMAGES. Damages of \$10,000 are asked of Henry Egan of Kokomo, Ind., by John Morse of New York in a suit filed yesterday in Federal Court. The complaint charges that Aug. 30, 1919, Morse was injured while alighting from a street car at Niagara Falls, N. Y., by an automobile driven by the defendant in a reckless manner.

D. D. D. The Lot for Skin Disease

Would You Advise Me to Take Nuxated Iron?—I Am Weak

NERVOUS, and "ALL PLAYED OUT" after my day's work, but times are "hard" and money scarce and I do not want to spend a cent that is not absolutely necessary

In "hard times" it is more difficult to make MONEY and "GET AHEAD" than it is in good times, you, therefore, require MORE PHYSICAL AND MENTAL VIGOR, STRENGTH, and endurance in "hard times" to help you overcome the numerous difficulties, obstacles and stumbling blocks you are bound to meet.

Now as to taking Nuxated Iron, what would YOU SAY a man should do if he had WEAK LEGS or no legs but had to get his food by running after it—would you advise him to get a pair of good strong legs if he could do so? The case is not exactly parallel but IF YOU REQUIRE MORE BODILY AND MENTAL VIGOR to get ahead in "hard times" then isn't it good economy to purchase anything you can which helps make you stronger?

Many a man is struggling, trying hard to get ahead, but just as he gets a start something always seems to go wrong that puts him back, while another man with apparently less ability seems to get along famously with comparatively little effort—THIS GREAT DIFFERENCE is due to the fact that the difference in their bodily and mental vigor and the amount of organic IRON IN THEIR BLOOD.

There are 30,000,000,000,000 RED BLOOD CORPUSCLES in your blood and each one must have iron. Without IRON YOUR BLOOD LOSES ITS POWER TO CHANGE FOOD INTO LIVING CELLS AND THEREBY ENDS YOUR POWER TO DO YOUR proper amount of good—you do not get the full strength out of it.

Life, however, is a household drudgery, gripping, galling worry and nervous strain are sapping the iron and thereby thinning the blood of thousands of men and women.

We do not advise what to do in individual cases, as this is the province of the physician, but we do say that if you lack sufficient iron in your blood to give you the strength, energy and endurance

you need to get ahead and overcome obstacles, by all means try NUXATED IRON.

NUXATED IRON often increases the bodily and mental vigor of weak, tired, nervous people in two weeks of time. It's like the iron in your blood and like the iron in spinach, lentils and apples. You can cut it if you wish. It will not blacken or injure the teeth nor disturb the stomach—it is entirely different from ordinary metallic iron which people usually take and which is made merely by the action of strong acids on small pieces of iron.

In addition to organic iron, Nuxated Iron also contains a product which represents the principal mental constituent of ACTIVE LIVING FORCE for feeding the nerves. It may, therefore, be said to be a BLOOD and a NERVE Food. Over 4,000,000 people are using NUXATED IRON annually.

Beware of substitutes. Look for the word "NUXATED" on every package and the letters N. I. on every tablet. Your money will be refunded by the manufacturer if you do not obtain perfectly satisfactory results. At all druggists—Advertisement.

NEW CAFE OPENED BY STEGEMEIER'S

Dining Room in Occidental Building Taken Over.

Stegemeier Brothers, who for years conducted the Stegemeier Cafe in North Illinois street, have opened a new dining room in the basement of the Occidental Building. The place, which was formerly operated as the Occidental Cafeteria, has been refurbished, redecorated and otherwise improved. It was opened for service yesterday.

The Stegemeier cafe in Illinois street, long known as one of the city's favorite eating places, will continue business indefinitely, pending the starting of work on the Central Amusement Company's new theater which is to occupy the site.

When completed the Stegemeiers will have a cafe in the basement of the theater.

Hancher Murder Trial Opens at Columbus

COLUMBUS, Ind., April 5.—The trial of J. Webster Smith, charged with murder in the first degree, in connection with the shooting of Irma Hancher here last January, was begun in the Circuit Court today.

The entire first day was taken up in an effort to get a jury. A special venire of fifty men was drawn for the case and a second venire of fifty was drawn when the first was exhausted yesterday afternoon. Long before the hour for the opening of court the seating capacity of the courtroom was taken and people were standing in the rear of the room, indicating a deep interest in the case.

The defendant, who is a member of a prominent family here, appeared very self-poised at the trial and took little interest in the proceedings of securing a jury.

Mr. and Mrs. John Hancher, parents of the murdered girl; Mrs. Harry Spicer of Madison, a sister, and Clarence Hancher, a brother, were present at the trial. A number of relatives of the defendant were also present. Prosecutor A. T. Conner is assisted by Rynerson & Long and Kollmeyer & Sharpnack are the attorneys for the defense.

Plumbers Strike Over Wage Matters

LOGANSPORT, Ind., April 5.—A strike of the journeymen plumbers of this city has been called. Wage differences existing between the members of the local union and the master plumbers has led to the walkout of thirty employees here. No prospect of a compromise have yet been reached.

The wage scale as requested by the journeymen plumbers of this city was placed at \$1 per hour, for eight hours per day, excluding Sunday. Master plumbers asked that the scale be reduced to 75 cents per hour, this request being refused by the local union.

