**THIN PEOPLE
NEED BITRO-
PHOSPHATE**

All that most weak, nervous, thin, mentally-depressed people need is 10 grains of pure organic phosphate with each meal for a few weeks.

That's what nerve specialists in London, Paris and New York are prescribing with wonderful results.

It is natural food for nerve and brain cells and is known to such reliable pharmacists as Haas drug stores as Bitro-Phosphate. Because of its power to help create healthy flesh and strengthen weak nerves, much of it is being sold to people who are lacking in vitality.

CAUTION: Although Bitro-Phosphate is an excellent aid in relieving weak, nervous conditions, its use is not advised unless increased weight is desired.
