Citizens Fire on Chicago Police While Being Questioned.

CHICAGO, April 8.—One man was killed and four wounded in a gun battle in South Chicago early today in which two policemen and three citizens participated. At least one of the wounded may die.

George Nicksch, shot in the neck, died at a hospital soon after the shooting. His brother, Robert, was shot in the head and leg and Joseph Fitch, brother-in-law of the Nickschs, is in a serious condition with a bullet in his left lung.

John Tracy, detective sergeant, was shot in the abdomen and physicians say he has only a slight chance of recovery. Policeman John E. White was shot in the right hand.

The shooting followed, according to Policeman White, an attempt by the officers to halt the three men for questioning. When the fire started, White said, the three men opened fire without warning.

Police authorities began an investigation today.

Court Uses 2 Juries at Shelbyville

SHELBYVILLE, Ind., April 8.—The practice of having two juries in service at the same time in the Shelby Circuit Court was repeated yesterday when a jury was impaneled for the hearing of the complaint of J. J. Totten & Son against the American Railway Express Company, while deliberations were being carried out in an adjoining room by the jury which heard the evidence in the complaint of Roy McDaniel and James McVay against Jake Schott. The latter jury reported to the court at noon that it had failed to reach an agreement after having been out since 4 o'clock Wednesday evening and was dismissed by Judge Alonzo Blair. The complaint was for damages which the plaintiffs demanded as the result of alleged diseased cattle sold them by the defendant.

Damages of \$250 are asked as judgment in the suit of Totten against the American Railway Express Company for the alleged loss of a horse in shipment from Milwaukee to Fairland, Ind., the plaintiff charging that owing to the negligence of the defendant the horse was permitted to remain open and one of the horses stolen.

Nab Promoters of Dance 'for Men Only'

ANDERSON, Ind., April 8.—As a result of instructions given the grand jury by Judge Kittinger, Wednesday, relative to the staging of alleged nude dances in this city recently, affidavits were filed in city court here against Charles B. Lockwood, Ed Fowler, Arthur Retz, Jackson Culbertson, Don Fear and Rosa Briscoe, in connection with a dance held in a theater here Wednesday night.

Mayor Rick started an investigation of the occurrence in an effort to clear high school fraternities of any connection with the alleged immoral dances. Investigation has shown that high school students were not implicated. It is said that a series of lewd dances have been staged by a certain group of men, to which tickets were sold, and men only were invited. Hundreds of men attended these affairs, it is said, which were staged for profit. City police officers were present, it is alleged.

FARMERS JOIN TO MARKET GRAIN

Cooperative Agency Represents 23 States.

CHICAGO, April 8.—The first cooperative agency for the marketing of grain, the National Grain Growers' Association, was launched today with the adoption by delegates from twenty-three States of a report by the committee of seventeen recommending the establishment of a farmers' grain marketing organization. The organization is to be known as the United States Grain Growers, Inc.

All farmers who pay an annual fee of \$10 each will have the option of right of marketing their crops through the cooperative organization. At the end of the year a balance will be struck and all funds not needed for expenses will be returned to the farmers, pro rata.

The organization proposes to build its own elevators and terminal warehouses and will establish its own market news service. A general headquarters will be maintained with branches at central points throughout the grain growing districts. A board of twenty-one directors will be chosen later to conduct the organization's affairs.

Amendments to the plan which would have provided for compulsory pooling of grain and wheat were voted down after a spirited debate and the report of the committee of seventeen, composed of representatives of various farmers' organizations, was adopted unanimously.

Grain exchanges and boards of trade were bitterly attacked by several delegates. A board of twenty-one directors will be chosen later to conduct the organization's affairs.

THIEF ESCAPES COP'S BULLETS

Drops Suitcases and Runs When Policeman Shoots.

A thief who had broken into Jacob Yaverovitch's store, 1257 Oliver avenue, early today, dropped two suitcases containing the loot stolen from the store and ran when Patrolman Wilson opened fire on him as he failed to obey the officer's command to stop. Wilson saw the man turn to enter an alley on Warren avenue near Oliver avenue and ordered him to stop. The man started to run and the policeman fired. The thief dropped the suitcases in order to facilitate his escape.

In one of the big cases there were forty shirts and in the other there were fifty-five pairs of shoes. Later it was learned that the shirts, shoes and suitcases had been stolen from Yaverovitch's store, and that the glass in the rear door of the store was broken by the burglar. Patrolman Wilson later arrested a man giving him the name of Wesley Martin, on a charge of vagrancy. He is being questioned by detectives.