An attempt was also made to bridge the breach at 90 cents per hour. The yearly contracts under which the journeymen plumbers of this city work expire with the first day of April.

Mayor Barnes in 2 Damage Suits

LOGANSPORT, Ind., March 5.—Mayor James I. Barnes was made the defendant in two suits filed today in the Cass County Circuit Court by the Ruch-Drumpp Grocery Company and Leroy J. Johnson. The complaint filed by the Ruch-Drumpp Company demands \$25,000, while damages in the sum of \$4,000 are asked in the second suit.

Both suits are the outcome of speculation in sugar which was made here last summer. The Ruch-Drumpp Company alleges in its complaint that the officials acted for Barnes in dealing for sugar, in which connection they lost \$16,000, due to the radical drop of the market.

Johnson in his complaint alleges that he loaned the money to the Ruch-Drumpp Company to make the sugar purchases for Barnes.

Autoist Convicted on Two Charges

THOMAS EGAN, 715 North Pine street, was fined \$30 and costs on charges of speeding and \$10 and costs on a charge of driving his machine while under the influence of liquor in the city court yesterday afternoon by Judge Walter Pritchard.

Egan was arrested Saturday night by Sergeant White and the emergency squad who received information of an accident at North and New Jersey streets. Sergeant White stated that Egan struck the machine driven by Howard H. Standley, 1228 North New Jersey streets. Only slight damage was done to either machine, it was said.

Steamer, at Anchor, Destroyed by Fire

EVANSVILLE, Ind., April 5.—The steamer Kenneth W. was destroyed by fire while anchored at Spottsville, Ky., on Green River, a few miles from here. It is not known how the fire originated.

The hull of the vessel sank. Capt. Sewell Smith, one of the owners, was asleep on the boat and was almost suffocated by the flames. He saved his life by leaping overboard. The loss is partly covered by insurance.

OFFERS AID TO CITY PLANNING

Committee of 100 Would Cooperate With City.

A letter has been sent to Mayor Jewett and to the city council by John B. Reynolds, general secretary of the Indianapolis Chamber of Commerce, as secretary of the committee of one hundred on city planning, offering to the city the entire cooperation of the committee.

In the letter it is stated: "The committee feels that this is a matter of the most vital importance and hopes that it will be possible for it to render valuable assistance to you in the great responsibilities of the inauguration of this movement. The committee, as you know, composed of a representative group of men and women who have been gathered together with only one end in view and that end is, to serve Indianapolis in the present so that her future growth along sensible and scientific lines may be assured. This committee has it in its power to be of marked help in selling any ideas which may be developed officially to the citizens of Indianapolis and we sincerely hope that you will advise when help is needed. You may be assured that this help will be forthcoming."

Will Decide Winners of Gerard Memorial

CRAWFORDSVILLE, Ind., April 5.—The committee on scholarship of the Gerard Memorial Educational Aid Foundation of the Supreme Tribe of Ben Hur met in this city today to select the winners of scholarships given by the foundation each year.

The scholarship fund was established in 1920, as a memorial tribute to David W. Gerard, founder of the Ben Hur organization. The scholarships have a value of \$500 yearly for four collegiate years. The recipients this year will be required to attend Washburn College.

SPEED LAWS CATCH THREE. Three men were fined \$30 and costs in city court yesterday afternoon by Judge Walter Pritchard, on charges of violating the motor speed laws. They were: Carl Johnson, 1822 Barth avenue; John Susman, 929 East Ohio street, and H. R. Berryman, 4056 Byram avenue.

WIFE PLANS MEMORY TEST

Amnesia Victim, Discovered Here, Arrested in Canada.

CLEVELAND, April 5.—Cuyahoga County officials were hurrying to Broughdale, a village near London, Ontario, today to bring back for trial James Val Morton, Canadian war hero, to face a charge of having deserted his wife and two minor children.

Morton received much notice last November when he walked into a doctor's office in Indianapolis and said: "I don't know who I am, nor where I live. My mind is a complete blank."

Doctors subjected him to many tests for amnesia and his picture was published broadcast by newspapers. Mrs. Morton saw it in a Cleveland paper and recognized her husband, who had disappeared from Canton, Ohio, two weeks previously. A touching reunion occurred at the hospital and Morton returned with his wife to Cleveland.

Recently he disappeared again and re-appeared he was located at Broughdale, Bellingham. The amnesia was feigned, his wife asked his indictment upon the charge of desertion.

Coal Operators Cut Price in Illinois

SPRINGFIELD, Ill., April 5.—Illinois coal operators explained today that a reduction of fifty cents a ton in coal is made at this time to allow plants and individual consumers to replenish their stock for next winter and to aid in the movement of cars now standing idle on the railroad tracks. Practically all operators reduced their prices.

Best grades and mine run coal were quoted at \$4.25 and \$3.75 respectively, a flat cut of 50c on each. The reduction will be a temporary one, it was explained.

Printing Trades Fail to Fix Wage Pact

CHICAGO, April 5.—The International joint conference council of Allied Printing Trades today failed to reach an agreement on the wages to be paid for the forty-four-hour week which goes into effect May 1.

Each local of printers, stereotypers, pressmen and others were advised to work out their wage with each job printing house.

Union officials urged employees to speed up production under the forty-four-hour week to as near as possible that under the longer work day.
