Special to The Times.  
LOGANSPORT, Ind., April 5.—Kiwans from all parts of Indiana came to Logansport today to play. The occasion was the first annual playfest of the Indiana branch of the Kiwanis Club and many of the clubs from various parts of the State were represented by the complete membership.

This city was in gala attire. Every store was decorated in colors of the Kiwanis and every merchant put up placards inviting the visitors to "Come in and play."

Among the cities represented by 100 per cent delegation were Indianapolis, Kokomo, Peru, Henderson, Anderson, Marion, Columbus, Tipton, Noblesville, Ft. Informal speeches were made by the presidents of the three local circles, Mrs. V. B. Sharritt, of the Heyl Study; Mrs. W. J. Sumner, of the Vincent; and Mrs. Mayne Findley of the Irving circle, which were followed by a talk by Mrs. Cole. A theater party followed the luncheon. RICHMOND, Ind., April 5.—A minority report has been submitted by the committee appointed to determine whether the teachings of Earlham College were in conflict with fundamental Christian doctrines. The majority report was submitted to the board of trustees at their recent meeting.

The minority report claims that the majority report does not give credit to actual facts, and leaves the impression that there are no just causes for alarm.

The minority statement adds that the previous report "ignores the testimony of worthy men in the church whose testimony shows that students, parents of students and pastors recognize and protest against the false teachings."

"It is claimed that the majority report fails to say how the pastors who are harmonized with the college when 'no evidence shows that professors of Earlham have stated to pastors that if we would teach in Earlham College what you preach, it would outrage the minds of the students.'"

## Says Post's Color Same as Atmosphere

Special to The Times.  
SHELBYVILLE, Ind., April 5.—The motion of Joseph Adrian, for a change of venue from the county, in his complaint against the town of Morristown for damages, was overruled by Judge Alonzo Blair on account of the plaintiff's failure to comply with a rule of the court. The case is set for hearing next Friday. A rule of the court is that motions for changes of venue must be filed before the case has been placed on the trial calendar for hearing. The complaint filed by Adrian charges he suffered damages when he drove an automobile against a traffic post at Morristown, asserting that the color of the post was the same as the atmosphere and therefore he was unable to see it.

## A HOME MADE GRAY HAIR REMEDY

You Can Make a Better Gray Hair Remedy Than You Can Buy.

Gray, streaked or faded hair is not only unbecoming, but unnecessary. Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To a half pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 1/4 ounce of glycerine. These ingredients can be bought at any drug store for very little cost, or the druggist will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use, does not color the scalp, is not sticky or greasy and does not rub off.

A. H. Perfect & Co. of Ft. Wayne are defendants in one suit for \$3,500. The complaint charges that the defendants ordered 500 barrels of flour from the plaintiff on Oct. 23, 1920, but refused to accept one-half of the amount.

The other suit, which is for \$7,000, is against the Hays Milling and Grain Company of Worthington. This concern is said to have contracted for seventeen tons of dairy rationed and 1,000 barrels of flour Aug. 10, 1920. Of this amount only two tons of rations and 575 barrels of flour were accepted.
